CASE NO. RG14737474
STIPULATED CONSENT
JUDGMENT
Health & Safety Code § 25249.5 *et seq.*
Action Filed: August 18, 2014
Trial Date: None set

25 **1. INTRODUCTION**

26 **1.1** On August 18, 2014, Plaintiff Environmental Research Center (“ERC”), a non-
27 profit corporation, as a private enforcer, and in the public interest, initiated this action by filing
28 a Complaint for Injunctive and Declaratory Relief and Civil Penalties (the “Complaint”)

1 pursuant to the provisions of California Health and Safety Code section 25249.5 *et seq.*
2 (“Proposition 65”), against Ultimate Nutrition, Inc. and Does 1-100 (collectively “Ultimate
3 Nutrition”). In this action, ERC alleges that a number of products manufactured, distributed or
4 sold by Ultimate Nutrition contain lead, a chemical listed under Proposition 65 as a carcinogen
5 and reproductive toxin, and expose consumers to this chemical at a level requiring a
6 Proposition 65 warning. These products (referred to hereinafter individually as a “Covered
7 Product” or collectively as “Covered Products”) are: (1) Ultimate Nutrition Inc. Platinum
8 Series Protein Isolate Chocolate Crème (discontinued), (2) Ultimate Nutrition Inc. ISO
9 Sensation 93 Vanilla Bean, (3) Ultimate Nutrition Inc. Platinum Series Protein Isolate Vanilla
10 Crème (discontinued), (4) Ultimate Nutrition Inc. ISO Sensation 93 Strawberry, and (5)
11 Ultimate Nutrition Inc. ISO Sensation 93 Chocolate Fudge.

12 1.2 ERC and Ultimate Nutrition are hereinafter referred to individually as a “Party”
13 or collectively as the “Parties.”

14 1.3 ERC is a California non-profit corporation dedicated to, among other causes,
15 helping safeguard the public from health hazards by reducing the use and misuse of hazardous
16 and toxic chemicals, facilitating a safe environment for consumers and employees, and
17 encouraging corporate responsibility.

18 1.4 For purposes of this Consent Judgment, the Parties agree that Ultimate Nutrition is
19 a business entity that has employed ten or more persons at all times relevant to this action, and
20 qualifies as a “person in the course of business” within the meaning of Proposition 65. Ultimate
21 Nutrition manufactures, distributes and sells the Covered Products.

22 1.5 On December 17, 2014, Ultimate Nutrition filed a voluntary Chapter 11
23 bankruptcy petition in the United States Bankruptcy Court for the District of Connecticut (the
24 “Bankruptcy Court”), and since that time, has continued to operate as a debtor in possession
25 under title 11 of the United States Code (the “Bankruptcy Code”). *See In re Ultimate Nutrition*
26 *Products, Inc.* Case No. 14-22402 (Bankr.D. Conn.). Ultimate Nutrition’s Chapter 11 case
27 before the Bankruptcy Court (the “Bankruptcy Case”) remains pending.

28 1.6 On April 13, 2015, ERC filed a Proof of Claim with the Bankruptcy Court

1 asserting a general unsecured claim against Ultimate Nutrition in the amount of \$5,000,000
2 based on the claims set forth in the Complaint (the "ERC Claim"). On October 8, 2015,
3 Ultimate Nutrition filed with the Bankruptcy Court a Motion for Order to Estimate and Cap the
4 Claim of Environmental Research Center, thereby seeking to estimate and cap the ERC Claim
5 in the amount of \$0 pursuant to section 502(c) of the Bankruptcy Code (the "Estimation
6 Motion"), to which ERC filed an objection on November 4, 2015.

7 **1.7** By separate stipulation, the Parties mutually resolved the Estimation Motion and
8 ERC's objection thereto by stipulating that the ERC Claim shall be fixed in the amount of
9 \$100,000 with the understanding and expectation that ERC would receive a distribution of 50%
10 of that amount as a general unsecured creditor under the Chapter 11 Plan of Reorganization for
11 Ultimate Nutrition, Inc. and Prostar, Inc., filed with the Bankruptcy Court on November 18,
12 2015, as it may be amended or modified (the "Plan"). That stipulation is hereby incorporated
13 and attached as Exhibit A (the "Bankruptcy Stipulation"), and includes as one of its provisions
14 a lifting of the automatic stay imposed by the Bankruptcy Case only so that Ultimate Nutrition
15 and ERC can enter into and obtain this Court's entry of this Consent Judgment. To the extent
16 any material terms in this document contradict or alter the material terms in Exhibit A hereto,
17 those terms in Exhibit A shall govern, control, and bind the Parties.

18 **1.8** Ultimate Nutrition, the only named and identified Defendant in this case, is
19 under the jurisdiction of the Bankruptcy Court and, has filed or intends to promptly file with
20 the Bankruptcy Court a motion for approval of the Bankruptcy Stipulation and this Consent
21 Judgment pursuant to Fed.R.Bankr.P. 9019. As such, the effectiveness of this Consent
22 Judgment is conditioned upon the Bankruptcy Court's approval of the Bankruptcy Stipulation.

23 **1.9** The Complaint is based on allegations contained in ERC's Sixty-Day Notice of
24 Violation dated April 4, 2014, that was served on the California Attorney General, other public
25 enforcers, and Ultimate Nutrition ("Notice"). A true and correct copy of the Notice is attached
26 as Exhibit B and is hereby incorporated by reference. More than 60 days have passed since the
27 Notice was mailed and uploaded to the Attorney General's website, and no designated
28 governmental entity has filed a complaint against Ultimate Nutrition with regard to the Covered

1 Products or the alleged violations.

2 **1.10** ERC's Notice and Complaint allege that use of the Covered Products exposes
3 persons in California to lead without first providing clear and reasonable warnings in violation
4 of California Health and Safety Code section 25249.6. Ultimate Nutrition denies all material
5 allegations contained in the Notice and Complaint, and it maintains that the Covered Products
6 do not require warnings under Proposition 65.

7 **1.11** The Parties have entered into this Consent Judgment in order to settle,
8 compromise and resolve disputed claims and thus avoid prolonged and costly litigation.
9 Nothing in this Consent Judgment shall be construed as an admission of ERC or Ultimate
10 Nutrition of any fact, issue of law, or violation of law, nor shall compliance with this Consent
11 Judgment constitute or be construed as an admission by Ultimate Nutrition of any fact, issue of
12 law or violation of law. Nothing in this Consent Judgment or any document referred to herein,
13 shall be construed as giving rise to any presumption or inference of admission or concession by
14 Ultimate Nutrition as to any fault, wrongdoing or liability whatsoever. The Parties agree that
15 this Section shall not diminish or otherwise affect the obligations, responsibilities, and duties of
16 the Parties under this Consent Judgment.

17 **1.12** Except as expressly set forth herein, nothing in this Consent Judgment shall
18 prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any
19 other or future legal proceeding unrelated to these proceedings.

20 **1.13** The Effective Date of this Consent Judgment is the date on which it is entered as
21 a Judgment by this Court.

22 **2. JURISDICTION AND VENUE**

23 For purposes of this Consent Judgment and any further court action that may become
24 necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter
25 jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction
26 over Ultimate Nutrition as to the acts alleged in the Complaint, that venue is proper in Alameda
27 County, and that, while the Bankruptcy Court has paramount jurisdiction to determine the
28 allowance and amount of the ERC Claim, this Court has jurisdiction to enter this Consent

1 Judgment as a full and final resolution of all non-monetary claims with respect to Covered
2 Products manufactured up through and including the Compliance Date (as that term is defined in
3 Section 3.1, below) which were or could have been asserted in this action based on the facts
4 alleged in the Notice and Complaint.

5 3. INJUNCTIVE RELIEF

6 3.1 Any Covered Products that are manufactured 150 days after the Effective Date
7 (the "Compliance Date") that Ultimate Nutrition thereafter distributes into the State of
8 California, offers for sale to a third party for retail sale in California, or directly sells in the
9 State of California, shall either (1) contain no more than 0.5 micrograms of lead per day as
10 calculated pursuant to Section 3.1.3 and as validated by the quality control methodology
11 described in Section 3.4. or (2) meet the warning requirements under Section 3.2.

12 3.1.1 As used in this Consent Judgment, the term "Distributing into the State
13 of California" shall mean to directly ship a Covered Product into California for sale in
14 California or to sell a Covered Product to a distributor that Ultimate Nutrition knows will sell
15 the Covered Product in California.

16 3.1.2 For purposes of this Consent Judgment, the "Daily Lead Level" shall be
17 calculated in micrograms, and shall be calculated using the following formula: micrograms of
18 lead per gram of product, multiplied by grams of product per serving of the product (using the
19 largest serving size appearing on the product label), multiplied by servings of the product per
20 day (using the largest number of servings in a recommended dosage appearing on the product
21 label), which equals micrograms of lead exposure per day.

22 3.1.3 For purposes of Section 3, the term "no more than 0.5 micrograms of lead
23 per day" means that for each of the Covered Products the samples tested by Ultimate Nutrition
24 under Section 3.4 collectively yield a daily exposure of no more than 0.5 micrograms of lead
25 when calculated using the formula for the Daily Lead Level set forth in Section 3.1.2 and after
26 subtracting the amount of lead deemed to be "naturally occurring" for each ingredient listed in
27 Table 3.1.3 below. The amount of lead deemed "naturally occurring" in each of the Covered
28 Products is the sum of the amounts of "naturally occurring" lead supplied by the quantity of

1 each ingredient listed in Table 3.1.3 that is present in each Covered Product. For each
2 ingredient listed in Table 3.1.3, the amount of lead deemed “naturally occurring” is listed in
3 Table 3.1.3 in micrograms of “naturally occurring” lead per gram of the ingredient that is
4 contained in the Covered Product. If Ultimate Nutrition seeks to exclude naturally occurring
5 lead in its calculation of overall lead content for any of the Covered Products, Ultimate
6 Nutrition shall provide to ERC within fifteen (15) working days of ERC’s written request,
7 which ERC may make no earlier than the Compliance Date, a complete list of all ingredients in
8 the Covered Products and the corresponding percentage and quantity in grams (rounded to the
9 nearest one tenth of a gram) of each of the ingredients being used in each of the Covered
10 Products and any other data (such as, without limitation, a written certification signed by a
11 corporate officer) that independently confirms the percentage of the ingredients and quantity in
12 grams of the ingredients being used in each Covered Product. Any documentation that
13 Ultimate Nutrition submits to ERC pursuant to the terms of this Section shall be kept
14 confidential.

15 Table 3.1.3

Ingredient	Amount of lead (“Pb”) per gram of ingredient deemed naturally occurring
Calcium (elemental)	0.8 mcg Pb per gram of elemental calcium
Ferrous Fumarate	0.4 mcg Pb per gram of ferrous fumarate
Zinc Oxide	8.0 mcg Pb per gram of zinc oxide
Magnesium Oxide	0.4 mcg Pb per gram of magnesium oxide
Magnesium Carbonate	0.332 mcg Pb per gram of magnesium carbonate
Magnesium Hydroxide	0.4 mcg Pb per gram of magnesium hydroxide
Zinc Gluconate	0.8 mcg Pb per gram of zinc gluconate
Potassium Chloride	1.1 mcg Pb per gram of potassium chloride
Cocoa Powder	1.0 mcg Pb per gram of cocoa powder

1 **3.2 Clear and Reasonable Warnings**

2 If Ultimate Nutrition is required to provide a warning pursuant to Section 3.1, the following
3 warning must be utilized (“Warning”):

4 **WARNING:** This product contains [lead,] a chemical known to the State of California to
5 cause [cancer and] birth defects or other reproductive harm.

6 Ultimate Nutrition shall use the phrase “cancer and” in the warning only if the maximum daily
7 dose recommended on the label contains more than 15 micrograms of lead as determined pursuant
8 to Sections 3.1.3 and 3.4. The bracketed term “[lead,]” may be provided by Ultimate Nutrition at
9 its option.

10 The Warning shall be securely affixed to or printed upon the container or label of each
11 Covered Product. The Warning shall be at least the same size as the largest of any other health or
12 safety warnings also appearing on the Covered Product’s label or container, as applicable, and the
13 word “**WARNING**” shall be in all capital letters and in bold print. Apart from the Warning, no
14 additional statement discussing Proposition 65 or lead may be stated within the same physical
15 location as the warning that appears on the label or container, as applicable.

16 Ultimate Nutrition must display the Warning with such conspicuousness, as compared
17 with other words, statements, or design of the label or container, as applicable, to render the
18 warning likely to be read and understood by an ordinary individual under customary conditions of
19 purchase or use of the product.

20 **3.4 Testing and Quality Control Methodology**

21 **3.4.1** Prior to Ultimate Nutrition’s first sale or distribution of Covered
22 Products manufactured after the Compliance Date, Ultimate Nutrition shall arrange for lead
23 testing of the Covered Products at least once a year for a minimum of three consecutive years
24 by arranging for testing of five randomly selected samples of each of the Covered Products, in
25 the form intended for sale to the end-user, which Ultimate Nutrition intends to sell or is
26 manufacturing for sale in California, directly selling to a consumer in California or
27 “Distributing into California.” The testing requirement does not apply to any of the Covered
28 Products for which Ultimate Nutrition has provided the warning specified in Section 3.2. If

1 tests conducted pursuant to this Section demonstrate that no warning is required for a Covered
2 Product during each of three consecutive years, then the testing requirements of this Section
3 will no longer be required as to that Covered Product. However, if during or after the three-year
4 testing period, Ultimate Nutrition changes ingredient suppliers for any of the Covered Products
5 and/or reformulates any of the Covered Products such that the change is reasonably likely to
6 have a material effect on lead levels, Ultimate Nutrition shall test that Covered Product
7 annually for at least two consecutive years after such change is made.

8 **3.4.2** For purposes of measuring the "Daily Lead Level," the average lead
9 detection result of the five randomly selected samples of the Covered Products will be
10 controlling.

11 **3.4.3** All testing pursuant to this Consent Judgment shall be performed using a
12 laboratory method that complies with the performance and quality control factors appropriate
13 for the method used, including limit of detection, qualification, accuracy, and precision that
14 meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry ("ICP-MS")
15 achieving a limit of quantification of less than or equal to 0.010 mg/kg or any other testing
16 method subsequently agreed to in writing by the Parties.

17 **3.4.4** All testing pursuant to this Consent Judgment shall be performed by an
18 independent third party laboratory certified by the California Environmental Laboratory
19 Accreditation Program or an independent third party laboratory that is registered with the
20 United States Food & Drug Administration.

21 **3.4.5** Nothing in this Consent Judgment shall limit Ultimate Nutrition's ability
22 to conduct, or require that others conduct, additional testing of the Covered Products, including
23 the raw materials used in their manufacture.

24 **3.4.6** Upon fifteen days of receipt of written notice from ERC, Ultimate
25 Nutrition shall send to ERC copies of all laboratory reports with results of testing for lead
26 content under Section 3.4.1. Ultimate Nutrition shall retain all test results and documentation
27 for a period of five years from the date of each test.

1 **4. SETTLEMENT PAYMENT**

2 **4.1** By the Bankruptcy Stipulation, Ultimate Nutrition and ERC have stipulated that
3 the ERC Claim shall be fixed and allowed in the amount of \$100,000, which they acknowledge
4 is a final adjudication of the amount of the ERC Claim, and that payment of the sum of \$50,000
5 (“Total Settlement Amount”) shall be in full satisfaction of all potential civil penalties, payment
6 in lieu of civil penalties, attorney’s fees, and costs. In furtherance of ERC receiving the Total
7 Settlement Amount, Ultimate Nutrition acknowledges that ERC will be treated as the Holder of
8 a General Unsecured Claim under the Plan and will receive a distribution on or before the
9 effective date of the Plan of 50% of the ERC Claim, or the sum of \$50,000. Ultimate Nutrition
10 shall make this payment by wire transfer to ERC’s escrow account, for which ERC will give
11 Ultimate Nutrition the necessary account information. The Total Settlement Amount shall be
12 apportioned as follows:

13 **4.2** \$11,000.00 shall be considered a civil penalty pursuant to California Health and
14 Safety Code §25249.7(b)(1). ERC shall remit 75% (\$8,250.00) of the civil penalty to the
15 Office of Environmental Health Hazard Assessment (“OEHHA”) for deposit in the Safe
16 Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety
17 Code §25249.12(c). ERC shall not remit this amount to OEHHA until after the Court approves
18 this settlement. ERC will retain the remaining 25% (\$2,750.00) of the civil penalty.

19 **4.3** \$4220.28 shall be distributed to ERC as reimbursement to ERC for reasonable
20 costs incurred in bringing this action.

21 **4.4** \$15,600.00 shall be distributed to Michael Freund as reimbursement of ERC’s
22 attorney’s fees, while \$19,179.72 shall be distributed to ERC for its in-house legal fees.

23 **5. MODIFICATION OF CONSENT JUDGMENT**

24 **5.1** This Consent Judgment may be modified only (i) by written stipulation of the
25 Parties or pursuant to Section 5.4 and (ii) upon entry by the Court of a modified consent
26 judgment.

27 **5.2** If Ultimate Nutrition seeks to modify this Consent Judgment under Section 5.1,
28 then Ultimate Nutrition must provide written notice to ERC of its intent (“Notice of Intent”). If

1 ERC seeks to meet and confer regarding the proposed modification in the Notice of Intent, then
2 ERC must provide written notice to Ultimate Nutrition within thirty days of receiving the
3 Notice of Intent. If ERC notifies Ultimate Nutrition in a timely manner of ERC's intent to meet
4 and confer, then the Parties shall meet and confer in good faith as required in this Section. The
5 Parties shall meet in person or via telephone within thirty (30) days of ERC's notification of its
6 intent to meet and confer. Within thirty days of such meeting, if ERC disputes the proposed
7 modification, ERC shall provide to Ultimate Nutrition a written basis for its position. The
8 Parties shall continue to meet and confer for an additional thirty (30) days in an effort to
9 resolve any remaining disputes. Should it become necessary, the Parties may agree in writing
10 to different deadlines for the meet-and-confer period.

11 **5.3** In the event that Ultimate Nutrition initiates or otherwise requests a modification
12 under Section 5.1, and the meet and confer process leads to a joint motion or application of the
13 Consent Judgment, Ultimate Nutrition shall reimburse ERC its costs and reasonable attorney's
14 fees for the time spent in the meet-and-confer process and filing and arguing the motion or
15 application.

16 **5.4** Where the meet-and-confer process does not lead to a joint motion or
17 application in support of a modification of the Consent Judgment, then either Party may seek
18 judicial relief on its own. In such a situation, the prevailing Party may seek to recover costs
19 and reasonable attorney's fees. As used in the preceding sentence, the term "prevailing Party"
20 means a Party who is successful in obtaining relief more favorable to it than the relief that the
21 other Party was amenable to providing during the Parties' good faith attempt to resolve the
22 dispute that is the subject of the modification.

23 **6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT**
24 **JUDGMENT**

25 **6.1** This Court shall retain jurisdiction of this matter to enforce, modify or terminate
26 this Consent Judgment.

27 **6.2** If ERC alleges that any Covered Product fails to meet the requirements of
28 Section 3 (for which ERC alleges that no warning has been provided), then ERC shall inform

1 Ultimate Nutrition in a reasonably prompt manner of its test results, including information
2 sufficient to permit Ultimate Nutrition to identify the Covered Products at issue. Ultimate
3 Nutrition shall, within thirty days following receipt of such notice, provide ERC with testing
4 information from an independent third-party laboratory meeting the requirements of Sections
5 3.4.1 and 3.4.2 that demonstrates Ultimate Nutrition's compliance with the Consent Judgment,
6 if warranted. The Parties shall first attempt to resolve the matter prior to ERC taking any
7 further legal action.

8 **7. APPLICATION OF CONSENT JUDGMENT**

9 This Consent Judgment shall apply to, be binding upon, and benefit the Parties and their
10 respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
11 divisions, affiliates, franchisees, licensees, customers (excluding private labelers), distributors,
12 wholesalers, retailers, predecessors, successors, and assigns. This Consent Judgment shall have no
13 application to Covered Products which are distributed or sold exclusively outside the State of
14 California and which are not used by California consumers.

15 **8. BINDING EFFECT, CLAIMS COVERED AND RELEASED**

16 **8.1** This Consent Judgment is a full, final, and binding resolution between ERC, on
17 behalf of itself and in the public interest, and Ultimate Nutrition, of any alleged violation of
18 Proposition 65 for failure to provide Proposition 65 warnings for alleged exposures to lead
19 from the handling, use or consumption of the Covered Products manufactured up through and
20 including the Compliance Date. ERC, on behalf of the general public in the public interest, and
21 on behalf of itself and its owners, principals, shareholders, officers, directors, employees,
22 agents, affiliates, parents, subsidiaries, servants, heirs, executors, administrators, successors,
23 assigns, and legal representatives, hereby waives all rights to institute or participate in (directly
24 or indirectly) any form of legal action and fully releases and discharges Ultimate Nutrition and
25 its officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
26 divisions, affiliates, suppliers (including but not limited to Prostar, Inc.), franchisees, licensees,
27 customers (not including private label customers of Ultimate Nutrition), distributors,
28 wholesalers, retailers, and all other upstream and downstream entities in the distribution chain

1 of any Covered Product, and the predecessors, successors and assigns of any of them
2 (collectively, "Covered Releasees") from any and all claims, actions, causes of action, suits,
3 demands, liabilities, damages, penalties, fees (including but not limited to attorneys' fees,
4 investigation fees, and expert fees), costs and expenses (collectively referred to as "Claims")
5 for alleged violations of Proposition 65 arising from the failure to provide warnings for any
6 exposures to lead in Covered Products manufactured before the Compliance Date.

7 **8.2** ERC on behalf of itself and its owners, principals, shareholders, officers,
8 directors, employees, agents, affiliates, parents, subsidiaries, servants, heirs, executors,
9 administrators, successors, assigns, and legal representatives, and not on behalf of the general
10 public, on one hand, and Ultimate Nutrition on its own behalf only, on the other, waive and
11 release any and all claims they may have against each other for all actions or statements made
12 or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection
13 with the Notice or Complaint with respect to Covered Products manufactured up through and
14 including the Compliance Date, provided, however, that nothing in Section 8 shall affect or
15 limit any Party's right to seek to enforce the terms of this Consent Judgment.

16 **8.3** In addition, ERC, on behalf of itself and its owners, principals, shareholders,
17 officers, directors, employees, agents, affiliates, parents, subsidiaries, servants, heirs, executors,
18 administrators, successors, assigns, and legal representatives, and not on behalf of the general
19 public, hereby releases and discharges the Covered Releasees from any and all known and
20 unknown Claims arising from or relating to alleged violations of Proposition 65, or for any
21 other statutory or common law, regarding alleged exposures to lead and lead compounds in the
22 Covered Products manufactured up through and including the Compliance Date, including but
23 not limited to the claims asserted by ERC in the Bankruptcy Case and in the products identified
24 in ERC's January 14, 2011, October 22, 2010, and October 8, 2010 Proposition 65 Sixty-Day
25 Notices of Violation. It is possible that other Claims released in this Section 8 and not known
26 to the Parties will develop or be discovered. ERC, on behalf of itself only and Ultimate
27 Nutrition acknowledge that this Consent Judgment is expressly intended to cover and include
28 all such Claims, including all rights of action therefor. ERC has full knowledge of the contents

1 of California Civil Code section 1542. ERC, on behalf of itself only, and Ultimate Nutrition
2 acknowledge that the Claims released in Sections 8.1 and 8.2 may include unknown Claims,
3 and nevertheless waives California Civil Code section 1542 as to any such unknown Claims.
4 California Civil Code section 1542 reads as follows:

5
6 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE
7 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER
8 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF
9 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS
10 OR HER SETTLEMENT WITH THE DEBTOR.

9 ERC, on behalf of itself only, and Ultimate Nutrition acknowledge and understand the
10 significance and consequences of this specific waiver of California Civil Code section 1542.

11 **8.4** Compliance with the requirements of Section 3 of this Consent Judgment shall
12 be deemed to constitute compliance with Proposition 65 by any Covered Releasee with respect
13 to any lead in the Covered Products.

14 **8.5** Nothing in this Consent Judgment is intended to apply to any occupational or
15 environmental exposures arising under Proposition 65, nor shall it apply to any of Ultimate
16 Nutrition's products other than the Covered Products.

17 **9. SEVERABILITY OF UNENFORCEABLE PROVISIONS**

18 In the event that any of the provisions of this Consent Judgment are held by a court to be
19 unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

20 **10. GOVERNING LAW**

21 The terms and conditions of this Consent Judgment shall be governed by and construed in
22 accordance with the laws of the State of California.

23 **11. PROVISION OF NOTICE**

24 All notices required to be given to either Party to this Consent Judgment by the other shall
25 be in writing and sent to the following agents listed below via first-class mail. Courtesy copies via

1 **12. COURT APPROVAL**

2 **12.1** Upon execution of this Consent Judgment by the Parties, ERC shall notice a
3 Motion for Court Approval. The Parties shall use their best efforts to support entry of this
4 Consent Judgment.

5 **12.2** If the California Attorney General objects to any term in this Consent Judgment,
6 the Parties shall use their best efforts to resolve the concern in a timely manner, and if possible
7 prior to the hearing on the motion.

8 **12.3** If this Consent Judgment is not approved by the Court, it shall be void and have
9 no force or effect and Ultimate Nutrition shall have the right to seek the return to it of any
10 settlement payments made under Section 4. In the event that Ultimate Nutrition exercises its
11 right under this Section 12.3, it shall send written notice to ERC and ERC shall return all
12 settlement payments made under Section 4 to Ultimate Nutrition within thirty (30) days' receipt
13 of Ultimate Nutrition's written request.

14 **13. EXECUTION AND COUNTERPARTS**

15 This Consent Judgment may be executed in counterparts, which taken together shall be
16 deemed to constitute one document. A facsimile or .pdf signature shall be construed as valid as
17 the original signature.

18 **14. DRAFTING**

19 The terms of this Consent Judgment have been reviewed by the respective counsel for each
20 Party prior to its signing, and each Party has had an opportunity to fully discuss the terms and
21 conditions with legal counsel. The Parties agree that, in any subsequent interpretation and
22 construction of this Consent Judgment, no inference, assumption, or presumption shall be drawn,
23 and no provision of this Consent Judgment shall be construed against any Party, based on the fact
24 that one of the Parties and/or one of the Parties' legal counsel prepared and/or drafted all or any
25 portion of the Consent Judgment. It is conclusively presumed that all of the Parties participated
26 equally in the preparation and drafting of this Consent Judgment.

27 **15. GOOD FAITH ATTEMPT TO RESOLVE DISPUTES**

28 If a dispute arises with respect to either Party's compliance with the terms of this Consent

1 Judgment entered by the Court, the Parties shall meet in person or by telephone and endeavor to
2 resolve the dispute in an amicable manner. No action or motion may be filed in the absence of
3 such a good faith attempt to resolve the dispute beforehand. In the event an action or motion is
4 filed, however, the prevailing Party may seek to recover costs and reasonable attorney's fees. As
5 used in the preceding sentence, the term "prevailing Party" means a Party who is successful in
6 obtaining relief more favorable to it than the relief that the other Party was amenable to providing
7 during the Parties' good faith attempt to resolve the dispute that is the subject of such enforcement
8 action.

9 **16. ENTIRE AGREEMENT, AUTHORIZATION**

10 **16.1** This Consent Judgment contains the sole and entire agreement and
11 understanding of the Parties with respect to the entire subject matter herein, and any and all
12 prior discussions, negotiations, commitments and understandings related hereto. No
13 representations, oral or otherwise, express or implied, other than those contained herein have
14 been made by any Party. No other agreements, oral or otherwise, unless specifically referred to
15 herein, shall be deemed to exist or to bind any Party.

16 **16.2** Each signatory to this Consent Judgment certifies that he or she is fully
17 authorized by the Party he or she represents to stipulate to this Consent Judgment. Except as
18 explicitly provided herein, each Party shall bear its own fees and costs.

19 **17. REQUEST FOR FINDINGS, APPROVAL OF SETTLEMENT AND ENTRY OF** 20 **CONSENT JUDGMENT**

21 This Consent Judgment has come before the Court upon the request of the Parties. The
22 Parties request the Court to fully review this Consent Judgment and, being fully informed
23 regarding the matters which are the subject of this action, to:

24 (1) Find that the terms and provisions of this Consent Judgment represent a fair and
25 equitable settlement of all matters raised by the allegations of the Complaint, that the matter has
26 been diligently prosecuted, and that the public interest is served by such settlement; and

27 (2) Make the findings pursuant to California Health and Safety Code section
28 25249.7(f)(4), approve the Settlement, and approve this Consent Judgment.

**NOTICE OF VIOLATION OF
CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ.
(PROPOSITION 65)**

Dear Alleged Violator and the Appropriate Public Enforcement Agencies:

I represent Environmental Research Center ("ERC"), 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. (619) 500-3090. ERC's Executive Director is Chris Heptinstall. ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the products identified below. These violations have occurred and continue to occur because the alleged Violator identified below failed to provide required clear and reasonable warnings with these products. This letter serves as a notice of these violations to the alleged Violator and the appropriate public enforcement agencies. Pursuant to Health and Safety Code Section 25249.7(d), ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

General Information about Proposition 65. A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is enclosed with this letter served to the alleged Violator identified below.

Alleged Violator. The name of the company covered by this notice that violated Proposition 65 (hereinafter the "Violator") is:

Ultimate Nutrition, Inc.

Consumer Products and Listed Chemicals. The products that are the subject of this notice and the chemical in those products identified as exceeding allowable levels are:

- a. **Ultimate Nutrition Inc. Platinum Series Protein Isolate Chocolate Crème – Lead**
- b. **Ultimate Nutrition Inc. ISO Sensation 93 Vanilla Bean - Lead**
- c. **Ultimate Nutrition Inc. Platinum Series Protein Isolate Vanilla Crème - Lead**
- d. **Ultimate Nutrition Inc. ISO Sensation 93 Strawberry - Lead**
- e. **Ultimate Nutrition Inc. ISO Sensation 93 Chocolate Fudge - Lead**

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

EXHIBIT A

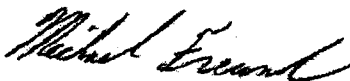

Route of Exposure. The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of these products. Consequently, the primary route of exposure to these chemicals has been and continues to be through ingestion, but may have also occurred and may continue to occur through inhalation and/or dermal contact.

Approximate Time Period of Violations. Ongoing violations have occurred every day since at least April 4, 2011, as well as every day since the products were introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until these known toxic chemicals are either removed from or reduced to allowable levels in the products. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product label. The Violator violated Proposition 65 because it failed to provide persons handling and/or using these products with appropriate warnings that they are being exposed to these chemicals.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violator to: (1) reformulate the identified products so as to eliminate further exposures to the identified chemicals, or provide appropriate warnings on the labels of these products; and (2) pay an appropriate civil penalty. Such a resolution will prevent further unwarned consumer exposures to the identified chemicals, as well as an expensive and time consuming litigation.

ERC has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violation to my attention at the law office address and telephone number indicated on the letterhead.**

Sincerely,

Michael Freund

CERTIFICATE OF MERIT

Re: Environmental Research Center's Notice of Proposition 65 Violations by Ultimate Nutrition, Inc.

I, Michael Freund, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged that the party identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemicals that are the subject of the notice.
4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violator will be able to establish any of the affirmative defenses set forth in the statute.
5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

APPENDIX A

OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY

THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65): A SUMMARY

The following summary has been prepared by the California Office of Environmental Health Hazard Assessment (OEHHA), the lead agency for the implementation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (commonly known as "Proposition 65"). A copy of this summary must be included as an attachment to any notice of violation served upon an alleged violator of the Act. The summary provides basic information about the provisions of the law, and is intended to serve only as a convenient source of general information. It is not intended to provide authoritative guidance on the meaning or application of the law. The reader is directed to the statute and OEHHA's implementing regulations (see citations below) for further information.

FOR INFORMATION CONCERNING THE BASIS FOR THE ALLEGATIONS IN THE NOTICE RELATED TO YOUR BUSINESS, CONTACT THE PERSON IDENTIFIED ON THE NOTICE.

Proposition 65 appears in California law as Health and Safety Code Sections 25249.5 through 25249.13. The statute is available online at: <http://oehha.ca.gov/prop65/law/P65law72003.html>. Regulations that provide more specific guidance on compliance, and that specify procedures to be followed by the State in carrying out certain aspects of the law, are found in Title 27 of the California Code of Regulations, sections 25102 through 27001.¹ These implementing regulations are available online at: <http://oehha.ca.gov/prop65/law/P65Regs.html>.

WHAT DOES PROPOSITION 65 REQUIRE?

The "Governor's List." Proposition 65 requires the Governor to publish a list of chemicals that are known to the State of California to cause cancer and/or reproductive toxicity. This means that chemicals are placed on the Proposition 65 list if they are known to cause cancer and/or birth defects or other reproductive harm, such as

¹ All further regulatory references are to sections of Title 27 of the California Code of Regulations unless otherwise indicated. The statute, regulations and relevant case law are available on the OEHHA website at: <http://www.oehha.ca.gov/prop65/law/index.html>.

damage to female or male reproductive systems or to the developing fetus. This list must be updated at least once a year. The current Proposition 65 list of chemicals is available on the OEHHA website at:
http://www.oehha.ca.gov/prop65/prop65_list/Newlist.html.

Only those chemicals that are on the list are regulated under this law. Businesses that produce, use, release or otherwise engage in activities involving listed chemicals must comply with the following:

Clear and reasonable warnings. A business is required to warn a person before "knowingly and intentionally" exposing that person to a listed chemical unless an exemption applies; for example, when exposures are sufficiently low (see below). The warning given must be "clear and reasonable." This means that the warning must: (1) clearly make known that the chemical involved is known to cause cancer, or birth defects or other reproductive harm and (2) be given in such a way that it will effectively reach the person before he or she is exposed. Some exposures are exempt from the warning requirement under certain circumstances discussed below.

Prohibition from discharges into drinking water. A business must not knowingly discharge or release a listed chemical into water or onto land where it passes or probably will pass into a source of drinking water. Some discharges are exempt from this requirement under certain circumstances discussed below.

DOES PROPOSITION 65 PROVIDE ANY EXEMPTIONS?

Yes. You should consult the current version of the statute and regulations (<http://www.oehha.ca.gov/prop65/law/index.html>) to determine all applicable exemptions, the most common of which are the following:

Grace Period. Proposition 65 warning requirements do not apply until 12 months after the chemical has been listed. The Proposition 65 discharge prohibition does not apply to a discharge or release of a chemical that takes place less than 20 months after the listing of the chemical.

Governmental agencies and public water utilities. All agencies of the federal, state or local government, as well as entities operating public water systems, are exempt.

Businesses with nine or fewer employees. Neither the warning requirement nor the discharge prohibition applies to a business that employs a total of nine or fewer employees. This includes all employees, not just those present in California.

Exposures that pose no significant risk of cancer. For chemicals that are listed as known to the State to cause cancer ("carcinogens"), a warning is not required if the business can demonstrate that the exposure occurs at a level that poses "no significant risk." This means that the exposure is calculated to result in not more than one excess case of cancer in 100,000 individuals exposed over a 70-year lifetime. The Proposition 65 regulations identify specific "No Significant Risk Levels" (NSRLs) for many listed carcinogens. Exposures below these levels are exempt from the warning requirement. See OEHHA's website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of NSRLs, and Section 25701 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures that will produce no observable reproductive effect at 1,000 times the level in question. For chemicals known to the State to cause reproductive toxicity, a warning is not required if the business can demonstrate that the exposure will produce no observable effect, even at 1,000 times the level in question. In other words, the level of exposure must be below the "no observable effect level" divided by a 1,000. This number is known as the Maximum Allowable Dose Level (MADL). See OEHHA's website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of MADLs, and Section 25801 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures to Naturally Occurring Chemicals in a Food. Certain exposures to chemicals that occur in foods naturally (i.e., that do not result from any known human activity, including activity by someone other than the person causing the exposure) are exempt from the warning requirements of the law. If the chemical is a contaminant² it must be reduced to the lowest level feasible. Regulations explaining this exemption can be found in Section 25501.

Discharges that do not result in a "significant amount" of the listed chemical entering into any source of drinking water. The prohibition from discharges into drinking water does not apply if the discharger is able to demonstrate that a "significant amount" of the listed chemical has not, does not, or will not pass into or probably pass into a source of drinking water, and that the discharge complies with all other applicable laws, regulations, permits, requirements, or orders. A "significant amount" means any detectable amount, except an amount that would meet the "no significant risk" level for chemicals that cause cancer or that is 1,000 times below the "no observable effect" level for chemicals that cause reproductive toxicity, if an individual were exposed to that amount in drinking water.

² See Section 25501(a)(4)

HOW IS PROPOSITION 65 ENFORCED?

Enforcement is carried out through civil lawsuits. These lawsuits may be brought by the Attorney General, any district attorney, or certain city attorneys. Lawsuits may also be brought by private parties acting in the public interest, but only after providing notice of the alleged violation to the Attorney General, the appropriate district attorney and city attorney, and the business accused of the violation. The notice must provide adequate information to allow the recipient to assess the nature of the alleged violation. The notice must comply with the information and procedural requirements specified in Section 25903 of the regulations and in Title 11, sections 3100-3103. A private party may not pursue an independent enforcement action under Proposition 65 if one of the governmental officials noted above initiates an action within sixty days of the notice.

A business found to be in violation of Proposition 65 is subject to civil penalties of up to \$2,500 per day for each violation. In addition, the business may be ordered by a court to stop committing the violation.
