

SETTLEMENT AGREEMENT
BETWEEN
CONSUMER ADVOCACY GROUP, INC.
AND
SUN BAN FASHIONS, INC.

Consumer Advocacy Group, Inc. (“CAG”) and Sun Ban Fashions, Inc. (hereto referred to as “Sun Ban”), (CAG and Sun Ban collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) to settle CAG’s allegations that Sun Ban violated Proposition 65 for the purpose of avoiding prolonged and costly litigation. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Sun Ban previously sold, at various times, Eyewear (referred to throughout as the “Covered Products”). The Covered Products are limited to those sold by Sun Ban only.

1.3 CAG alleges that Covered Products contain Di (2-ethylhexyl) phthalate (DEHP), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and that Sun Ban did not provide a required warning in compliance with the

California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.4 On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before CAG served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

1.5 DEHP is referred to hereafter as the “Listed Chemical.”

1.6 On or about July 22, 2013, CAG served Sun Ban, The Kroger Co., Ralphs Grocery Company, Food 4 Less of Southern California, Inc. (collectively, the “Noticed Entities”) and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding the Covered Products containing the Listed Chemical.

1.7 The Sixty-Day Notice (referred to as “Notice”) alleged that the Noticed Entities violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Listed Chemical.

1.8 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).

1.9 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Sun Ban, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or Sun Ban may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, on the one hand, and (a) Sun Ban, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and

licensees, (“Downstream Releasees”), and the Noticed Entities on the other hand, of any violation or claimed violation of Proposition 65 or any statutory or common law claim that has been or could have been asserted against the Releasees, Downstream Releasees, and Noticed Entities regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Products manufactured, shipped and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. Sun Ban’s compliance with this Settlement Agreement shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for Releasees, Downstream Releasees, and Noticed Entities.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), against Releasees, Downstream Releasees, and/or Noticed Entities that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted, only to the extent that such claims relate to Releasees’, Downstream Releasees’, and/or Noticed Entities’ alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees, Downstream Releasees, and/or

Noticed Entities to warn about exposures to the Listed Chemical contained in the Covered Products.

It is intended by the Parties that the releases provided in this Paragraph 2.0 shall prevent CAG from asserting any Claims against Releasees, Downstream Releasees, and/or Noticed Entities that arise under Proposition 65 or any other statutory or common law, to the extent that such claims relate to Releasees', Downstream Releasees', and/or Noticed Entities' alleged exposure of persons to the Listed Chemicals or any failure by Releasees, Downstream Releasees, and/or Noticed Entities to warn about exposures to the Listed Chemicals in the Covered Products.

CAG, its agents, representatives, attorneys, successors, and/or assignees, provide a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands, now or in the future, of any nature, character or kind, known or unknown, suspected or unsuspected, against Releasees, Downstream Releasees, and/or Noticed Entities arising under Proposition 65, only to the extent that such claims relate to alleged exposure of persons to the Listed Chemicals in the Covered Products, and the failure to warn about exposures to the Listed Chemicals contained in the Covered Products sold by Releasees, Downstream Releasees, and/or Noticed Entities. CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
