

SETTLEMENT AGREEMENT
BETWEEN
CONSUMER ADVOCACY GROUP, INC.
AND
ICON EYEWEAR, INC.

Consumer Advocacy Group, Inc. ("CAG") and Icon Eyewear, Inc. ("ICON"), (CAG and ICON collectively referred to as, the "Parties") enter into this agreement ("Settlement Agreement") to settle CAG's allegations that ICON violated Proposition 65 for the purpose of avoiding prolonged and costly litigation. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by both Parties hereto (the "Effective Date").

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 ICON previously sold, at various times, eyewear including sunglasses (referred to throughout as the "Covered Products"). The Covered Products are only limited to those sold by ICON.

1.3 CAG alleges that Covered Products contain Diethyl Hexyl Phthalate, also known as Bis (2-ethylhexyl) phthalate, (DEHP), and that ICON did not provide a required warning in compliance with the California Safe Drinking

Water and Toxic Enforcement Act (*Cal. Health & Safety Code § 25249.5, et seq.* ("Proposition 65"))).

1.4 On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before CAG served its "Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" which is further described below.

1.5 DEHP is referred to hereafter as the "Listed Chemical."

1.6 On or about September 21, 2012, CAG served CVS Caremark Corporation, CVS/pharmacy, (collectively, "CVS Entities") and Borghese Trademarks, Inc., Borghese, Inc. (collectively, "Borghese"), ICON and certain relevant public enforcement agencies with documents entitled "Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" ("Notice"). The Notice alleged that Covered Products sold in California by CVS Entities, including an exemplar bearing the Borghese brand violated Proposition 65 by failing to warn consumers in California that use of the Covered Products exposes persons to the Listed Chemical.

1.7 On or about October 12, 2012, CAG served The TJX Companies, Inc., Marmaxx Operating Corp, Marshalls of MA, Inc., The TJX Companies, Inc. dba Marshalls, (collectively, "TJX Entities") and Zoo York, LLC, and certain relevant public enforcement agencies with documents entitled "Sixty-Day Notice Of Intent

To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" ("Notice"). The Notice alleged that Covered Products sold in California by TJX Entities, including an exemplar bearing the Zoo York brand violated Proposition 65 by failing to warn consumers in California that use of the Covered Products exposes persons to the Listed Chemical.

1.8 For purposes of this Settlement Agreement, ICON acknowledges that it produced and made available to the CVS, and TJX Entities for sale in California the Covered Product identified in the Notice as an exemplar of the violations caused by Covered Products.

1.9 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").

1.10 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by ICON, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and

compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or ICON may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, on the one hand, and (a) ICON, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, licensors, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers (including the TJX and CVS Entities), franchisees, cooperative members, and licensees ("Downstream Releasees"), on the other hand, of any violation or claimed violation of Proposition 65 or any statutory or common law claim that has been or could have been asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical but arising only in connection with the Covered Products manufactured, shipped and/or otherwise distributed prior to the Effective Date by ICON, even if sold by Downstream Releasees after the Effective Date. The Covered Products are only limited to those sold by ICON. ICON's compliance with this Settlement Agreement shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for both Releasees and Downstream

Releasees for any Covered Products distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waive and release with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted, only to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

It is intended by the Parties that the releases provided in this Paragraph 2.0 shall prevent CAG from asserting any Claims against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law, to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical in the Covered Products.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, provide a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Releasees and Downstream Releasees arising under Proposition 65, only to the extent that such claims relate to Releasees' alleged exposure of persons to the Listed Chemical in the Covered Products, and the failure to warn about exposures to the Listed Chemical contained in the Covered Products sold by Releasees and/or Downstream Releasees through the Effective Date of this Settlement Agreement. CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER, MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waive and relinquish any and all rights and benefits which THEY may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

3.0 ICON's Duties

3.1 ICON agrees, promises, and represents that immediately after the Effective Date of this Settlement Agreement, it will reformulate the Covered Products to a point where the level of DEHP in the Covered Products does not exceed 0.1%.

3.2 ICON agrees, promises, and represents that, as of the Effective Date, to the extent it ships any Covered Products in inventory that has not been reformulated, it will provide warnings on such Covered Products that comply with Proposition 65. The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase. The Parties agree that product labeling stating that "This product contains chemicals known to the State of California to cause cancer, or birth defects, or other reproductive harm" shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in inventory that had not been reformulated and was distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.

3.3 ICON agrees, promises, and represents that within 10 days after the Effective Date of this Settlement Agreement, ICON shall notify CAG of a means sufficient to allow CAG to identify Covered Products, exclusive brands and non-exclusive brands, supplied or offered by ICON, for example, a unique brand name or characteristic system of product numbering or labeling. Information provided

by ICON to CAG pursuant to this section, including but not limited to, the identities of parties to contract between ICON and third parties, may be designated by ICON as competitively sensitive confidential business information and, if so designated, shall not be disclosed to any person, without the prior written permission of ICON.
