Case No. CGC-12-526396  
**[PROPOSED] CONSENT JUDGMENT  
AS TO BUDERIM GINGER LIMITED**

**1. INTRODUCTION**

1.1 The Parties to this Consent Judgment are the Center For Environmental Health, a California non-profit corporation (“CEH”), and Buderim Ginger Limited (“Settling Defendant”). CEH and Settling Defendant (the “Parties”) enter into this Consent Judgment to settle certain claims asserted by CEH against Settling Defendant as set forth in the operative complaint (“Complaint”) in the above-captioned matter. This Consent Judgment covers the lead content of

1 ginger chews, candied or crystallized ginger snack foods and wholesale of bulk candied or  
2 crystalized ginger (“Covered Products”) sold or offered for sale by Settling Defendant. This  
3 Consent Judgment and the term Covered Products do not cover or include baking ingredients,  
4 whether or not made with candied ginger, crystalized ginger or any other type of ginger.

5 1.2 On November 30, 2012, CEH served a 60-day Notices of Violation under  
6 Proposition 65, alleging that Settling Defendant violated Proposition 65 by exposing persons to  
7 lead and lead compounds (“Lead”) contained in ginger and fruit snack foods without first  
8 providing a clear and reasonable Proposition 65 warning.

9 1.3 Settling Defendant is a corporation that manufactures, distributes, sells or offers for  
10 sale Covered Products that are offered for sale in the State of California or has done so in the past.

11 1.4 On November 27, 2012, CEH filed the original Complaint in this matter. On  
12 December 20, 2012, CEH filed the operative First Amended Complaint in this matter. The First  
13 Amended Complaint was then amended on March 7, 2013 to add Settling Defendant as named  
14 party.

15 1.5 For purposes of this Consent Judgment only, the Parties stipulate that this Court has  
16 jurisdiction over the allegations of violations contained in the Complaint and personal jurisdiction  
17 over Settling Defendant as to the acts alleged in the Complaint, that venue is proper in the County  
18 of San Francisco, and that this Court has jurisdiction to enter this Consent Judgment as a full and  
19 final resolution of all claims which were or could have been raised in the Complaint based on the  
20 facts alleged therein with respect to Covered Products manufactured, distributed, and/or sold by  
21 Settling Defendant.

22 1.6 Nothing in this Consent Judgment is or shall be construed as an admission by the  
23 Parties of any fact, conclusion of law, issue of law or violation of law, nor shall compliance with  
24 the Consent Judgment constitute or be construed as an admission by the Parties of any fact,  
25 conclusion of law, issue of law, or violation of law. Nothing in this Consent Judgment shall  
26 prejudice, waive or impair any right, remedy, argument or defense the Parties may have in any  
27 other pending or future legal proceedings. This Consent Judgment is the product of negotiation  
28

1 and compromise and is accepted by the Parties solely for purposes of settling, compromising, and  
2 resolving issues disputed in this action.

3 1.7 The Parties agree not to challenge this Court’s jurisdiction to enforce the terms of  
4 this Consent Judgment once it has been entered, and this Court maintains jurisdiction over this  
5 Judgment for that purpose.

6 **2. INJUNCTIVE RELIEF**

7 2.1 **Interim Warnings.** CEH and the California Attorney General are co-litigating  
8 Proposition 65 enforcement actions against a group of other defendants that sell crystalized and  
9 candied ginger that contains lead. The parties contemplate that future Consent Judgments entered  
10 with other defendants including farmers, processors and manufacturers may involve a higher  
11 Reformulation Level due to an allocation of Lead that is naturally occurring under 27 Cal. Code  
12 Regs. § 25501. This higher Reformulation Level may also include additional injunctive  
13 requirements that will ensure that the Lead in the Covered Products is not avoidable by good  
14 agricultural or good manufacturing practices and that the producer, manufacturer, distributor, or  
15 holder of the food is at all times utilizing quality control measures that reduce natural occurring  
16 Lead to the lowest level currently feasible, as such term is defined in 27 Cal. Code Regs. § 25501.  
17 Accordingly, until thirty days after the Court enters a Judgment or a Consent Judgment to which  
18 the Attorney General or CEH is a party that resolves Proposition 65 claims regarding failure to  
19 warn about Lead in Covered Products that: (i) sets forth a Reformulation Level containing an  
20 allocation of Lead that is naturally occurring under 27 Cal. Code Regs. §25501; or (ii) includes  
21 injunctive relief designed to ensure that the Lead in the Covered Products is not avoidable by good  
22 agricultural or good manufacturing practices and that the producer, manufacturer, distributor, or  
23 holder of the food is at all times utilizing quality control measures that reduce natural occurring  
24 Lead to the “lowest level currently feasible” as such term is defined in 27 Cal. Code Regs. §  
25 25501; or (iii) a combination of both, then Settling Defendant may not sell a Covered Product that  
26 will be sold or offered for sale in California that contains a concentration of lead that exceeds 17  
27 parts per billion, unless it provides warnings on the Covered Products in the following manner:

28

1 The warning shall state:

2 “**WARNING – THIS PRODUCT CONTAINS LEAD, A**  
3 **CHEMICAL THAT IS KNOWN TO THE STATE OF**  
4 **CALIFORNIA TO CAUSE BIRTH DEFECTS OR OTHER**  
5 **REPRODUCTIVE HARM.”**

6 2.1.1.1 The warning shall be displayed with such conspicuousness, as  
7 compared with other words, statements, designs, or devices, as to render it likely to be read and  
8 understood by an ordinary individual prior to purchase. The warning statement shall not be  
9 preceded, followed, or surrounded by words, symbols, or other matter that reduces its  
10 conspicuousness or that introduces, modifies, undermines, qualifies, obfuscates or explains the  
11 required text.

12 2.1.1.2 If the Covered Product is sold in a package, the warning must appear  
13 in bold face 12 point type, that is clearly visible on the package. The parties agree that the sample  
14 label attached hereto as Exhibit A satisfies the requirements of this Section 2.1.

15 2.1.1.3 If the Covered Product is sold in bulk at retail, the warning shall  
16 appear on a clearly visible sign, posted immediately adjacent to or on the bulk product container,  
17 in 36 point type.

18 2.1.1.4 If the Covered Product is sold wholesale to a customer that  
19 repackages the Covered Product, the warning shall be accompanied by a letter in the form attached  
20 hereto as Exhibit B.

21 2.1.1.5 For internet purchases, the warning message must be prominently  
22 displayed to the purchaser before the purchaser completes his or her purchase of the Covered  
23 Product. By way of example, a warning is not prominently displayed if the purchaser must: (i)  
24 click on a hyperlink to view the warning; (ii) search for the warning in the general content of the  
25 website; or (iii) take some other affirmative action to view the warning.

26 2.1.1.6 **Final Reformulation Level.** Thirty days after the Court enters a  
27 Judgment or a Consent Judgment to which the Attorney General or CEH is a party that resolves  
28 Proposition 65 claims regarding failure to warn about Lead in Covered Products that: (i) sets forth  
a Reformulation Level containing an allocation of Lead that is naturally occurring under 27 Cal.

1 Code Regs. § 25501; or (ii) includes injunctive relief designed to ensure that the Lead in the  
2 Covered Products is not avoidable by good agricultural or good manufacturing practices and that  
3 the producer, manufacturer, distributor, or holder of the food is at all times utilizing quality control  
4 measures that reduce natural occurring Lead to the “lowest level currently feasible” as such term is  
5 defined in 27 Cal. Code Regs. § 25501; or (iii) a combination of both, Settling Defendant shall not  
6 purchase, manufacture, ship, sell or offer for sale any Covered Product that will be offered for sale  
7 in California that does not comply with the reformulation requirements of the CEH or Attorney  
8 General Consent Judgment (the “Reformulation Level”).

9       **2.2 Meet and Confer.** If Settling Defendant contends that it cannot comply with the  
10 Reformulation Level, it shall send CEH a notice with supporting documentation indicating the  
11 reason that such Settling Defendant cannot comply with the Reformulation Level. The Parties  
12 shall meet and confer to try to reach agreement on this issue. If the Parties agree that Settling  
13 Defendant, despite using all reasonable efforts, cannot comply with the Reformulation Level for  
14 some or all of the Covered Products it sells, Settling Defendant shall be allowed to continue to  
15 provide warnings for such Covered Products pursuant to Section 2.1. In such case, the Settling  
16 Defendant shall make an additional payment to CEH in the amount of \$20,000. If the Parties do  
17 not agree, the Settling Defendant may seek Court intervention to modify this Consent Judgment. If  
18 Settling Defendant does not prevail with the Court, it shall pay CEH’s reasonable attorneys’ fees  
19 and costs related to such Court intervention.

20       **2.3 Food Quality Auditing.** Settling Defendant shall implement internal quality  
21 control measures under the supervision of personnel who (a) are familiar with the good  
22 manufacturing practices and food safety measures necessary to prevent lead contamination in the  
23 Covered Products and (b) periodically evaluate the potential contribution of lead from the  
24 ingredients used in manufacturing the Products. These measures must be sufficient to ensure that  
25 Covered Products continue to satisfy the terms of this Consent Judgment.

26 **3. ENFORCEMENT**

27       **3.1 Enforcement Procedures.** Prior to bringing any motion or order to show cause to  
28

1 enforce the terms of this Consent Judgment, a Party seeking to enforce shall provide the violating  
2 party thirty (30) days advanced written notice of the alleged violation. The Parties shall meet and  
3 confer during such thirty (30) day period, exchanging any relevant information, in an effort to try  
4 to reach agreement absent Court intervention. After such thirty (30) day period, the Party seeking  
5 to enforce may, by new action, motion or order to show cause before the Superior Court of San  
6 Francisco, seek to enforce the terms and conditions contained in this Consent Judgment.

7 **4. PAYMENTS**

8 4.1 **Payments by Settling Defendant.** Within five (5) days of the entry of this  
9 Consent Judgment, Settling Defendant shall pay the sum set forth on Exhibit C as further set forth  
10 in this Section and on Exhibit C.

11 4.2 **Allocation of Payments.** The total settlement amount for Settling Defendant shall  
12 be paid in four separate checks in the amounts specified on Exhibit C and delivered as set forth  
13 below. Any failure by Settling Defendant to comply with the payment terms herein shall be  
14 subject to a stipulated late fee in the amount of \$100 for each day after the delivery date the  
15 payment is received. The late fees required under this Section shall be recoverable, together with  
16 reasonable attorneys' fees, in an enforcement proceeding brought pursuant to Section 3 of this  
17 Consent Judgment. The funds paid by Settling Defendant shall be allocated as set forth on Exhibit  
18 C between the following categories and made payable as follows:

19 4.2.1 A civil penalty pursuant to Health & Safety Code § 25249.7(b). The civil  
20 penalty payment shall be apportioned in accordance with Health & Safety Code § 25249.12 (25%  
21 to CEH and 75% to the State of California's Office of Environmental Health Hazard Assessment  
22 ("OEHHA")). Accordingly, the OEHHA portion of the civil penalty payment for the amount  
23 designated for each Settling Defendant on Exhibit C as "Civil Penalty OEHHA Portion" shall be  
24 made payable to OEHHA and associated with taxpayer identification number 68-0284486. This  
25 payment shall be delivered as follows:

16 funds to continue its work educating and protecting people from exposures to toxic chemicals,  
17 including heavy metals. In addition, as part of its Community Environmental Action and Justice  
18 Fund, CEH will use four percent of such funds to award grants to grassroots environmental justice  
19 groups working to educate and protect people from exposures to toxic chemicals. The method of  
20 selection of such groups can be found at the CEH web site at [www.ceh.org/justicefund](http://www.ceh.org/justicefund). The

2 modify the Consent Judgment.

3 **6. CLAIMS COVERED AND RELEASE**

5 behalf of itself and the public interest and Settling Defendant, and their parents, subsidiaries,  
6 affiliated entities that are under common ownership, directors, officers, employees, and attorneys  
7 (“Defendant Releasees”), and all entities, other than those listed on Exhibit D, to which Settling  
8 Defendant distributes or sells Covered Products, including but not limited to distributors,  
9 wholesalers, customers, retailers, franchisees, licensors and licensees (“Downstream Defendant  
10 Releasees”), of any violation of Proposition 65 based on failure to warn about alleged exposure to  
11 Lead contained in Covered Products that were sold by Settling Defendant prior to the Effective  
12 Date.

13 6.2 CEH, for itself releases, waives, and forever discharges any and all claims against  
14 Settling Defendant, Defendant Releasees, and Downstream Defendant Releasees arising from any  
15 violation of Proposition 65 or any other statutory or common law claims that have been or could  
16 have been asserted in the public interest regarding the failure to warn about exposure to Lead  
17 arising in connection with Covered Products manufactured, distributed or sold by Settling  
18 Defendant prior to the Effective Date.

19 6.3 Compliance with the terms of this Consent Judgment by Settling Defendant and  
20 that Settling Defendant’s Defendant Releasees shall constitute compliance with Proposition 65 by  
21 such Settling Defendant, that Settling Defendant’s Defendant Releasees and that Settling  
22 Defendant’s Downstream Defendant Releasees with respect to any alleged failure to warn about  
23 Lead in Covered Products manufactured, distributed or sold by that Settling Defendant after the  
24 Effective Date, provided that: (i) Settling Defendant, Defendant Releasees and Downstream  
25 Defendant Releasees must provide any reasonably necessary cooperation in the implementation of  
26 this Judgment, and (ii) Downstream Defendant Releasees who offer the Product for sale to the
