CONSENT JUDGMENT - CASE NO. RG14733545

to settle certain claims asserted by CEH against Settling Defendants as set forth in the operative complaint (the "Complaint") in the above-captioned matter. This Consent Judgment covers confectionery licorice products ("Licorice Products") sold or offered for sale by Settling Defendants.

- 1.2 Beginning in late 2012 and continuing through the present, CEH has served multiple 60-day Notices of Violation under Proposition 65, alleging that entities including Settling Defendants violated Proposition 65 by exposing persons to lead and lead compounds ("Lead") contained in Licorice Products without first providing a clear and reasonable Proposition 65 warning.
- 1.3 Each Settling Defendant is a corporation that manufactures, distributes, sells or offers for sale Licorice Products in the State of California or has done so in the past.
 - On or about July 17, 2014, CEH filed the original Complaint in this matter.
- 1.5 For purposes of this Consent Judgment only, CEH and Settling Defendants (the "Parties") stipulate that this Court has jurisdiction over the allegations of violations contained in the Complaint and personal jurisdiction over Settling Defendants as to the acts alleged in the Complaint, that venue is proper in the County of Alameda, and that this Court has jurisdiction to enter this Consent Judgment as a full and final resolution of all claims which were or could have been raised in the Complaint based on the facts alleged therein with respect to Licorice Products manufactured, distributed, and/or sold by Settling Defendants.
- 1.6 Nothing in this Consent Judgment is or shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law or violation of law, nor shall compliance with the Consent Judgment constitute or be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Consent Judgment shall prejudice, waive or impair any right, remedy, argument or defense the Parties may have in any other pending or future legal proceedings. This Consent Judgment is the product of negotiation and compromise and is accepted by the Parties solely for purposes of settling, compromising, and resolving issues disputed in this Action.

2. INJUNCTIVE RELIEF

2.1 **Reformulation Level.** The Reformulation Level for Licorice Products is 35 parts per billion ("ppb") or less of Lead by weight. Such concentrations shall be determined by use of a test using ICP-MS equipment with a level of detection of at least 20 ppb that meets standard laboratory QA/QC requirements ("Test Protocol").¹

2.2 Specification Notice to Vendors of Reformulation Level. To the extent it has not already done so, no more than thirty (30) days after the date of entry of this Consent Judgment ("Effective Date"), each Settling Defendant that purchases Licorice Products from a third party shall provide the Reformulation Levels to each of its Licorice Products suppliers that are not Settling Defendants and shall instruct each such Licorice Products supplier to provide it with Licorice Products that do not exceed the Reformulation Levels. If during the next five (5) year period, a Settling Defendant purchases Licorice Products from a third party that it has not previously provided with instructions regarding the Reformulation Levels, the Settling Defendant shall provide the Reformulation Levels to the new Licorice Product supplier when placing an initial order for Licorice Products and instruct the new Licorice Product supplier to provide it with Licorice Products that do not exceed the Reformulation Levels. Each Settling Defendant shall retain records of communications sent to and received from suppliers that reflect its compliance with the communication requirements of this Section for a period of three (3) years and shall make such records available to CEH on reasonable request.

2.3 **Reformulation of Licorice Products**: After the Effective Date, Manufacturer Settling Defendants shall not manufacture, purchase, ship, offer for sale, sell or otherwise introduce into the California marketplace any Licorice Products that do not meet the Reformulation Level. In addition, Manufacturer Settling Defendants and CEH agree that after December 1, 2014, Manufacturer Settling Defendants shall not ship, offer for sale, sell or otherwise introduce into the United States marketplace outside California any Licorice Products

¹ Sampling to assess compliance with the Reformulation Levels shall be based on testing of either an aggregate of all licorice contained in a single and discrete package, bag or box as is typically sold in retail, or the average results of any multiple test results from the same aggregate sample.

that do not meet the Reformulation Level.

2.4 Good Faith Commitment to Further Lead Reduction: During the three (3) years following the Effective Date, each Manufacturer Settling Defendant shall continue in good faith to attempt to further reduce the Lead content of its Licorice Products until such Licorice Products have a consistent Lead content of less than 13 ppb. These efforts shall include, at a minimum, efforts to further adjust recipes and formulas that will reduce Lead content in finished Licorice Products and attempts to secure Licorice Product ingredients with lower Lead content. On each of the first three anniversaries of the Effective Date, each Manufacturer Settling Defendant shall submit to CEH a written report of the activities it has undertaken to effectuate its good faith commitment to further reduction of the Lead content of its Licorice Products. If a Manufacturer Settling Defendant has test results demonstrating that all of its Licorice Products have a consistent Lead content of less than 13 ppb, it shall provide such documentation to CEH and the parties shall meet and confer and if CEH and the Manufacturer Settling Defendant agree that all of the Manufacturer Settling Defendant's Licorice Products have a consistent Lead content of less than 13 ppb, that Manufacturer Settling Defendant need not submit any subsequent annual report to CEH regarding further reduction of Lead content of its Licorice Products. If the Parties fail to agree, the Manufacturer Settling Defendant may seek relief from the Court upon a showing consistent with this Section.

3. ENFORCEMENT

3.1 **General Enforcement Provisions.** CEH may, by motion or application for an order to show cause before this Court, enforce the terms and conditions contained in this Consent Judgment. Any action to enforce alleged violations of Section 2.3 by a Settling Defendant shall be brought exclusively pursuant to this Section 3, and as applicable be subject to the meet and confer requirement of Section 3.2.4.

3.2 Enforcement of Reformulation Commitment.

3.2.1 **Notice of Violation.** In the event that, at any time following the relevant dates set out in Section 2.3, CEH identifies a Licorice Product manufactured, distributed,

or sold by a Manufacturer Settling Defendant for which CEH has laboratory test results showing that the Manufacturer Settling Defendant violated Section 2.3, CEH may issue a Notice of Violation pursuant to this Section.

3.2.2 Service of Notice of Violation and Supporting Documentation.

3.2.2.1 Subject to Section 3.2.1, the Notice of Violation shall be sent to the person(s) identified in Exhibit A to receive notices for the Manufacturer Settling Defendant, and must be served within 45 days of the date the Licorice Products at issue were purchased or otherwise acquired by CEH, provided, however, that CEH may have up to an additional 45 days to send the Notice of Violation if, notwithstanding CEH's good faith efforts, the test data required by Section 3.2.2.2 below cannot be obtained by CEH from its laboratory before expiration of the initial 45 day period.

3.2.2.2 The Notice of Violation shall, at a minimum, set forth: (a) the date the alleged violation was observed, (b) the location at which the Licorice Products were offered for sale, (c) a description of the Licorice Products giving rise to the alleged violation, including the name and address of the retail store where the sample was obtained and if available information that identifies the product lot, such as the "best by" or "sell by" date, and (d) all test data² obtained by CEH regarding the Licorice Products and supporting documentation sufficient for validation of the test results, including any laboratory reports, quality assurance reports and quality control reports associated with testing of the Licorice Products. Such Notice of Violation shall be based upon the Test Protocol. Wipe, swipe, swab and X-ray fluorescence testing are not sufficient to support a Notice of Violation. As an alternative, CEH may rely on testing conducted and published by the California Department of Public Health ("CDPH") to support a Notice of Violation, so long as CEH first obtains a full description of the Licorice Product tested, including any information that is available from CDPH that would identify the product lot, such as a "best by" or "sell by" date, and makes a good faith attempt to obtain information on the location at which the Licorice Product was offered for sale, and the date the product was obtained by CDPH.

25

26

To support a Notice of Violation, CEH shall provide a minimum of two tests per Notice of Violation.

CEH shall share any such information with the Manufacturer Settling Defendant. Should CEH be
unable to obtain any such information, the Manufacturer Settling Defendant shall contact CDPH
and request such information and shall share such information with CEH upon receipt from
CDPH.

3.2.3 **Notice of Election of Response.** No more than 30 days after service of a Notice of Violation, the Manufacturer Settling Defendant shall provide written notice to CEH whether it elects to contest the allegations contained in a Notice of Violation ("Notice of Election"). Failure to provide a Notice of Election within 30 days of service of a Notice of Violation shall be deemed an election to contest the Notice of Violation.

3.2.3.1 If a Notice of Violation is contested, the Notice of Election shall include all then-available documentary evidence regarding the alleged violation, including all test data, if any. If the Manufacturer Settling Defendant or CEH later acquires additional test or other data regarding the alleged violation, it shall notify the other party and promptly provide all such data or information to the party. Any test data used to contest a Notice of Violation shall meet the criteria of Section 3.2.2.2.

3.2.4 **Meet and Confer.** If a Notice of Violation is contested, CEH and the Manufacturer Settling Defendant shall meet and confer to attempt to resolve their dispute. Within 30 days of serving a Notice of Election contesting a Notice of Violation, and if no enforcement action or application has been filed by CEH pursuant to Section 3.1, the Manufacturer Settling Defendant may withdraw the original Notice of Election contesting the violation and serve a new Notice of Election conceding the violation, provided however that the Manufacturer Settling Defendant shall pay \$2,500 in addition to any payment required under this Consent Judgment. At any time, CEH may withdraw a Notice of Violation, in which case for purposes of this Section 3.2 the result shall be as if CEH never issued any such Notice of Violation. If no informal resolution of a Notice of Violation results within 30 days of a Notice of Election to contest, CEH may file an enforcement motion or application pursuant to Section 3.1. In any such proceeding, CEH may seek whatever fines, costs, penalties, attorneys' fees or other

remedies are provided by law for failure to comply with the Consent Judgment.

3.2.5 **Non-Contested Matters.** If the Manufacturer Settling Defendant elects not to contest the allegations in a Notice of Violation, it shall identify on a confidential basis to CEH (by proper name, address of principal place of business and telephone number) the person or entity that sold the Licorice Products to the Manufacturer Settling Defendant and the manufacturer and other entities in the chain of distribution of the Licorice Product, provided that such information is reasonably available. In addition, the Settling Defendant shall undertake corrective action and make payments, if any, as set forth below.

3.2.5.1 If the test data provided by CEH in support of the Notice of Violation reports a Lead content in a Licorice Product above the Reformulation Level but less than 70 ppb, then the Manufacturer Settling Defendant shall take the following corrective action and make the following payments, if any:

(a) The Manufacturer Settling Defendant shall include in its Notice of Election a detailed description with supporting documentation of the corrective action that it has undertaken or proposes to undertake to address the alleged violation. Any such correction shall, at a minimum, provide reasonable assurance that the Manufacturer Settling Defendant has stopped selling or offering for sale in California all Licorice Products having the same lot number or lot identifier, such as "best by" or "sell by" date, as that of the Licorice Products identified in CEH's Notice of Violation. The Manufacturer Settling Defendant shall make available to CEH for inspection and/or copying records and correspondence regarding the corrective action. If there is a dispute over the corrective action, the Manufacturer Settling Defendant and CEH shall meet and confer pursuant to Section 3.2.4 before seeking any remedy in court. Provided, that in no case shall Plaintiffs issue more than one NOV per manufacturing lot of Licorice Products.

(b) If the Notice of Violation is the first or second Notice of Violation received by a Manufacturer Settling Defendant under Section 3.2.5.1 that was not successfully contested or withdrawn, no payment shall be required by that Manufacturer Settling Defendant. If the Notice of Violation is the third, fourth or fifth Notice of Violation received by a

Manufacturer Settling Defendant under Section 3.2.5.1 that was not successfully contested or withdrawn, that Manufacturer Settling Defendant shall pay \$2,500 for each Notice of Violation. If a Manufacturer Settling Defendant has received more than five Notices of Violation under Section 3.2.5.1 that were not successfully contested or withdrawn, that Manufacturer Settling Defendant shall pay \$5,000 for each subsequent Notice of Violation. If a Manufacturer Settling Defendant produces with its Notice of Election Test Data from the manufacturer or supplier of the Licorice Product that: (i) was conducted prior to the date CEH purchased the Licorice Product that is the subject of the Notice of Violation; (ii) was conducted on Licorice Product that was from the same manufacturing lot as the Licorice Product that is the subject of the Notice of Violation; and (iii) demonstrates Lead levels below the Reformulation Level, then any payment under this Section shall be decreased by fifty percent.

(c) Notwithstanding Section 3.2.5.1(b), if the Notice of Violation was based on a Licorice Product that was sold outside of California, there shall be no payment pursuant to this Section.

3.2.5.2 If the test data provided by CEH in support of the Notice of Violation reports a Lead content in a Licorice Product of more than 70 ppb, then the Manufacturer Settling Defendant shall take the following corrective action and make the following payments:

(a) The Manufacturer Settling Defendant shall include in its Notice of Election a detailed description with supporting documentation of the corrective action that it has undertaken or proposes to undertake to address the alleged violation. Any such correction shall, at a minimum, provide reasonable assurance that the Manufacturer Settling Defendant has stopped selling or offering for sale all Licorice Products having the same lot number or lot identifier, such as "best by" or "sell by" date, as that of the Licorice Product identified in CEH's Notice of Violation (the "Noticed Licorice Products"), removed the Noticed Licorice Product from the market and sent instructions to any of its stores and/or customers that offer the Noticed Licorice Products for sale to cease offering the Noticed Licorice Products for sale and to either return all Noticed Licorice Products to the Manufacturer Settling Defendant for destruction, or to directly

destroy the Noticed Licorice Products. The Manufacturer Settling Defendant shall keep and make available to CEH for inspection and copying records and correspondence regarding the market withdrawal and destruction of the Noticed Licorice Products. If there is a dispute over the corrective action, the Manufacturer Settling Defendant and CEH shall meet and confer before seeking any remedy in court. In no case shall Plaintiff issue more than one NOV per manufacturing lot of Licorice Product.

(b) If the Notice of Violation is the first Notice of Violation received by a Manufacturer Settling Defendant under Section 3.2.5.2 that was not successfully contested or withdrawn, no payment shall be required by that Manufacturer Settling Defendant. If the Notice of Violation is the second, third or fourth Notice of Violation received by a Manufacturer Settling Defendant under Section 3.2.5.2 that was not successfully contested or withdrawn, that Manufacturer Settling Defendant shall pay \$8,000 for each Notice of Violation. If a Manufacturer Settling Defendant has received more than four Notices of Violation under Section 3.2.5.2 that were not successfully contested or withdrawn, that Manufacturer Settling Defendant shall pay \$12,000 for each Notice of Violation. If a Manufacturer Settling Defendant produces with its Notice of Election Test Data from the manufacturer or supplier of the Licorice Product that: (i) was conducted prior to the date CEH purchased the Licorice Product that is the subject of the Notice of Violation; (ii) was conducted on Licorice Product that was from the same manufacturing lot as the Licorice Product that is the subject of the Notice of Violation; and (iii) demonstrates Lead levels below the Reformulation Level, then any payment under this Section shall be decreased by fifty percent.

3.2.6 **Payments.** Any payments under Section 3.2 shall be made by check payable to the "Lexington Law Group" and shall be paid within 30 days of service of a Notice of Election triggering a payment and which shall be used as reimbursement for costs for investigating, preparing, sending and prosecuting Notices of Violation, and to reimburse attorneys' fees and costs incurred in connection with these activities.

3.2.7 **Repeat Violations**. If a Manufacturer Settling Defendant has

received four or more Notices of Violation that were not successfully contested or withdrawn in any 12-month period then, at CEH's option, CEH may seek whatever fines, costs, penalties, attorneys' fees or other remedies that are provided by law for failure to comply with the Consent Judgment. Prior to seeking such relief, CEH shall meet and confer with the Manufacturer Settling Defendant for at least 30 days to determine if the Manufacturer Settling Defendant and CEH can agree on measures that the Manufacturer Settling Defendant can undertake to prevent future violations.

4. PAYMENTS

- 4.1 **Payments by Settling Defendants.** Within five (5) days of the entry of this Consent Judgment, payment shall be made in the amount provided for that Settling Defendant on Exhibit A as further set forth in this Section.
- Allocation of Payments. The total settlement amount for each Settling Defendant shall be paid in three separate checks in the amounts specified on Exhibit A and delivered to the offices of the Lexington Law Group (Attn: Eric S. Somers), 503 Divisadero Street, San Francisco, California 94117. Any failure by a Settling Defendant to comply with the payment terms herein shall be subject to a stipulated late fee in the amount of \$100 for each day after the delivery date the payment is received. The late fees required under this Section shall be recoverable, together with reasonable attorneys' fees, in an enforcement proceeding brought pursuant to Section 3 of this Consent Judgment. The funds paid by each Settling Defendant shall be allocated as set forth on Exhibit A for each Settling Defendant between the following categories and made payable as follows:
- 4.2.1 A civil penalty pursuant to Health & Safety Code § 25249.7(b). CEH shall apportion this payment in accordance with Health & Safety Code § 25249.12 (25% to CEH and 75% to the State of California's Office of Environmental Health Hazard Assessment). Accordingly, the civil penalty payment check for the amount designated for each Settling Defendant on Exhibit A as Civil Penalty shall be made payable to the "Center for Environmental Health" and associated with taxpayer identification number 94-3251981.

Code § 25249.7(b), and California Code of Regulations, Title 11, § 3203(b). CEH shall use such
funds to continue its work educating and protecting people from exposures to toxic chemicals,
including heavy metals. In addition, as part of its Community Environmental Action and Justice
Fund, CEH will use four percent of such funds to award grants to grassroots environmental justice
groups working to educate and protect people from exposures to toxic chemicals. The method of
selection of such groups can be found at the CEH web site at www.ceh.org/justicefund. The
payment pursuant to this Section shall be made payable to the Center For Environmental Health

5. MODIFICATION AND DISPUTE RESOLUTION

- 5.1 **Modification.** This Consent Judgment may be modified from time to time by express written agreement of the Parties, with the approval of the Court, or by an order of this Court upon motion and in accordance with law.
- 5.2 **Notice; Meet and Confer.** Any Party seeking to modify this Consent Judgment shall attempt in good faith to meet and confer with all affected Parties prior to filing a motion to modify the Consent Judgment.

6. CLAIMS COVERED AND RELEASE

6.1 This Consent Judgment is a full, final and binding resolution between CEH on behalf of itself and the public interest and each Settling Defendant, and their parents, subsidiaries, affiliated entities that are under common ownership, directors, officers, employees, shareholders and their successors and assigns, and attorneys ("Defendant Releasees"), and all entities other than those listed in Exhibit B to which a Settling Defendant distributes or sells Licorice Products, including but not limited to distributors, wholesalers, customers, retailers, repackagers, franchisees, licensors and licensees ("Downstream Releasees"), of any violation of

DOCUMENT PREPARED ON RECYCLED PAPER Proposition 65 based on failure to warn about alleged exposure to Lead contained in Licorice Products that were sold by a Settling Defendant prior to the Effective Date.

- 6.2 The release set forth in Section 6.1 shall also apply to Licorice Products sold by a Retailer/Distributor Settling Defendant that were purchased prior to April 1, 2014 but sold thereafter.
- 6.3 CEH, acting in the public interest, releases, waives, and forever discharges any and all claims against each Settling Defendant, Defendant Releasees, and Downstream Releasees arising from any violation of Proposition 65 that has been or could have been asserted regarding the failure to warn about exposure to Lead arising in connection with Licorice Products manufactured, distributed or sold by a Settling Defendant prior to the Effective Date.
- 6.4 CEH, for itself only, releases, waives, and forever discharges any and all claims against each Settling Defendant, Defendant Releasees, and Downstream Releasees arising from any violation of Proposition 65 or any other statutory or common law claim that has been or could have been asserted regarding the failure to warn about exposure to Lead arising in connection with Licorice Products manufactured, distributed or sold by a Settling Defendant prior to the Effective Date.
- 6.5 Compliance with the terms of this Consent Judgment by a Manufacturer Settling Defendant and that Settling Defendant's Defendant Releasees shall constitute compliance with Proposition 65 by such Settling Defendant, that Settling Defendant's Defendant Releasees and that Settling Defendant's Downstream Releasees with respect to any alleged failure to warn about Lead in Licorice Products manufactured, distributed or sold by that Settling Defendant after the Effective Date.
- 6.6 Nothing in this Consent Judgment affects CEH's right to commence or prosecute an action under Proposition 65 against any person other than a Settling Defendant, Defendant Releasees, or Downstream Releasees. Nothing in this Consent Judgment affects CEH's right to commence or prosecute an action under Proposition 65 against a Settling Defendant related to exposure to Lead from Licorice Products that do not meet the Reformulation Levels
