1       **1. INTRODUCTION**

2               **1.1 Anthony E. Held, Ph.D., P.E. and Sam Ash Music Corporation**

3               This Proposed Consent Judgment (“Consent Judgment”) is entered into by and between  
4       plaintiff Anthony E. Held, Ph.D., P.E. (“Held” or “Plaintiff”) and defendant Sam Ash Music  
5       Corporation (“Sam Ash” or “Defendant”) with Plaintiff and Defendant collectively referred to as  
6       the “Parties.”

7               **1.2 Anthony E. Held, Ph.D., P.E.**

8               Held is an individual residing in the State of California who seeks to promote awareness of  
9       exposure to toxic chemicals and to improve human health by reducing or eliminating hazardous  
10       substances contained in consumer and commercial products.

11              **1.3 Sam Ash Music Corporation**

12              Held alleges that Defendant employs ten or more persons and is a person in the course of  
13       doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986,  
14       California Health & Safety Code § 25249.6, *et seq.* (“Proposition 65”).

15              **1.4 General Allegations**

16              Held alleges that Defendant has manufactured, imported, distributed and/or sold in the State  
17       of California microphones with vinyl/PVC cords containing di(2-ethylhexyl)phthalate (“DEHP”).  
18       DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause  
19       birth defects and other reproductive harm.

20              **1.5 Product Description**

21              The products that are covered by this Consent Judgment are defined as microphones with  
22       vinyl/PVC cords sold or offered for sale by Defendant in the State of California and marketed under  
23       trademarks owned by Samson Technologies Corporation (“Samson”) or Sam Ash, including, but  
24       not limited to, *Samson Q2U Recording Pak for Home Recording and Live Sound*, SA Q2U, Q2U,  
25       UPC# 8 09164 00966 5 (hereinafter, the “Products”).

1           **1.6 Notice of Violation**

2           On September 12, 2014, Held served Sam Ash, others and various public enforcement  
3 agencies with a document entitled “Supplemental 60-Day Notice of Violation” (“Notice”) that  
4 provided the recipients with notice that Sam Ash was alleged to be in violation of California Health  
5 & Safety Code § 25249.6 for failing to warn consumers that its microphones with vinyl/PVC cords  
6 exposed users in California to DEHP.

7           **1.7 Complaint**

8           On February 18, 2015, Held filed a complaint in the Superior Court in and for the County of  
9 Alameda against Sam Ash, Samson, Target Corporation, and Does 1 through 150, *Held v. Sam Ash*  
10 *Music Corporation, et al.*, Case No. RG15758996 (the “Action”), alleging violations of California  
11 Health & Safety Code § 25249.6, based on the alleged exposures to DEHP contained in certain  
12 microphones with vinyl/PVC cords sold by Defendant in the State of California.

13           **1.8 No Admission**

14           Defendant denies the material, factual and legal allegations contained in Held’s Notice and  
15 Complaint and maintains that all products that it has sold, manufactured, imported and/or  
16 distributed in California, including the Products, have been and are in compliance with all laws.  
17 Nothing in this Consent Judgment shall be construed as an admission by Defendant of any fact,  
18 finding, issue of law or violation of law, nor shall compliance with this Consent Judgment constitute  
19 or be construed as an admission by Defendant of any fact, finding, conclusion, issue of law or  
20 violation of law. However, this section shall not diminish or otherwise affect Defendant’s  
21 obligations, responsibilities and duties under this Consent Judgment.

22           **1.9 Consent to Jurisdiction**

23           For purposes of this Consent Judgment only, the Parties stipulate that this Court has  
24 jurisdiction over Defendant as to the allegations contained in the Complaint, that venue is proper in  
25 the County of Alameda and that this Court has jurisdiction to enter and enforce the provisions of  
26 this Consent Judgment.

1           **1.10    Effective Date**

2           For purposes of this Consent Judgment, the term “Effective Date” shall mean the date the  
3 Court approves the Consent Judgment and the parties receive notice that the Consent Judgment will  
4 be entered.

5           **2.       INJUNCTIVE RELIEF**

6           **2.1       Reformulation Standards**

7           “Reformulated Products” are defined as those Products containing DEHP in concentrations  
8 less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental  
9 Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by  
10 federal or state government agencies for the purpose of determining DEHP content in a solid  
11 substance.

12           **2.2       Reformulation Commitment**

13           As of the Effective Date, the Products manufactured, imported, distributed, sold and/or  
14 offered for sale in the State of California by Defendant shall either be Products that qualify as  
15 Reformulated Products as defined in Section 2.1 above, or carry the appropriate Proposition 65  
16 warning specified in Section 2.3 below.

17           **2.3       Product Warnings**

18           As of the Effective Date, Sam Ash shall provide clear and reasonable warnings for the  
19 Products as set forth in Sections 2.3(a) and (b) that do not qualify as Reformulated Products. Each  
20 warning shall be prominently placed with such conspicuousness as compared with other words,  
21 statements, designs, or devices as to render it likely to be read and understood by an ordinary  
22 individual under customary conditions before purchase or use. Each warning shall be provided in a  
23 manner such that the consumer or user understands to which *specific* Product the warning applies,  
24 so as to minimize the risk of consumer confusion.

25           **(a)    Retail Store Sales.**

26           **(i)    Product Labeling.**    Sam Ash shall affix a warning to the packaging,  
27 labeling, or directly on each Product provided for sale in retail outlets in California that states:  
28

1                   WARNING: This product contains chemicals, including  
2                                   DEHP, known to the State of California  
3                                   to cause birth defects and other reproductive harm.

4                   **(ii) Point-of-Sale Warnings.** Alternatively, Sam Ash may provide warning  
5 signs in the form below to its customers in California with instructions to post the warnings in close  
6 proximity to the point of display of the Products.

7                   WARNING: This product contains chemicals, including  
8                                   DEHP, known to the State of California  
9                                   to cause birth defects and other reproductive harm.

10 Where more than one Product is sold in proximity to other like items or to those that do not require  
11 a warning (*e.g.*, Reformulated Products as defined in Section 2.1), the following statement shall be  
12 used:<sup>1</sup>

13                   WARNING: The following products contain chemicals, including  
14                                   DEHP, known to the State of California  
15                                   to cause birth defects and other reproductive harm.  
16                                   [*list products for which warning is required*]

17                   **(b) Mail Order Catalog and Internet Sales.** In the event Sam Ash sells Products via  
18 mail order catalog and/or the internet to customers located in California after the Effective Date that  
19 are not Reformulated Products, Sam Ash shall provide warnings for such Products sold via mail  
20 order catalog (in mail order catalogs printed after the Effective Date) or the internet to California  
21 residents. Warnings given in the mail order catalog or on the internet shall identify the *specific*  
22 Product to which the warning applies as further specified in Sections 2.3(b)(i) and (ii).

23                   **(i) Mail Order Catalog Warning.** The following provision and requirements  
24 pertain to mail order catalogs printed after the Effective Date. Any warning provided in a mail  
25 order catalog shall be in the same type size or larger than the Product description text within the  
26 catalog. The following warning shall be provided on the same page and in the same location as the  
27 display and/or description of the Product:  
28

---

<sup>1</sup>For purposes of the Settlement Agreement, "sold in proximity" shall mean that the Product and another similar product are offered for sale close enough to each other that the consumer, under customary conditions of purchase, could not reasonably determine which of the two products is the subject of the warning sign.

1                   WARNING: This product contains chemicals, including  
2                                   DEHP, known to the State of California  
                                  to cause birth defects and other reproductive harm.

3                   Where it is impracticable to provide the warning on the same page and in the same location  
4 as the display and/or description of the Product, Sam Ash may utilize a designated symbol to cross  
5 reference the applicable warning and shall define the term “designated symbol” with the following  
6 language on the inside of the front cover of the catalog or on the same page as any order form for  
7 the Product(s):

8                   WARNING: Certain products identified with this symbol ▼  
9                                   and offered for sale in this catalog, contain  
                                  chemicals, including DEHP, known to the State of  
10                                  California to cause birth defects and other reproductive harm.

11                   The designated symbol must appear on the same page and in close proximity to the display  
12 and/or description of the Product. On each page where the designated symbol appears, Sam Ash  
13 must provide a header or footer directing the consumer to the warning language and definition of  
14 the designated symbol.

15                   (ii)    **Internet Website Warning.** A warning shall be given in conjunction with  
16 the sale of the Products via the internet, which warning shall appear either: (a) on the same web  
17 page on which a Product is displayed; (b) on the same web page as the order form for a Product; (c)  
18 on the same page as the price for any Product; or (d) on one or more web pages displayed to a  
19 purchaser during the checkout process. The following warning statement shall be used and shall  
20 appear in any of the above instances adjacent to or immediately following the display, description,  
21 or price of the Product for which it is given in the same type size or larger than the Product  
22 description text:

23                   WARNING: This product contains chemicals, including  
                                  DEHP, known to the State of California  
24                                  to cause birth defects and other reproductive harm.

25                   Alternatively, the designated symbol may appear adjacent to or immediately following the  
26 display, description, or price of the Product for which a warning is being given, provided that the  
27 following warning statement also appears elsewhere on the same web page, as follows:  
28

1                   WARNING: This product contains chemicals, including  
2                   DEHP, known to the State of California  
3                   to cause birth defects and other reproductive harm.

3           **3. MONETARY PAYMENTS**

4           **3.1 Civil Penalty Payments**

5           In settlement of all the claims referred to in this Consent Judgment, Defendant shall pay a  
6           total of \$13,000 in civil penalties in accordance with this Section 3. The penalty payment will be  
7           allocated in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of  
8           the funds remitted to the California Office of Environmental Health Hazard Assessment  
9           (“OEHHA”) and the remaining 25% of the penalty remitted to Held. Within five days of the mutual  
10          execution of this Consent Judgment, Sam Ash shall issue a check for its civil penalty payment in the  
11          amount of \$13,000 to “Dr. Anthony E. Held, Client Trust Account.” Katten Muchin Rosenman  
12          LLP shall hold this check and shall provide The Chanler Group with written confirmation that it has  
13          received and is holding this check. Within two days of the date that this Consent Judgment is  
14          approved by the Court and the parties receive notice that the Consent Judgment will be entered,  
15          Katten Muchin Rosenman LLP shall send the check for the civil penalty payment in accordance  
16          with Section 3.3 below. Sam Ash shall be liable for payment of interest, at a rate of 10% simple  
17          interest, for all amounts due and owing under this Section 3 that are not received within two  
18          business days of the due date.

19          **3.2 Reimbursement of Fees and Costs**

20          The Parties acknowledge that Held and his counsel offered to resolve this dispute without  
21          reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee  
22          issue to be resolved after the material terms of the agreement had been settled. Held then  
23          expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been  
24          finalized. The Parties then attempted to (and did) reach an accord on the compensation due to Held  
25          and his counsel under general contract principles and the private attorney general doctrine codified  
26          at California Code of Civil Procedure § 1021.5, for all work performed through the mutual  
27          execution of this agreement. Sam Ash shall, within five days of the mutual execution of this  
28          Consent Judgment by the Parties, issue a check payable to “The Chanler Group” in the amount of

1 \$24,000 to be held by Katten Muchin Rosenman LLP. Katten Muchin Rosenman LLP shall provide  
2 The Chanler Group with written confirmation within five days of receipt that it has received and is  
3 holding this check. Within two business days of the date this Consent Judgment is approved by the  
4 Court and the parties receive notice that the Consent Judgment will be entered, Katten Muchin  
5 Rosenman LLP shall send this check to "The Chanler Group" in accordance with Section 3.3 below.

6 **3.3 Payment Procedures**

7 All payments owed to Held and his counsel, pursuant to Sections 3.1 through 3.3, shall be  
8 delivered to the following payment address:

9 The Chanler Group  
10 Attn: Proposition 65 Controller  
11 2560 Ninth Street  
12 Parker Plaza, Suite 214  
13 Berkeley, CA 94710

12 **4. CLAIMS COVERED AND RELEASED**

13 **4.1 Held's Public Release of Proposition 65 Claims**

14 Held, acting on his own behalf and in the public interest, releases Sam Ash, Samson and  
15 their parents, subsidiaries, partners, affiliated entities under common ownership, joint ventures,  
16 directors, officers, employees, and attorneys ("Releasees") and each entity to whom they directly or  
17 indirectly distribute or sell the Products including, but not limited to, Target Corporation,  
18 downstream distributors, wholesalers, customers, retailers, franchisers, cooperative members,  
19 licensors and licensees ("Downstream Releasees") for any violations arising under Proposition 65  
20 for unwarned exposures to DEHP from the Products sold by Defendant prior to the Effective Date,  
21 as set forth in the Notice. Compliance with the terms of this Consent Judgment constitutes  
22 compliance with Proposition 65 with respect to exposures to DEHP from the Products.

23 **4.2 Held's Individual Release of Claims**

24 Held, in his individual capacity only and *not* in his representative capacity, also provides a  
25 release to Sam Ash, Samson, Releasees, and Downstream Releasees which shall be effective as a  
26 full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs,  
27 expenses, attorneys' fees, damages, losses, claims, liabilities and demands of Held of any nature,  
28 character or kind, whether known or unknown, suspected or unsuspected, arising out of alleged or

1 actual exposures to DEHP in the Products sold or distributed for sale by Defendant before the  
2 Effective Date.

3 **4.3 Sam Ash's Release of Held**

4 Sam Ash on behalf of itself, its past and current agents, representatives, attorneys,  
5 successors and/or assignees, hereby waives any and all claims against Held, his attorneys and other  
6 representatives, for any and all actions taken or statements made (or those that could have been  
7 taken or made) by Held and his attorneys and other representatives, whether in the course of  
8 investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with  
9 respect to the Products.

10 **5. COURT APPROVAL**

11 This Proposed Consent Judgment is not effective until it is approved and entered by the  
12 Court and shall be null and void if, for any reason, it is not approved and entered by the Court  
13 within one year after it has been fully executed by all Parties.

14 **6. PARTIAL SATISFACTION OF JUDGMENT**

15 Within five business days following receipt of the settlement payments as set forth in  
16 Sections 3.1 and 3.2, above, Held will file an Acknowledgement of Satisfaction of Judgment that  
17 Defendant has satisfied all monetary obligations, yet injunctive relief obligations remain  
18 ongoing. Held will provide Sam Ash with a conformed copy of the Acknowledgement of  
19 Satisfaction of Judgment.

20 **7. SEVERABILITY**

21 If, subsequent to the execution of this Consent Judgment, any of the provisions of this  
22 Consent Judgment are held by a court to be unenforceable, the validity of the enforceable provisions  
23 remaining shall not be adversely affected.

24 **8. GOVERNING LAW**

25 The terms of this Consent Judgment shall be governed by the laws of the State of California.  
26 In the event that Proposition 65 is repealed, preempted or is otherwise rendered inapplicable by  
27 reason of law generally, or if any of the provisions of this Consent Judgment are rendered  
28 inapplicable or no longer required as a result of any such repeal or preemption or rendered

1 inapplicable by reason of law generally as to the Products, then Defendant may provide written  
2 notice to Held of any asserted change in the law, and shall have no further obligations pursuant to  
3 this Consent Judgment with respect to, and to the extent that, the Products are so affected. Nothing  
4 in this Consent Judgment shall be interpreted to relieve Defendant from any obligation to comply  
5 with any pertinent state or federal toxics control law.

6 **9. NOTICES**

7 Unless specified herein, all correspondence and notices required to be provided pursuant to  
8 this Consent Judgment shall be in writing and personally delivered or sent by: (i) first-class,  
9 (registered or certified mail) return receipt requested; or (ii) overnight courier on any party by the  
10 other party at the following addresses:

23 California Health & Safety Code § 25249.7(f).

24 **12. ADDITIONAL POST EXECUTION ACTIVITIES**

25 The Parties agree to mutually employ their best efforts to support the entry of this agreement  
26 as a Consent Judgment and obtain approval of the Proposed Consent Judgment by the Court in a
