

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between InMusic Brands, Inc., Numark International, Inc., Numark Industries, LLC (collectively “InMusic”) and Laurence Vinocur (“Vinocur”), with Vinocur and InMusic collectively referred to as the “Parties.” Vinocur is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. InMusic employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Vinocur alleges that InMusic has manufactured, distributed and/or sold in the State of California headphones with vinyl/PVC components containing concentrations of di(2-ethylhexyl)phthalate (“DEHP”) above the allowable state limits and cases with vinyl/PVC handles containing concentrations of di(2-ethylhexyl)phthalate (“DEHP”) above the allowable state limits without the requisite Proposition 65 warning. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3 Product Description

The “Products” that are covered by this Settlement Agreement are defined headphones with vinyl/PVC components containing DEHP including, but not limited to, *Red Wave Professional Mixing Headphones*, (21) NN1304610126609, UPC #0 676762 610117, and *HF125 Compact DJ Headphones*, UPC #0 676762 608510, and cases with vinyl/PVC handles containing DEHP including, but not limited to, *Numark Controller Softcases*, UPC #0 676762 187213, manufactured, imported and/or distributed for sale in the State of California by InMusic.

1.4 Notice of Violation

On or about September 30, 2014, Vinocur served InMusic and various public enforcement agencies with a “60-Day Notice of Violation” (the “Notice”) that provided the recipients with notice of alleged violations of Proposition 65 based on InMusic’s failure to warn consumers that the Products exposed users in the State of California to DEHP. To the best of the Parties’ knowledge, no public enforcer has prosecuted the allegations set forth in the Notice.

1.5 No Admission

InMusic denies all factual and legal allegations contained in Vinocur’s Notice, and maintains that all of the products that it has sold and/or offered for sale in the State of California, including the Products, have been and are in compliance with all federal, state, or local laws. Nothing in this Settlement Agreement shall be construed as an admission by InMusic of any fact, finding, conclusion of law, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by InMusic of any fact, finding, conclusion of law, issue of law or violation of law. However, this Section shall not diminish or otherwise affect InMusic’s obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is signed by all Parties.

2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION STANDARD

2.1 Reformulation Standard

Reformulated Products are defined as Products containing concentrations less than 0.1 percent (1000 parts per million) of DEHP, di-n-butyl (“DBP”), butyl benzyl phthalate (“BBP”), and Diisononyl phthalate (“DINP”) in each accessible component when analyzed by a laboratory accredited by the State of California, a federal agency, NVLAP (National Volunteer Laboratory Accreditation Program), American Association for Lab Accreditation (A2LA), ANSI-ASQ National Accreditation Board (ANAB) – ACLASS brand (an ANAB company), International

Accreditation Service, Inc. (IAS), Laboratory Accreditation Bureau (L-A-B), Perry Johnson Laboratory Accreditation, Inc. (PJLA), International Laboratory Accreditation Cooperation (ILAC), or similar nationally recognized accrediting organization, pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP, DBP, BBP or DINP content in a solid substance. By entering into this Settlement Agreement, the Parties do not intend to expand or restrict any obligations or responsibilities that may be imposed upon InMusic by laws other than Proposition 65, nor do the Parties intend this Settlement Agreement to affect any defenses available to InMusic under laws other than Proposition 65.

2.2 Warnings Required: Product Labeling

Commencing on the Effective Date, for all Products other than Reformulated Products, InMusic shall provide clear and reasonable warnings that state:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects or other reproductive harm.

or

WARNING: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

InMusic may affix this warning to the packaging, labeling or directly on any Products that are not Reformulated Products which are sold or offered for sale to institutional or individual consumers within the State of California and institutional customers with nationwide distribution. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product(s) the warning applies, so as to minimize the risk of consumer confusion.

3. MONETARY TERMS

3.1 Penalties Pursuant to Health & Safety Code § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, InMusic shall pay a total of \$22,500 in accordance with this Section. Each penalty payment will be allocated by Vinocur in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the funds being remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty being retained by Vinocur, as follows:

3.1.1 Initial Civil Penalty

InMusic shall pay an initial civil penalty in the amount of \$7,500 within five (5) days of the Effective Date in one check made payable as follows: “Laurence Vinocur, Client Trust Account.”

3.1.2 Final Civil Penalty

InMusic shall pay a final civil penalty of \$15,000 on or before November 15, 2015. The final civil penalty shall be waived in its entirety if an officer of InMusic provides Vinocur with written certification that InMusic has met and continues to meet the Reformulation Standard specified in Section 2.1 above such that all Products manufactured, produced, assembled, imported, distributed, shipped, sold or offered for sale in State of California as of the date of the certification and continuing into the future are Reformulated Products. Vinocur must receive any such certification on or before November 1, 2015; time is of the essence.

Unless waived in its entirety, InMusic shall issue a check for any remaining portion of the final civil penalty made payable as follows: “Laurence Vinocur, Client Trust Account.” In accordance with California Health & Safety Code § 25249.12(c)(1) & (d), Vinocur will remit 75% of the funds remitted to OEHHA and retain 25% of the funds. InMusic shall be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing under this Section that are not received within two business days of the due date.

3.1.3 Representations

InMusic represents that the sales data and other information concerning its Product sales information, knowledge of DEHP, prior reformulation and/or warning efforts, that it provided to Vinocur in negotiating this Settlement Agreement was truthful to its knowledge at the time of execution of this Settlement Agreement and a material factor upon which Vinocur relied to determine the amount of civil penalties assessed pursuant to Health & Safety Code § 25249.7. If, within twelve months of the Effective Date, Vinocur discovers and presents to InMusic, evidence demonstrating that the preceding representation and warranty was materially inaccurate, then InMusic shall have 30 days to meet and confer regarding Vinocur's contention. Should this 30 day period pass without any such resolution between Vinocur and InMusic, Vinocur shall be entitled to file a formal legal claim including, but not limited to, a claim for damages for breach of contract.

3.2 Reimbursement of Fees and Costs

The parties acknowledge that Vinocur and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. InMusic then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The parties then attempted to (and did) reach an accord on the compensation due to Vinocur and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. InMusic shall pay \$32,400 for fees and costs incurred as a result of investigating, bringing this matter to InMusic's attention, and negotiating a settlement in the public interest by issuing a check payable to "The Chanler Group," within five (5) days of the Effective Date. InMusic shall be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing under this Section that are not received within two business days of the due date.

3.3 Payment Procedures

All payments pursuant to Sections 3.1 and 3.2, shall be delivered to the following payment address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street, Suite 214
Berkeley, CA 94710

4. RELEASE OF ALL CLAIMS

4.1 Vinocur's Release of InMusic

This Settlement Agreement is a full, final, and binding resolution between Vinocur, acting on his own behalf and *not* in his representative capacity, and InMusic of any violation of Proposition 65 that was or could have been asserted by Vinocur on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, against InMusic, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys and each entity to whom InMusic directly or indirectly distributes or sells the Products including, but not limited to, downstream distributors, wholesalers, customers, franchisees, cooperative members, licensees and retailers, including Guitar Center, Inc. and Staples, Inc. 4.2 InMusic's Release of Vinocur

InMusic waives any and all claims against Vinocur, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Vinocur and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter and/or with respect to the Products.

5. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to any of the Products and/or DEHP, then InMusic shall provide written notice to Vinocur of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
