1 **1. INTRODUCTION**

2 **1.1 Parties**

3 This Consent Judgment is entered into by and between plaintiff Laurence Vinocur
4 (“Plaintiff”) and Bojer, Inc. (“Bojer”), with Plaintiff and the Bojer collectively referred to as the
5 “Parties.”

6 **1.2 Plaintiff**

7 Plaintiff is an individual residing in the State of California who seeks to promote awareness of
8 exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous
9 substances contained in consumer and commercial products.

10 **1.3 Bojer**

11 Bojer employs ten or more persons and is a person in the course of doing business for
12 purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety
13 Code § 25249.6, *et seq.* (“Proposition 65”).

14 **1.4 General Allegations**

15 1.4.1 Plaintiff alleges that Bojer manufactured, imported, sold and/or distributed for
16 sale in California, products with foam cushioned components containing tris(1,3-dichloro-2-propyl)
17 phosphate (“TDCPP”) without the requisite Proposition 65 health hazard warnings.

18 1.4.2 Pursuant to Proposition 65, on October 28, 2011, California identified and
19 listed TDCPP as a chemical known to cause cancer. TDCPP became subject to the “clear and
20 reasonable warning” requirements of Proposition 65 one year later on October 28, 2012. Cal. Code
21 Regs., tit. 27, § 27001(b); Health & Safety Code §§ 25249.8 and 25249.10(b). Plaintiff alleges that
22 TDCPP escapes from foam padding, leading to human exposures.

23 **1.5 Product Description**

24 The categories of products that are covered by this Consent Judgment as to Bojer are
25 identified on Exhibit A (hereinafter “Products”). Polyurethane foam that is supplied, shaped or
26 manufactured for use as a component of another product, such as seat cushions, but which is not itself
27 a finished product, is specifically excluded from the definition of Products and shall not be identified
28 by Bojer on Exhibit A as a Product.

1 **2. DEFINITIONS**

2 **2.1 California Customers**

3 “California Customer” shall mean any customer to whom Bojer supplied Products that is
4 located in California, has a California warehouse or distribution center, maintains a retail outlet in
5 California, or has made internet sales into California on or after January 1, 2011.

6 **2.2 Detectable**

7 “Detectable” shall mean containing more than 25 parts per million (“ppm”) (the equivalent of
8 .0025%) of any one chemical in any material, component, or constituent of a subject product, when
9 analyzed by a laboratory accredited by the State of California, a federal agency, NVLAP (National
10 Volunteer Laboratory Accreditation Program), American Association for Lab Accreditation (A2LA),
11 ANSI-ASQ National Accreditation Board (ANAB) – ACLASS brand (an ANAB company),
12 International Accreditation Service, Inc. (IAS), Laboratory Accreditation Bureau (L-A-B), Perry
13 Johnson Laboratory Accreditation, Inc. (PJLA), International Laboratory Accreditation
14 Cooperation(ILAC), or similar nationally recognized accrediting organization (such laboratory
15 referred hereinafter as an “Accredited Lab”) pursuant to EPA testing methodologies 3545 and
16 8270C, or equivalent methodologies utilized by federal or state agencies to determine the presence,
17 and measure the quantity, of TDCPP and/or tris(2-chloroethyl) phosphate (“TCEP”) in a solid
18 substance.

19 **2.3 Effective Date**

20 “Effective Date” shall mean March 31, 2014.

21 **2.4 Private Label Covered Products**

22 “Private Label Covered Products” means Products that bear a brand or trademark owned or
23 licensed by a Retailer or affiliated entity that are sold or offered for sale by a Retailer in the State of
24 California.

25 **2.5 Reformulated Products**

26 “Reformulated Products” shall mean Products that contain no Detectable amount of TDCPP
27 or TCEP.

28

1 **2.6 Reformulation Standard**

2 The “Reformulation Standard” shall mean containing no more than 25 ppm for each of
3 TDCPP and TCEP.

4 **2.7 Retailer**

5 “Retailer” means an individual or entity that offers a Product for retail sale to consumers in
6 the State of California.

7 **3. INJUNCTIVE RELIEF: REFORMULATION**

8 **3.1 Reformulation Commitment**

9 Commencing on the Effective Date, Bojer shall not manufacture or import for distribution or
10 sale to California Customers, or cause to be manufactured or imported for distribution or sale to
11 California Customers, any Products that are not Reformulated Products.

12 **3.2 Vendor Notification/Certification**

13 To the extent it has not already done so, on or before May 15, 2014, Bojer shall provide
14 written notice to all of its then-current vendors of the Products that will be sold or offered for sale in
15 California, or to California Customers, instructing each such vendor to use reasonable efforts to
16 provide only Reformulated Products for potential sale in California. In addressing the obligation set
17 forth in the preceding sentence, Bojer shall not employ statements that will encourage a vendor to
18 delay compliance with the Reformulation Standard. Bojer shall subsequently obtain written
19 certifications, no later than May 31, 2014, from such vendors, and any newly engaged vendors, that
20 the Products manufactured by such vendors are in compliance with the Reformulation Standard.
21 Certifications shall be held by Bojer for at least two years after their receipt and shall be made
22 available to Plaintiff upon request.

23 **3.3 Products No Longer in Bojer’s Control**

24 On or before May 15, 2014, Bojer shall send a letter, electronic or otherwise (“Notification
25 Letter”) to: (1) each California Customer and/or Retailer which it, after October 28, 2011, supplied
26 the item for resale in California described as an exemplar in the Notice Bojer received from Plaintiff
27 (“Exemplar Product”); and (2) any California Customer and/or Retailer that Bojer reasonably
28 understands or believes had any inventory for resale in California of Exemplar Products as of the

1 Notice's date. The Notification Letter shall advise the recipient that the Exemplar Product "contains
2 TDCPP, a chemical known to the State of California to cause cancer," and request that the recipient
3 either: (a) label the Exemplar Products remaining in inventory for sale in California, or to California
4 Customers, pursuant to Section 3.5; or (b) return, at Bojer's sole expense, all units of the Exemplar
5 Product held for sale in California, or to California Customers, to Bojer or a party Bojer has
6 otherwise designated. The Notification Letter shall require a response from the recipient within 14
7 business days confirming whether the Exemplar Product will be labeled or returned. Bojer shall
8 maintain records of all correspondence or other communications generated pursuant to this Section
9 for two years after the Effective Date and shall promptly produce copies of such records upon
10 Plaintiff's written request.

11 **3.4 Current Inventory**

12 Any Products in, or manufactured and en route to, Bojer's inventory as of or after the
13 Effective Date, that do not qualify as Reformulated Products and that Bojer has reason to believe may
14 be sold or distributed for sale in California, shall contain a clear and reasonable warning as set forth
15 in Section 3.5 below unless Section 3.6 applies.

16 **3.5 Product Warnings**

17 **3.5.1 Product Labeling**

18 Any warning provided under Section 3.3 or 3.4 above shall be affixed to the packaging,
19 labeling, or directly on each Product. Each warning shall be prominently placed with such
20 conspicuousness as compared with other words, statements, designs, or devices as to render it likely
21 to be read and understood by an ordinary individual under customary conditions before purchase.
22 Each warning shall be provided in a manner such that the consumer or user understands to which
23 specific Product the warning applies, so as to minimize the risk of consumer confusion.

24 A warning provided pursuant to this Consent Judgment shall state:
25
26
27
28

1 **3.6 Alternatives to Interim Warnings**

2 The obligations of Bojer under Section 3.3 shall be relieved provided Bojer certifies on or
3 before May 15, 2014, that only Exemplar Products meeting the Reformulation Standard have been
4 and will continue to be offered for sale in California, or to California Customers for sale in
5 California, as of the Effective Date. The obligations of Bojer under Section 3.4 shall be relieved
6 provided Bojer certifies on or before May 15, 2014 that, after June 30, 2014, it will only distribute or
7 cause to be distributed for sale in, or sell in, California, or to California Customers for sale in
8 California, Products (i.e., Products beyond the Exemplar Product) meeting the Reformulation
9 Standard. The certifications provided by this Section are material terms and time is of the essence.

10 **4. MONETARY PAYMENTS**

11 **4.1 Civil Penalties Pursuant to Health & Safety Code § 25249.7(b)**

12 In settlement of all the claims referred to in this Consent Judgment, Bojer shall pay the civil
13 penalties shown for it on Exhibit A in accordance with this Section. With the exception of the Initial
14 Civil Penalty, each penalty payment will be allocated in accordance with California Health & Safety
15 Code § 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of
16 Environmental Health Hazard Assessment (“OEHHA”), 25% of the penalty remitted to “Laurence
17 Vinocur, Client Trust Account.” Each penalty payment shall be delivered to the addresses listed in
18 Section 4.5 below. Bojer shall be liable for payment of interest, at a rate of 10% simple interest, for
19 all amounts due and owing under this Section that are not received within two business days of the
20 due date.

21 4.1.1 Initial Civil Penalty. On or before May 15, 2014, Bojer shall make an initial
22 civil penalty payment in the amount identified on Exhibit A.

23 4.1.2 Second Civil Penalty. On or before June 15, 2014, Bojer shall make a second
24 civil penalty payment in the amount identified on Exhibit A. The second penalty may be set aside
25 according to any penalty waiver for which Bojer is eligible under Section 4.1.4(ii), below.

26 4.1.3 Third Civil Penalty. On or before November 30, 2014, Bojer shall make a
27 third civil penalty payment in the amount identified on Exhibit A. The amount of the third penalty
28

1 may be reduced according to any penalty waiver for which Bojer is eligible under Sections 4.1.4(i)
2 and 4.1.4(iii), below.

3 4.1.4 Reductions to Civil Penalty Payment Amounts. Bojer may reduce the amount
4 of the second and/or third civil penalty payments identified on Exhibit A by providing Plaintiff with
5 certification of certain efforts undertaken to reformulate its Products or limit the ongoing sale of
6 non-reformulated Products in California. The options to provide a written certification in lieu of
7 making a portion of the civil penalty payment constitute material terms of this Consent Judgment,
8 and with regard to such terms, time is of the essence.

9 4.1.4(i) **Partial Penalty Waiver for Extended Reformulation.**

10 As shown on Exhibit A, a portion of the third civil penalty shall be waived, to the extent that
11 Bojer has agreed that, as of the Effective Date, and continuing into the future, it shall only
12 manufacture or import for distribution or sale in California or cause to be manufactured or imported
13 for distribution or sale in California, Reformulated Products which also do not contain tris(2,3-
14 dibromopropyl)phosphate (“TDBPP”) in a detectable amount of more than 25 ppm (the equivalent of
15 .0025%) in any material, component, or constituent of the Products, when analyzed by an Accredited
16 Lab pursuant to EPA testing methodologies 3545 and 8270C, or equivalent methodologies utilized by
17 federal or state agencies to determine the presence, and measure the quantity, of TDBPP in a solid
18 substance. An officer or other authorized representative of Bojer that has exercised this election shall
19 provide Plaintiff with a written certification confirming compliance with such conditions, which
20 certification must be received by Plaintiff’s counsel on or before November 15, 2014.

21 4.1.4(ii) **Partial Penalty Waiver for Withdrawal of Unreformulated**
22 **Exemplar Products from the California Market.**

23 As shown on Exhibit A, the second civil penalty shall be waived, if an officer or other
24 authorized representative of Bojer provides Plaintiff with written certification, by May 31, 2014,
25 confirming that each individual or establishment in California to which it supplied the Exemplar
26 Product after October 28, 2011, has elected, pursuant to Section 3.3, to return all Exemplar Products
27 held for sale in California.

1 4.1.4(iii) **Partial Penalty Waiver for Termination of Distribution to**
2 **California of Unreformulated Inventory.**

3 As shown on Exhibit A, a portion of the third civil penalty shall be waived, if an officer or
4 other authorized representative of Bojer provides Plaintiff with written certification, on or before
5 November 15, 2014, confirming that, as of July 1, 2014, it has and will continue to distribute, offer
6 for sale, or sell in California, or to California Customers, only Reformulated Products.

7 **4.2 Representations**

8 Bojer represents that the sales data and other information, concerning its economic health,
9 knowledge of TDCPP, and prior reformulation and/or warning efforts, it provided to Plaintiff was
10 truthful to its knowledge and a material factor upon which Plaintiff has relied to determine the
11 amount of civil penalties assessed pursuant to Health & Safety Code § 25249.7 in this Consent
12 Judgment. If, within nine months of the Effective Date, Plaintiff discovers and presents to Bojer
13 evidence demonstrating that the preceding representation and warranty was materially inaccurate,
14 then Bojer shall have 30 days to meet and confer regarding the Plaintiff's contention. Should this 30
15 day period pass without any such resolution between the Plaintiff and Bojer, Plaintiff shall be entitled
16 to file a formal legal claim including, but not limited to, a claim for damages for breach of contract.

17 Bojer further represents that in implementing the requirements set forth in Sections 3.1 and
18 3.2 of this Consent Judgment, it will voluntarily employ commercial best efforts to achieve
19 reformulation of its Products on a nationwide basis and not employ statements that will encourage a
20 vendor to limit its compliance with the Reformulation Standard to goods intended for sale to
21 California Consumers.

22 **4.3 Stipulated Penalties for Certain Violations of the Reformulation Standard.**

23 If Plaintiff provides notice and appropriate supporting information to Bojer that levels of
24 TDCPP and/or TCEP in excess of the Reformulation Standard have been detected in one or more
25 Products labeled or otherwise marked in an identifiable manner as manufactured or imported after a
26 deadline for meeting the Reformulation Standard has arisen for Bojer under Sections 3.1 or 3.6
27 above, Bojer may elect to pay a stipulated penalty to relieve any further potential liability under
28 Proposition 65 or sanction under this Consent Judgment as to Products sourced from the vendor in

1 question.⁴ The stipulated penalty shall be \$1,500 if the violation level of TDCPP and/or TCEP is
2 below 100 ppm and \$3,000 if the violation level of TDCPP and/or TCEP is between 100 ppm and
3 249 ppm, this being applicable for any amount in excess of the Reformulation Standards but under
4 250 ppm.⁵ Plaintiff shall further be entitled to reimbursement of his associated expense in an amount
5 not to exceed \$5,000 regardless of the stipulated penalty level. Bojer under this Section must provide
6 notice and appropriate supporting information relating to the purchase (e.g. vendor name and contact
7 information including representative, purchase order, certification (if any) received from vendor for
8 the exemplar or subcategory of products), test results, and a letter from a company representative or
9 counsel attesting to the information provided, to Plaintiff within 30 calendar days of receiving test
10 results from Plaintiff's counsel. Any violation levels at or above 250 ppm shall be subject to the full
11 remedies provided pursuant to this Consent Judgment and at law.

12 4.4 Reimbursement of Fees and Costs

13 The Parties acknowledge that Plaintiff and his counsel offered to resolve this dispute without
14 reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee
15 reimbursement issue to be resolved after the material terms of the agreement had been settled.
16 Shortly after the other settlement terms had been finalized, Bojer expressed a desire to resolve the
17 fee and cost issue. Bojer then agreed to pay Plaintiff and his counsel under general contract
18 principles and the private attorney general doctrine codified at California Code of Civil Procedure
19 § 1021.5 for all work performed through the mutual execution of this agreement, including the fees
20 and costs incurred as a result of investigating, bringing this matter to Bojer's attention, negotiating a
21 settlement in the public interest, and seeking court approval of the same. In addition, the negotiated
22 fee and cost figure expressly includes the anticipated significant amount of time plaintiff's counsel
23 will incur to monitor various provisions in this agreement over the next two years. Bojer more

24 ⁴ This Section shall not be applicable where the vendor in question had previously been
25 found by Bojer to have provided unreliable certifications as to meeting the Reformulation Standard
26 in its Products on more than one occasion. Notwithstanding the foregoing, a stipulated penalty for a
27 second exceedance by Bojer's vendor at a level of TDCPP and/or TCEP between 100 and 249 ppm
28 shall not be available after July 1, 2015.

⁵ Any stipulated penalty payments made pursuant to this Section should be allocated and
remitted in the same manner as set forth in Sections 4.1 and 4.5, respectively.

1 specifically agreed, upon the Court's approval and entry of this Consent Judgment, to pay Plaintiff's
2 counsel the amount of fees and costs indicated on Exhibit A, which Vinocur agrees to accept in nine
3 equal installments, the first installment being due upon the Court's approval and entry of this
4 Consent Judgment, and each following installment being due every 30 days thereafter after until the
5 ninth installment is paid.
