1 **1. INTRODUCTION**

2 **1.1 Parties**

3 This Consent Judgment is entered into by and between plaintiff John Moore (“Moore”) and
4 United Stationers Supply Co. erroneously noticed and identified as United Stationers Supply Inc.
5 (hereinafter referred to as “United Stationers”), with Moore and United Stationers collectively
6 referred to as the “Parties.”

7 **1.2 John Moore**

8 Moore is an individual residing in the State of California who seeks to promote awareness
9 of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous
10 substances contained in consumer and commercial products.

11 **1.3 United Stationers Supply Co.**

12 United Stationers employs ten or more persons and is a person in the course of doing
13 business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California
14 Health & Safety Code § 25249.6, *et seq.* (“Proposition 65”).

15 **1.4 General Allegations**

16 1.4.1 Moore alleges that United Stationers manufactured, imported, sold and/or
17 distributed for sale in California products with foam cushioned components containing tris(1,3-
18 dichloro-2-propyl) phosphate (“TDCPP”) without the requisite Proposition 65 health hazard
19 warnings. Moore alleges that TDCPP escapes from foam padding, leading to human exposures.

20 1.4.2 Pursuant to Proposition 65, on October 28, 2011, California identified and
21 listed TDCPP as a chemical known to cause cancer. TDCPP became subject to the “clear and
22 reasonable warning” requirements of Proposition 65 one year later on October 28, 2012. Cal. Code
23 Regs., tit. 27, § 27001(b); Health & Safety Code §§ 25249.8 and 25249.10(b).

24 1.4.3 Moore alleges that United Stationers manufactured, imported, sold and/or
25 distributed for sale in California, folding chairs with vinyl/PVC upholstery containing di(2-
26 ethylhexyl)phthalate (“DEHP”) without the requisite Proposition 65 health hazard warnings.

27

28

1 1.4.4 Pursuant to Proposition 65, on October 24, 2003, California identified and
2 listed DEHP as a chemical known to cause birth defects and other reproductive harm. DEHP
3 became subject to the “clear and reasonable warning” requirements of Proposition 65 one year later
4 on October 24, 2004. Cal. Code Regs., tit. 27, § 27001(c); Health & Safety Code §§ 25249.8 and
5 25249.10(b).

6 **1.5 Product Description**

7 The categories of products that are covered by this Consent Judgment as to United
8 Stationers are identified on Exhibit A (hereinafter “Products”). Polyurethane foam that is supplied,
9 shaped or manufactured for use as a component of another product, such as upholstered furniture,
10 but which is not itself a finished product, is specifically excluded from the definition of Products
11 and shall not be identified by United Stationers on Exhibit A as a Product.

12 **1.6 Notices of Violation**

13 On or about February 8, 2013, Moore issued to United Stationers and certain requisite
14 public enforcement agencies a “60-Day Notice of Violation” (“February 8, 2013 Notice”) that
15 provided the recipients with notice of alleged violations of Proposition 65 based on the alleged
16 failure to warn customers, consumers, and workers in California that the Products expose users to
17 TDCPP.

18 Based on further investigation, Moore has also issued a Supplemental 60-day notice to
19 United Stationers on July 12, 2013 (“July 12, 2013 Notice”), alleging that folding chairs with
20 vinyl/PVC upholstery contain and expose Californians to DEHP (“Phthalate Products”). DEHP and
21 other phthalates including butyl benzyl phthalate (“BBP”) and Di-n-butyl phthalate (“DBP”) are
22 listed under Proposition 65 as chemicals known to cause birth defects and other reproductive harm.

23 The February 8, 2013 Notice and July 12, 2013 Notice shall hereinafter collectively be
24 referred to as the “Notices.” To the best of the Parties’ knowledge, no public enforcer has
25 commenced or is diligently prosecuting the allegations set forth in the Notices.

The Parties agree that the following hybrid warning language shall not be deemed to meet the requirements of 27 CCR § 25601 *et seq.* and shall not be used pursuant to this Consent Judgment: (a) “cancer or birth defects or other reproductive harm”; and (b) “cancer, birth defects or other reproductive harm.”

The certifications provided by this Section are material terms and time is of the essence.

4. MONETARY PAYMENTS

4.1 Civil Penalties Pursuant to Health & Safety Code § 25249.7(b)

In settlement of all the claims referred to in this Consent Judgment, United Stationers shall pay the civil penalties shown for it on Exhibit A in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”), 25% of the penalty remitted to “The Chanler Group in Trust for Moore.” Each penalty payment shall be made within two business days of the date it is due and be delivered to the addresses listed in Section 4.5 below. United Stationers shall be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing under this Section that are not received within two business days of the due date.

4.1.1 Initial Civil Penalty. On or before the Effective Date, United Stationers shall make an initial civil penalty payment in the amount identified on Exhibit A.

⁵ Footnote 3, *supra*, applies in this context as well.

1 4.1.2 Second Civil Penalty. On or before January 15, 2014, United Stationers shall
2 make a second civil penalty payment in the amount identified on Exhibit A. The amount of the
3 second penalty may be reduced according to any penalty waiver United Stationers is eligible for
4 under Sections 4.1.4(i) and 4.1.4(iii), below.

5 4.1.3 Third Civil Penalty. On or before November 30, 2014, United Stationers
6 shall make a third civil penalty payment in the amount identified on Exhibit A. The amount of the
7 third penalty may be reduced according to any penalty waiver United Stationers is eligible for under
8 Sections 4.1.4(ii) and 4.1.4(iv), below.

9 4.1.4 Reductions to Civil Penalty Payment Amounts. United Stationers may
10 reduce the amount of the second and/or third civil penalty payments identified on Exhibit A by
11 providing Moore with certification of certain efforts undertaken to reformulate their Products or
12 limit the ongoing sale of non-reformulated Products in California. The options to provide a written
13 certification in lieu of making a portion of a civil penalty payment constitute material terms of this
14 Consent Judgment, and with regard to such terms, time is of the essence.

15 4.1.4(i) **Partial Penalty Waiver for Accelerated Reformulation of**
16 **Products Sold or Offered for Sale in California.**

17 If United Stationers so elects on Exhibit A, a portion of the second civil penalty shall be
18 waived, to the extent that it has agreed that, as of November 1, 2013, and continuing into the future,
19 it shall only manufacture or import for distribution or sale to California Customers or cause to be
20 manufactured or imported for distribution or sale to California Customers, Reformulated Products.
21 If United Stationers exercises this option, an officer or other authorized representative of United
22 Stationers shall provide Moore with a written certification confirming compliance with such
23 conditions, which certification must be received by Moore's counsel on or before December 15,
24 2013.

25 4.1.4(ii) **Partial Penalty Waiver for Extended Reformulation.**

26 If United Stationers so elects on Exhibit A, a portion of the third civil penalty shall be
27 waived, to the extent that it has agreed that, as of March 15, 2014, and continuing into the future, it
28

1 shall only manufacture or import for distribution or sale in California or cause to be manufactured
2 or imported for distribution or sale in California, Reformulated Products which also do not contain
3 tris(2, 3-dibromopropyl)phosphate (“TDBPP”) in a detectable amount of more than 25 parts per
4 million (“ppm”) (the equivalent of .0025%) in any material, component, or constituent of a subject
5 product, when analyzed by a NVLAP accredited laboratory pursuant to EPA testing methodologies
6 3545 and 8270C, or equivalent methodologies utilized by federal or state agencies to determine the
7 presence, and measure the quantity, of TDBPP in a solid substance. If United Stationers exercises
8 this option, an officer or other authorized representative of United Stationers shall provide Moore
9 with a written certification confirming compliance with such conditions, which certification must
10 be received by Moore’s counsel on or before November 15, 2014.

11 **4.1.4(iii) Partial Penalty Waiver for Withdrawal of Unreformulated**
12 **Exemplar Products from the California Market.**

13 As shown on Exhibit A, a portion of the second civil penalty shall be waived, if an officer or
14 other authorized representative of United Stationers provides Moore with written certification, by
15 December 15, 2013, confirming that each individual or establishment in California to which it
16 supplied the Exemplar Product after October 28, 2011, has elected to return all remaining Exemplar
17 Products held for sale in California.⁶

18 **4.1.4(iv) Partial Penalty Waiver for Termination of Distribution to**
19 **California of Unreformulated Inventory.**

20 As shown on Exhibit A, a portion of the third civil penalty shall be waived, if an officer or
21 other authorized representative of United Stationers provides Moore with written certification, on or
22 before November 15, 2014, confirming that, as of July 1, 2014, it has and will continue to
23 distribute, offer for sale, or sell in California, or to California Customers, only Reformulated
24 Products.

25
26
27 ⁶ For purposes of this Section, the term Exemplar Products shall further include Products for
28 which Moore has, prior to August 31, 2013, provided United Stationers with test results from a
NVLAP accredited laboratory showing the presence of a Listed Chemical at a level in excess of 250
ppm pursuant to EPA testing methodologies 3545 or 8270C.

1 4.2 **Representations**

2 United Stationers represents that the sales data and other information concerning its size,
3 knowledge of TDCPP and DEHP, and prior reformulation and/or warning efforts, it provided to
4 Moore was truthful to its knowledge and a material factor upon which Moore has relied to
5 determine the amount of civil penalties assessed pursuant to Health & Safety Code § 25249.7 in this
6 Consent Judgment. If, within nine months of the Effective Date, Moore discovers and presents to
7 United Stationers, evidence demonstrating that the preceding representation and warranty was
8 materially inaccurate, then United Stationers shall have 30 days to meet and confer regarding
9 Moore's contention. Should this 30 day period pass without any such resolution between the
10 Parties, Moore shall be entitled to file a formal legal claim including, but not limited to, a claim for
11 damages for breach of contract.

12 United Stationers further represents that in implementing the requirements set forth in
13 Section 3.1 and 3.2 of this Consent Judgment, it will voluntarily employ commercial best efforts to
14 achieve reformulation of its Products and Additional Products on a nationwide basis and not
15 employ statements that will encourage a vendor to limit its compliance with the Reformulation
16 Standards to goods intended for sale to California Consumers.

17 4.3 **Stipulated Penalties for Certain Violations of the Reformulation Standard.**

18 If Moore provides notice and appropriate supporting information to United Stationers that
19 levels of the Listed Chemicals in excess of the Reformulation Standard have been detected in one or
20 more Products labeled or otherwise marked in an identifiable manner as manufactured or imported
21 after a deadline for meeting the Reformulation Standard has arisen for United Stationers under
22 Sections 3.1 or 3.6 above, United Stationers may elect to pay a stipulated penalty to relieve any
23 further potential liability under Proposition 65 or sanction under this Consent Judgment as to
24 Products sourced from the vendor in question.⁷ The stipulated penalty shall be \$1,500 if the
25

26 ⁷ This Section shall not be applicable where the vendor in question had previously been
27 found by United Stationers to have provided unreliable certifications as to meeting the
28 Reformulation Standard in its Products on more than one occasion. Notwithstanding the foregoing,
a stipulated penalty for a second exceedance by United Stationers' vendor at a level between 100
and 249 ppm shall not be available after July 1, 2015.

1 violation level is below 100 ppm and \$3,000 if the violation level is between 100 ppm and 249
2 ppm, this being applicable for any amount in excess of the Reformulation Standards but under 250
3 ppm.⁸ Moore shall further be entitled to reimbursement of his associated expense in an amount not
4 to exceed \$5,000 regardless of the stipulated penalty level. United Stationers under this Section
5 must provide notice and appropriate supporting information relating to the purchase (e.g. vendor
6 name and contact information including representative, purchase order, certification (if any)
7 received from vendor for the exemplar or subcategory of products), test results, and a letter from a
8 company representative or counsel attesting to the information provided, to Moore within 30
9 calendar days of receiving test results from Moore's counsel. Any violation levels at or above 250
10 ppm shall be subject to the full remedies provided pursuant to this Consent Judgment and at law.

11 4.4 Reimbursement of Fees and Costs

12 The Parties acknowledge that Moore and his counsel offered to resolve this dispute without
13 reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee
14 reimbursement issue to be resolved after the material terms of the agreement had been settled.
15 Shortly after the other settlement terms had been finalized, United Stationers expressed a desire to
16 resolve the fee and cost issue. United Stationers then agreed to pay Moore and his counsel under
17 general contract principles and the private attorney general doctrine codified at California Code of
18 Civil Procedure section 1021.5 for all work performed through the mutual execution of this
19 agreement, including the fees and costs incurred as a result of investigating, bringing this matter to
20 United Stationers' attention, negotiating a settlement in the public interest, and seeking court
21 approval of the same. In addition, the negotiated fee and cost figure expressly includes the
22 anticipated significant amount of time plaintiff's counsel will incur to monitor various provisions in
23 this agreement over the next two years, with the exception of additional fees that may be incurred
24 pursuant to United Stationers election in Section 11. United Stationers more specifically agreed,
25 upon the Court's approval and entry of this Consent Judgment, to pay Moore's counsel the amount
26 of fees and costs indicated on Exhibit A. United Stationers further agreed to tender and shall tender

27 _____
28 ⁸ Any stipulated penalty payments made pursuant to this Section should be allocated and
remitted in the same manner as set forth in Sections 4.1 and 4.5, respectively.

1 its full required payment under this Section to a trust account at The Chanler Group (made payable
2 “In Trust for The Chanler Group”) within two business days of the Effective Date. Such funds shall

10 **5.2 Moore's Individual Release of Claims**

11 Moore, in his individual capacity only and *not* in his representative capacity, provides a
12 release herein which shall be effective as a full and final accord and satisfaction, as a bar to all
13 actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims,
14 liabilities, and demands of Moore of any nature, character, or kind, whether known or unknown,
15 suspected or unsuspected, limited to and arising out of alleged or actual exposures to TDCPP,
16 TCEP, TDBPP, DEHP, DBP and/or BBP in the Products or Additional Products (as defined in
17 Section 11.1 and delineated on Exhibit A) manufactured, imported, distributed, or sold by United
18 Stationers in California prior to the Effective Date.⁹ The Parties further understand and agree that

23 a releasee that does not involve United Stationers' Products or Additional Products.

24
25
26
27 ⁹ The injunctive relief requirements of Section 3 shall apply to Additional Products as

20 shall be refunded within 15 days of the appellate decision becoming final. If the Court does not
21 approve and enter the Consent Judgment within one year of the Effective Date, any monies that
22 have been provided to OEHHA or held in trust for Moore or his counsel pursuant to Section 4,
23 above, shall be refunded to United Stationers within 15 days.

24 **7. GOVERNING LAW**

25 The terms of this Consent Judgment shall be governed by the laws of the State of California.
26 In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable by
27 reason of law generally, or if any of the provisions of this Consent Judgment are rendered
28

1 inapplicable or are no longer required as a result of any such repeal or preemption, or rendered
2 inapplicable by reason of law generally as to the Products, then United Stationers may provide
3 written notice to Moore of any asserted change in the law, and shall have no further obligations
4 pursuant to this Consent Judgment with respect to, and to the extent that, the Products are so
5 affected. Nothing in this Consent Judgment shall be interpreted to relieve United Stationers from
6 any obligation to comply with any pertinent state or federal law or regulation.

2 11.1 In addition to the Products, where United Stationers has identified on Exhibit A
3 additional products that contain Listed Chemicals and that are sold or offered for sale by it in
4 California, or to California Customers (“Additional Products”), then by no later than October 15,

6 necessary to enable them to issue a 60-Day Notice of Violation and valid Certificate of Merit
7 therefore, pursuant to Health & Safety Code section 25249.7, that includes the Additional Products.
8 Polyurethane foam that is supplied, shaped or manufactured for use as a component of a product,
9 such as upholstered furniture, is specifically excluded from the definition of Additional Products
10 and shall not be identified by United Stationers on Exhibit A as an Additional Product. Except as
11 agreed upon by Moore, United Stationers shall not include a product, as an Additional Product, that

18 penalties, if any) on the Office of the California Attorney General; upon the Court’s approval and
19 finding that the supplemental stipulated penalty amount, if any, is reasonable, the Additional
20 Products shall become subject to Section 5.1 in addition to Section 5.2. United Stationers shall, at
21 the time it elects to utilize this Section and tenders the additional information or representations
22 regarding the Additional Products to Moore, tender to The Chanler Group’s trust account an
23 amount not to exceed \$8,750 as stipulated penalties and attorneys’ fees and costs incurred by Moore
24 in issuing the new notice and engaging in other reasonably related activities, which may be released
25 from the trust as awarded by the Court upon Moore’s application. Any fee award associated with
26 the modification of the Consent Judgment to include Additional Products shall not offset any
27 associated supplemental penalty award, if any. (Any tendered funds remaining in the trust thereafter
28

1 shall be refunded to United Stationers within 15 days). Such payment shall be made to "in trust for
2 The Chanler Group" and delivered as per Section 4.5.1(a) above.

4 Consent Judgment and obtain approval of the Consent Judgment by the Court in a timely manner.
5 The Parties acknowledge that, pursuant to California Health & Safety Code section 25249.7, a
6 noticed motion is required to obtain judicial approval of this Consent Judgment, which Moore shall
7 draft and file. If any third party objection to the noticed motion is filed, Moore and United
8 Stationers shall work together to file a reply and appear at any hearing before the Court. This
9 provision is a material component of the Consent Judgment and shall be treated as such in the event
10 of a breach.

11 **12. MODIFICATION**

12 This Consent Judgment may be modified only: (1) by written agreement of the Parties and
