

SETTLEMENT AGREEMENT
BETWEEN
CONSUMER ADVOCACY GROUP, INC.
AND
TOPMOST DESIGN CO. LTD

Consumer Advocacy Group, Inc. ("CAG") and Topmost Design Co. LTD (hereinafter referred to as "Topmost"), (CAG and Topmost collectively referred to as the "Parties") enter into this agreement ("Settlement Agreement") to settle CAG's allegations that Topmost violated Proposition 65 for the purpose of avoiding prolonged and costly litigation with no admission of violation of law or regulation and with no admission of liability on the part of Topmost. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the "Effective Date").

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Topmost previously sold, at various times, Floral Accessories, including, but not limited to, "Classic Quarters® 26 in. Battery Operated LED Lighted Floral Branch V#1003093, Item#C995590" (referred to throughout as the "Covered Products"). The Covered Products are limited to those sold by Topmost only.

1.3 CAG alleges that Covered Products contain Di-n-Butyl Phthalate (DBP), and that Topmost did not provide a required warning in compliance with the California Safe

Drinking Water and Toxic Enforcement Act (Cal. Health & Safety Code § 25249.5, et seq. (“Proposition 65”)).

1.4 On December 2, 2005, the Governor of California added DBP to the list of chemicals known to the State to cause developmental, female, and male reproductive toxicity. This addition took place more than twenty (20) months before CAG served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

1.5 DBP is referred to hereafter as the “Listed Chemical.”

1.6 On or about March 21, 2012, CAG served Big Lots Stores, Inc., Big Lots, Inc., Consolidated Property Holdings, Inc. and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding Covered Products containing the Listed Chemical.

1.7 The Sixty-Day Notice (referred to as the “Notice”) alleged that the noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Listed Chemical.

1.8 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).

1.9 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an

admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Topmost, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or Topmost may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, on the one hand, and (a) Topmost, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively, "Releasees") and (b) all entities identified in the Notice and to whom Releasees directly or indirectly provide, distribute or sell the Covered Products, including, but not limited to, Big Lots Stores, Inc. and its parents, subsidiaries, distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees ("Downstream Releasees"), on the other hand, of any violation or claimed violation of Proposition 65 or any statutory or common law claim that has been or could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Products manufactured, shipped and/or otherwise

distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Products are only limited to those sold by Topmost. CAG and Topmost agree that Topmost's compliance with this Settlement Agreement shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for both Releasees and Downstream Releasees for any Covered Products distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively, "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST

HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT
WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

3.0 Topmost's Duties

3.1 Topmost agrees, promises, and represents that immediately after the Effective Date of this Settlement Agreement, it will reformulate Covered Products to be sold in California to a point where the level of DBP in the Covered Products does not exceed 0.1%. Without limitation the Parties acknowledge and agree that Topmost shall not be required to recall any Covered Products sold or delivered to Downstream Releasees prior to the Effective Date.

3.2 Topmost agrees, promises, and represents that, as of the Effective Date, to the extent it ships any Covered Products to California from existing inventory that have not been reformulated, it will provide warnings on such Covered Products that comply with Proposition 65. The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase. The Parties agree that product labeling stating that "WARNING: This product contains chemicals known to the State of California to cause birth defects, or other reproductive harm" shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated

and was distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.
