

SETTLEMENT AGREEMENT
BETWEEN
CONSUMER ADVOCACY GROUP, INC.
AND
AMAZONAS IMPORTS, INC.

Consumer Advocacy Group, Inc. (“CAG”) and Amazonas Imports, Inc. (referred to as “AMAZONAS”), (CAG and AMAZONAS collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle CAG’s allegations that AMAZONAS violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 AMAZONAS previously sold, at various times “Amazonas Rainforest Product®, Superior Quality, Horchata Mexicana, Mexican Blended Rice Drink Mix, Orgullo Mexicano, Product of Mexico, Net Wt 14 oz (397g), UPC: 7 42987 12301 2” (referred to throughout as the “Covered Product”). The Covered Product is limited to those sold by AMAZONAS only.

1.3 CAG alleges that the Covered Product contains Lead and that AMAZONAS did not provide a required warning in compliance with the

California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.4 On February 27, 1987, the Governor of California added lead to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added lead and lead compounds to the list of chemicals known to the State to cause cancer. These additions took place more than twenty (20) months before CAG served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

1.5 Lead is referred to hereafter as the “Listed Chemical”.

1.6 On or about November 7, 2014 CAG served Amazonas Imports, Inc., Super Fresh Marketplace and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding Covered Product containing the Listed Chemical.

1.7 The Sixty-Day Notices (referred to as the “Notices”) alleged that AMAZONAS and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Product exposes persons to the Listed Chemical.

1.8 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Product’ compliance with Proposition 65 (the “Dispute”).

1.9 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by AMAZONAS, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or AMAZONAS may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and (a) AMAZONAS, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not

limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Product manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Product are limited to those sold by AMAZONAS.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Product sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees’ and/or Downstream Releasees’ alleged exposure of persons to the Listed Chemical contained in the Covered Product or any failure by

Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Product.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth in Section 4.0 below are paid in full.

3.0 AMAZONAS' Duties

3.1 AMAZONAS agrees, promises, and represents that, as of the Effective Date, to the extent it manufactures, imports, and/or purchases any Covered Product for sale in California that exceeds 20 parts per billion (“ppb”) of lead, it will provide warnings for such Covered Product that complies with Proposition

65. The warnings shall be provided in a clear and reasonable manner that will assure the warning is likely to be read or seen by the consumer prior to or at the time of sale or purchase. The Parties agree that product labeling stating that “WARNING: This product contains chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm” shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Product for any Covered Product that contains lead in excess of 20 ppb that was manufactured, imported, distributed and/or sold by Releasees or Downstream Releasees after the Effective Date. Covered Products containing less than 20 ppb of the listed Chemical do not require a Proposition 65 warning.

The Parties agree that product labeling that meets the requirements of section 3.1 above, shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Product for any Covered Product in existing inventory that have not been reformulated and were distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.
