

SETTLEMENT AGREEMENT

BETWEEN

SHEFA LMV, LLC

AND

THRIFTY SUPPLY CO., INC.

Shefa LMV, LLC (“SHEFA”) and THRIFTY SUPPLY CO., INC. (“Thrifty”), (SHEFA and Thrifty collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle SHEFA’s allegations that Thrifty violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 SHEFA is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Thrifty previously sold, at various times, Plumbing Parts, including but not limited to UPC #: 048394680286. The Plumbing Parts that are subject to this Settlement Agreement are set forth on Exhibit A and referred to throughout as the “Covered Products.” The Covered Products are limited to those sold by Thrifty only.

1.3 SHEFA alleges that Covered Products contain Lead and Lead Compounds and that Thrifty did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code § 25249.5, et seq.* (“Proposition 65”)).

1.4 On February 27, 1987, the Governor of California added Lead to the list of chemicals known to the State to cause developmental, female and male reproductive toxicity.

1.5 On October 1, 1992, the Governor of California added Lead and Lead Compounds to the list of chemicals known to the State to cause cancer.

1.6 These additions took place more than twelve (12) months before SHEFA served its “60-Day Notice of Violation” which is further described below.

1.7 Lead and Lead Compounds is referred to hereafter as the “Listed Chemical.”

1.8 On or about March 6, 2014, SHEFA served Lowe’s Companies, Inc.; Lowe’s HIW, Inc.; Orchard Supply Company, LLC, Rosa Pen Corporation; Thrifty, as well as certain relevant public enforcement agencies with documents entitled “60-Day Notice of Violation” regarding Covered Products containing the Listed Chemical.

1.9 The Sixty-Day Notice (“Notice”) alleged that Thrifty and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Listed Chemical.

1.10 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).

1.11 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law.

1.12 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Thrifty, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.13 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that SHEFA or Thrifty may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

2.1 This Settlement Agreement is a full, final, and binding resolution between SHEFA, acting in its individual capacity, and not its representative capacity, on the one hand, and (a) Thrifty, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, licensees, Lowe’s Companies, Inc., Lowe’s HIW, Inc., Orchard Supply Company, LLC, and Rosa Pen Corporation (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Products manufactured, shipped, and/or otherwise

distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

2.2 SHEFA, its past and current agents, representatives, attorneys, successors, and/or assignees, acting in its individual capacity and not in its representative capacity, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted with respect to any Covered Products sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

2.3 SHEFA acknowledges that it is familiar with Section 1542 of California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

SHEFA, its past and current agents, representatives, attorneys, successors, and/or assignees, acting in its individual and not representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the

provisions of California Civil Code Section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

2.4 The Parties agree that compliance with the terms of this Settlement Agreement resolves any issue now and in the future, concerning compliance by Thrifty, the Releasees, and the Downstream Releasees with the requirements of Proposition 65 with respect to alleged exposure to the Listed Chemical in the Covered Products.

3.0 SHEFA's Duties

3.1 The Parties intend and agree that this Settlement Agreement shall be given full effect for the purposes of precluding claims regarding the Covered Products against Thrifty, the Releasees, and the Downstream Releasees under Proposition 65 and as covered under this release.

3.2 If requested in writing by Thrifty, SHEFA shall promptly file a complaint and seek approval of this Settlement Agreement through a court approved consent judgment incorporating the terms of this Settlement Agreement pursuant to California Health and Safety Code section 25249.7, or as may be otherwise allowed by law, and SHEFA shall reasonably cooperate with Thrifty and use its best efforts and that of its counsel to support the entry of the consent judgment incorporating the terms of this Settlement Agreement for approval by a superior court in California.

3.3 Pursuant to California Civil Procedure sections 1021 and 1021.5, Thrifty shall reimburse SHEFA and its counsel for their reasonable attorney's fees and costs incurred in filing the complaint and seeking judicial approval of this Settlement Agreement, in an amount not to exceed Seven Thousand Five Hundred Dollars (\$7,500.00).

3.4 No fees under this paragraph will be due and owing to SHEFA and its counsel unless a written request is made by Thrifty to have SHEFA file a complaint and seek a consent judgment.

3.5 Such additional fees shall be paid by Thrifty within ten (10) days after its receipt of an invoice from SHEFA's counsel for work performed under this paragraph.

4.0 Thrifty's Duties

4.1.2 In order to comply with this section, Thrifty may rely on its vendors' written representations and/or certifications of compliance with California Health and Safety Code section 116875 or the federal equivalent standard.

4.2 Warning Alternative:

4.2.1 For Covered Products that are not subject to California Health and Safety Code section 116875, Thrifty shall provide a warning as described in Section 4.3 below.

4.2.2 The warning requirements set forth in Section 4.3 shall apply only to Covered Products that Thrifty distributes, markets, sells or ships to California customers after the Effective Date.

4.2.3 The warning requirements shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date.

4.3 **Warning Language:** Where required under Sections 4.2.1 and 4.2.2 above, Thrifty shall provide Proposition 65 warnings as follows:

4.3.1 The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase.

4.3.2 Thrifty may use either of the following warning statements:

WARNING: This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.
Wash hands after handling.

or, where Thrifty has reason to believe that chemicals listed under Proposition 65 in addition to the Listed Chemical are present in a Covered Product,
