

SETTLEMENT AGREEMENT
BETWEEN
CONSUMER ADVOCACY GROUP, INC.
AND
VENTURI

Consumer Advocacy Group, Inc. ("CAG") and Venturi (formally known as TJD Holdings, Inc.) (hereto referred to as "Venturi"), (CAG and Venturi collectively referred to as, the "Parties") enter into this agreement ("Settlement Agreement") to settle CAG's allegations that Venturi violated Proposition 65 for the purpose of avoiding prolonged and costly litigation. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the "Effective Date").

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Venturi previously sold, at various times, Tub Mats (referred to throughout as the "Covered Products"). The Covered Products are limited to those sold by Venturi only.

1.3 CAG alleges that Covered Products contain Di (2-ethylhexyl) phthalate (DEHP), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and Di-n-butyl Phthalate (DBP), also known as Dibutyl Phthalate, and that Venturi did not provide a required warning in compliance with the California Safe

Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* ("Proposition 65")).

1.4 On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before CAG served its "Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" which is further described below.

1.5 On December 2, 2005, the Governor of California added DBP to the list of chemicals known to the State to cause developmental female and male reproductive toxicity. This addition took place more than twenty (20) months before CAG served its "Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" which is further described below.

1.6 DEHP and DBP are referred to hereafter as the "Listed Chemicals."

1.7 On or about April 17, 2013, CAG served Venturi, Lowe's Home Centers, Inc. dba Lowe's, Lowe's Companies, Inc., Lowe's Home Centers, Inc., LF, LLC, and certain relevant public enforcement agencies with documents entitled "Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" regarding Covered Products containing the Listed Chemicals.

1.8 The Sixty-Day Notice (referred to as "Notice") alleged that Venturi and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Covered Chemicals.

1.9 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").

1.10 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Venturi, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or Venturi may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, on the one hand, and (a) Venturi, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees, ("Downstream Releasees"), on the other hand, of any violation or claimed violation of Proposition 65 or any statutory or common law claim that has been or could have been asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemicals and the failure to warn about exposure to the Listed Chemicals arising only in connection with the Covered Products manufactured, shipped and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Products are only limited to those sold by Venturi. Venturi's compliance with this Settlement Agreement shall constitute compliance with Proposition 65 with respect to the Listed Chemicals in the Covered Products for both Releasees and Downstream Releasees for any Covered Products distributed and/or sold by Releasees or Downstream Releasees after the Effective Date. CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action,

including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted, only to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemicals contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemicals contained in the Covered Products.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
