

SETTLEMENT AGREEMENT

BETWEEN

CONSUMER ADVOCACY GROUP, INC.

AND

HOME PRODUCTS INTERNATIONAL-NORTH AMERICA, INC.

Consumer Advocacy Group, Inc. (“CAG”) and Home Products International-North America, Inc., (“HPI”), (CAG and HPI collectively referred to as the “Parties”) enter into this agreement (“Settlement Agreement”) to settle CAG’s allegations that HPI violated Proposition 65 for the purpose of avoiding prolonged and costly litigation. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 HPI previously sold, at various times, shower curtain liners (“Covered Products”). Covered Products are limited to those products sold or branded by HPI.

1.3 CAG alleges that Covered Products contain Di (2-ethylhexyl) phthalate (DEHP), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and that HPI did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.4 On January 1, 1988, the Governor of California added Di (2-ethylhexyl) phthalate (DEHP) to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added Di (2-ethylhexyl) phthalate (DEHP) to the list of chemicals known to the State to cause developmental male reproductive toxicity. All additions took place more than twenty (20) months before CAG served its "Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" which is further described below.

1.5 Di (2-ethylhexyl) phthalate (DEHP) is referred to hereafter as the "Listed Chemical."

1.6 On or about April 27, 2012, CAG served HPI and certain relevant public enforcement agencies with a document entitled "Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" ("Notice"). The Notice alleged that HPI violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to DEHP.

1.7 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Product's compliance with Proposition 65 (the "Dispute").

1.8 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or

be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by HPI, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or HPI may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, on the one hand, and (a) HPI and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute or sell the Covered Product, including but not limited to Walgreen Co., and HPI's distributors, wholesalers, sales representatives, customers, and retailers, ("Downstream Releasees"), on the other hand, of any violation or claimed violation of Proposition 65 or any statutory or common law claim that has been or could have been asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Product manufactured, shipped and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. Release of Downstream Releasees, whether or not specifically named in this Agreement, is limited to Release from liability as to Covered Products provided to Downstream Releasees by HPI. HPI's

compliance with this Settlement Agreement shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Product for both Releasees and Downstream Releasees for any Covered Product distributed and/or sold by Releasees after the Effective Date.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted, only to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Product or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in such Covered Product.

It is intended by the Parties that the releases provided in this Paragraph 2.0 shall prevent CAG from asserting any Claims against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law, to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical in the Covered Product.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, provide a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees,

damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Releasees and Downstream Releasees arising under Proposition 65, only to the extent that such claims relate to Releasees' alleged exposure of persons to the Listed Chemical in the Covered Product, and the failure to warn about exposures to the Listed Chemical contained in the Covered Product sold by Releasees and/or Downstream Releasees through the Effective Date of this Settlement Agreement. CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

3.0 HPI's Duties

3.1 HPI agrees, promises, and represents that by the thirtieth day after the Effective Date of this Settlement Agreement, it will reformulate the Covered Product to a point where the level of DEHP in the Covered Product does not exceed 0.1%.

3.2 For a period of 60 days after the Effective Date, HPI may ship from its inventory existing as of the Effective Date, any Covered Product that has not yet been reformulated.

Further, HPI agrees, promises, and represents that, no later than 60 days after the Effective Date, to the extent it ships any Covered Product in inventory that has not been reformulated, it will provide warnings on such Covered Product that comply with Proposition 65. The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase. The Parties agree that product labeling stating that "This product contains chemicals known to the State of California to cause cancer, or birth defects, or other reproductive harm" shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Product for any Covered Product in inventory that had not been reformulated and was distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.

The check shall be delivered to: Reuben Yeroushalmi, Yeroushalmi & Associates, 9100 Wilshire Boulevard, Suite 610E, Beverly Hills, California 90212. Two separate 1099s shall be issued for the above payments: The first 1099 shall be issued to OEHHA, P.O. Box 4010, Sacramento, CA 95184 (EIN: 68-0284486) in the amount of \$750.00. The second 1099 shall be issued in the amount of \$250.00 to CAG and delivered to: Yeroushalmi & Associates, 9100 Wilshire Boulevard, Suite 610E, Beverly Hills, California 90212.

10.2 No action to enforce this Settlement Agreement may be commenced or maintained, and no notice of violation related to the Covered Product may be served or
