

SETTLEMENT AGREEMENT  
BETWEEN  
CONSUMER ADVOCACY GROUP, INC.  
AND  
WELL LUCK CO., INC.

Consumer Advocacy Group, Inc. (“CAG”) and Well Luck Co., Inc. (hereto referred to as “Well Luck”), (CAG and Well Luck collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle CAG’s allegations that Well Luck violated Proposition 65. The effective date of this Settlement Agreement shall be the last date upon which it is fully executed by all Parties hereto (the “Effective Date”).

**1.0 Introduction**

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Well Luck previously sold, at various times, Vinegar, including but not limited to “SHUITA® “Superior Mature Vinegar”; Naturally Fermented; China Intangible Cultural Heritage; “Chinese Favorite Brand”; Shanxi Shuita Vinegar Industry Co., Ltd.”; NET 16.9 FL OZ (500mL); Product Of Shanxi China; UPC: 6 920564 188980” (referred to throughout as the “Covered Product”). The Covered Product is limited to those sold by Well Luck.

1.3 CAG alleges that the Covered Product contains Lead and that Well Luck did not provide a required warning in compliance with the California Safe

Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.4 On February 27, 1987, the Governor of California added Lead to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added Lead and Lead compounds to the list of chemicals known to the State to cause cancer. These additions took place more than twenty (20) months before CAG served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

1.5 Lead is referred to hereafter as the “Listed Chemical”.

1.6 On or about September 29, 2014, CAG served, Well Luck Co., Inc., Shanxi Shuita Vinegar Industry Co., Ltd., Quang Hoa Supermarket, Inc. and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding Covered Product containing the Listed Chemical.

1.7 The Sixty-Day Notice above (referred to as the “Notice”) alleged that the Noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Product exposes persons to the Listed Chemical.

1.8 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties and to resolve and moot the allegations CAG presented to the Noticed parties concerning the Covered Product’s compliance with Proposition 65 (the “Dispute”) based on the terms set forth below.

1.9 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Well Luck or the Noticed parties or their respective officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG, Well Luck or the Noticed parties may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

**2.0 Release**

This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and (a) Well Luck, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not

limited to the Noticed parties and other distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Product manufactured, shipped, and/or otherwise distributed by Well Luck or its Releasees prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Product is limited to those manufactured, distributed or sold by Well Luck only.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Product manufactured, distributed or sold by Well Luck or its Releasees up to the Effective Date, including without limitation to the extent that such claims relate to Releasees’ and/or Downstream Releasees’ alleged exposure of persons to the

Listed Chemical contained in the Covered Product or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Product.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
