

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Dr. Whitney R. Leeman, Ph.D., (“Leeman”) and Airgas, Inc., Airgas USA, LLC, and Airgas Safety, Inc. (collectively “Airgas”), with Leeman and Airgas each individually referred to as a “Party” and collectively as the “Parties.” Leeman is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances used in consumer products. Airgas employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Leeman alleges that Airgas manufactures, sells, and/or distributes for sale in California, tools with vinyl/PVC grips that contain di(2-ethylhexyl)phthalate (“DEHP”). DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm. Leeman alleges that Airgas failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP from the vinyl/PVC grips of hand tools sold by Airgas in California.

1.3 Product Description

The products that are covered by this Settlement Agreement are tools with vinyl/PVC grips containing DEHP including, but not limited to, the *Radnor Cable Cutter, Part No. 64002028 (UPC#0 82803 10475 8)* and the additional items identified to Attachment “A” to this Settlement Agreement, that are/were manufactured, sold and/or distributed for sale in California by Airgas (collectively, “Products”).

1.4 Notice of Violation

On or about December 13, 2013, Leeman served Airgas and various public

enforcement agencies with a document entitled “60-Day Notice of Violation” (“Notice”) that provided the recipients with notice of alleged violations of Proposition 65 by Airgas for failing to warn its customers and consumers in California that the Products expose users to DEHP. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 Airgas, Inc.

Airgas, Inc. is included in this Settlement Agreement because it is the corporate entity that was identified in the Proposition 65 notice, which is Attachment “A” to this Settlement Agreement. Nevertheless, Airgas, Inc. represents that it did not manufacture, sell, and/or distribute for sale any Products in California. Accordingly, the certification requirements under Section 3.1.2 shall not be applicable to Airgas, Inc.

1.6 No Admission

Airgas denies the material, factual, and legal allegations contained in the Notice, and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Airgas of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Airgas of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Airgas. This Section shall not, however, diminish or otherwise affect Airgas’s obligations, responsibilities, and duties under this Settlement Agreement.

1.7 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean September 1, 2014.

2. REFORMULATION COMMITMENT

Commencing on the Effective Date, and continuing thereafter, Airgas agrees to only purchase for sale or manufacture for sale in California, “Reformulated Products.”

For purposes of this Settlement Agreement, "Reformulated Products" are Products that contain no more than 1,000 ppm (0.1%) DEHP content when analyzed pursuant to EPA testing methodologies 3580A and 8270C, or equivalent methodologies used by state or federal agencies for purposes of determining DEHP content in a solid substance.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalties

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Airgas agrees to pay \$11,000 in civil penalties. Each penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount paid to Leeman.

3.1.1 Initial Civil Penalty. Within five days of the Effective Date, Airgas shall pay an initial civil penalty in the amount of \$3,000. Airgas will provide its payment in two checks for the following amounts made payable to: (a) "OEHHA" in the amount of \$2,250; and (b) "The Chanler Group in Trust for Whitney Leeman" in the amount of \$750.

3.1.2 Final Civil Penalty. On or before December 31, 2014, Airgas shall pay a final civil penalty of \$8,000. The final civil penalty shall be waived in its entirety if, on or before December 1, 2014, an officer of Airgas provides Leeman's counsel with written certification that, as of the date of its certification, all Products shipped for sale or distributed for sale in California are Reformulated Products as defined by Section 2, and that it will continue to only offer Reformulated Products in California in the future. The option to provide a written certification of reformulation in lieu of making the final civil penalty payment otherwise required by this Agreement is a material term, and time is of the essence.

3.2 Attorneys' Fees and Costs

The Parties reached an accord on the compensation due to Leeman and her counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Airgas agrees to pay \$25,000 to Leeman and her counsel for all fees and costs incurred investigating, bringing this matter to the attention of Airgas's management, and negotiating a settlement in the public interest.

3.3 Payment Procedures. With the exception of the final civil penalty payment required by Section 3.1.2, all payments under this Settlement Agreement are due within five days of the Effective Date according to the following subsections.

3.3.1 Payment Addresses. Payments shall be delivered as follows:

(a) All payments and tax documentation required for Leeman and her counsel under this Settlement Agreement shall be delivered to:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214

(b) All payments and tax forms required for OEHHA under this Settlement Agreement shall be delivered directly to OEHHA (Memo line "Prop 65 Penalties") at one of the following addresses as appropriate:

5. CLAIMS COVERED AND RELEASED

5.1 Leeman's Release of Airgas

This Settlement Agreement is a full, final and binding resolution between Leeman and Airgas, of any violation of Proposition 65 that was or could have been asserted by Leeman on her own behalf, or on behalf of her past and current agents, representatives, attorneys, successors, and assignees, against Airgas, and its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom Airgas directly or indirectly distributes or sells Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, licensors, and licensees ("Releasees"), based on unwarned exposures to DEHP from Products manufactured, distributed, or sold by Airgas before the Effective Date.

In further consideration of the promises and agreements herein contained, Leeman, on her own behalf, and on behalf of her past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any right to institute or participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including, without limitation, all actions and causes of action in law and in equity, all suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including all investigation fees, expert fees, and attorneys' fees arising under Proposition 65 for exposures to DEHP in Products manufactured, distributed, sold or offered for sale by Releasees before the Effective Date.

5.2 Airgas's Release of Leeman

Airgas on behalf of itself, its past and current agents, representatives, attorneys, successors, assignees, and/or Releasees hereby waives any and all claims against Leeman and her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Leeman and her attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Airgas may provide written notice to Leeman of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.

8. NOTICE

60-DAY NOTICE OF VIOLATION

SENT IN COMPLIANCE WITH CALIFORNIA HEALTH & SAFETY CODE § 25249.7(d)

DATE: December 13, 2013

TO: Michael Molinini, President – Airgas, Inc.
California Attorney General's Office;
District Attorney's Office for 58 Counties; and
City Attorneys for San Francisco, San Diego, San Jose, Sacramento and Los Angeles

FROM: Dr. Whitney R. Leeman

I. INTRODUCTION

My name is Whitney R. Leeman. I hold a Doctor of Philosophy degree in Environmental Engineering. I am a citizen of the State of California acting in the interest of the general public. I seek to promote awareness of exposures to toxic chemicals in products sold in California and, if possible, to improve human health by reducing hazardous substances contained in such items. This Notice is provided to the public agencies listed above pursuant to California Health & Safety Code § 25249.6 *et seq.* ("Proposition 65"). As noted above, notice is also being provided to the alleged violator, Airgas, Inc. (the "Violator"). The violations covered by this Notice consist of the product exposures, routes of exposure, and type of harm potentially resulting from exposure to the toxic chemical ("listed chemical") identified below, as follows:

Product Exposure: See Section VII. Exhibit A
Listed Chemical: Di(2-ethylhexyl)phthalate ("DEHP")
Routes of Exposure: Ingestion, Dermal
Types of Harm: Birth Defects and Other Reproductive Harm

II. NATURE OF ALLEGED VIOLATION (PRODUCT EXPOSURE)

The specific type of product that is causing consumer and occupational exposures in violation of Proposition 65, and that is covered by this Notice, is listed under "Product Category/Type" in Exhibit A in Section VII below. All products within the category covered by this Notice shall be referred to hereinafter as the "products." Exposures to the listed chemical from the use of the products have been occurring without the clear and reasonable warning required by Proposition 65, dating as far back as December 13, 2010. Without proper warnings regarding the toxic effects of exposures to the listed chemical resulting from contact with the products, California citizens lack the information necessary to make informed decisions on whether and how to eliminate (or reduce) the risk of exposure to the listed chemical from the reasonably foreseeable use of the products.

California citizens, through the act of buying, acquiring or utilizing the products, are exposed to the listed chemical. Women of childbearing age ingest the listed chemical when they, among other activities, touch the products and transfer the listed chemical from the products to their mouths through hand-to-mouth activities that may continue to occur for a significant period after contact with the products stops. Women of childbearing age are exposed to the listed chemical through direct dermal contact when they, among other activities, handle, touch or otherwise use the products.

III. CONTACT INFORMATION

Please direct all questions concerning this notice to me through my counsel's office at the following address:

IV. PROPOSITION 65 INFORMATION

For general information concerning the provisions of Proposition 65, please feel free to contact the Office of Environmental Health Hazard Assessment's ("OEHHA") Proposition 65 Implementation Office at (916) 445-6900. For the Violator's reference, I have attached a copy of "Proposition 65: A Summary" which has been prepared by OEHHA.

V. RESOLUTION OF NOTICED CLAIMS

Based on the allegations set forth in this Notice, I intend to file a citizen enforcement lawsuit against the alleged Violator unless such Violator enters into a binding written agreement to: (1) recall products already sold or undertake best efforts to ensure that the requisite health hazard warnings are provided to those who have received such products; (2) provide clear and reasonable warnings for products sold in the future or reformulate such products to eliminate the DEHP exposures; and (3) pay an appropriate civil penalty based on the factors enumerated in California Health & Safety Code § 25249.7(b). If the alleged Violator is interested in resolving this dispute without resorting to time-consuming and expensive litigation, please feel free to contact my counsel identified in Section III above. It should be noted that neither my counsel nor I can: (1) finalize any settlement until after the 60-day notice period has expired; nor (2) speak for the Attorney General or any district or city attorney who received this Notice. Therefore, while reaching an agreement with me will resolve my claims, such agreement may not satisfy the public prosecutors.

VI. ADDITIONAL NOTICE INFORMATION

Identified below is a specific example of a product recently purchased and witnessed as being available for purchase or use in California that is within the category or type of offending product covered by this Notice. Based on publicly available information, the retailers, distributors and/or manufacturers of the example within the category or type of product are also provided below. I believe and allege that the sale of the offending products also has occurred without the requisite Proposition 65 “clear and reasonable warning” at one or more locations and/or via other means including, but not limited to, transactions made over-the-counter, business-to-business, through the internet and/or via a catalog by the Violator and other retailers and distributors of the manufacturer.

*The specifically identified example of the type of product that is subject to this Notice is for the recipient’s benefit to assist in its investigation of, among other things, the magnitude of potential exposures to the listed chemical from other items within the product category/type listed in Exhibit A. It is important to note that this example is not meant to be an exhaustive or comprehensive identification of each specific offending product of the type listed under “Product Category/Type” in Exhibit A. Further, it is this citizen’s position that the alleged Violator is obligated to continue to conduct in good faith an investigation into other specific products within the type or category described above that may have been manufactured, distributed, sold, shipped, stored (or otherwise within the notice recipient’s custody or control) during the relevant period so as to ensure that the requisite toxic warnings were and are provided to California citizens prior to purchase.

CERTIFICATE OF MERIT

Health and Safety Code Section 25249.7(d)

I, Clifford A. Chanler, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged that the party identified in the notice has violated Health and Safety Code § 25249.6 by failing to provide clear and reasonable warnings;
2. I am the attorney for the noticing party;
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the *alleged* exposure to the listed chemical that is the subject of this action;
4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action.
