SETTLEMENT AGREEMENT

BETWEEN

CONSUMER ADVOCACY GROUP, INC.

AND

RAYON ENTERPRISES, LLC

Consumer Advocacy Group, Inc. ("CAG") and Rayon Enterprises, LLC (hereto referred to as "Rayon"), (CAG and Rayon collectively referred to as, the "Parties") enter into this agreement ("Settlement Agreement") for the purpose of avoiding prolonged and costly litigation to settle CAG's allegations that Rayon violated Proposition 65. The Effective Date of this Settlement Agreement shall be the date upon which all payments stipulated in Section 4 have been made in full (the "Effective Date").

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improving human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 It is alleged that Rayon previously sold, at various times, Steering Wheel Covers including but not limited to Chococat Steering Wheel Cover, #3500 29453-5" (referred to throughout as the "Covered Product(s)"). The Covered Products are limited to those sold by Rayon.

1.3 CAG alleges that Covered Products contain Di (2-ethylhexyl) phthalate ("DEHP"), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and that Rayon did not provide a required warning in compliance with

the California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* ("Proposition 65")).

1.4 On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause both cancer and reproductive toxicity, developmental, female, male, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before CAG served its "Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" which is further described below.

1.5 DEHP are referred to hereafter as the "Listed Chemical".

1.6 On or about April 10, 2012 CAG served Nakajima USA, Inc. and certain relevant public enforcement agencies with documents entitled "Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water and Toxic Enforcement Act of 1986" regarding Steering Wheel Covers containing DEHP.

1.7 The Sixty-Day Notice (referred to as "Notice") alleged that the noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Listed Chemical.

1.8 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").

1.9 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions

of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Rayon, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or Rayon may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and (a) Rayon and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to Nakajima USA Inc., distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively referred to as "Downstream Releasees"), on the other hand, of any violation(s) or claimed

violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Products are limited to those sold by Rayon.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees, individually and/or collectively and/or Downstream Releasees, individually and/or collectively that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products sold up to the Effective Date, to the extent that such claims relate to Releasees' and/or Downstream Releasees' individual and/or collective alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees, individually and/or collectively, ~~and~~ and/or Downstream Releasees,

individually and/or collectively, to warn about exposures to the Listed Chemical contained in the Covered Products.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and assignees, individually and collectively expressly waive and relinquish any and all rights and benefits which they may have under, or which may be conferred on them by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that they may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth in Section 4.0 below are paid in full.

The Parties agree that product labeling stating that "WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm" shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated and were distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.
