28 CASE NO. RG15789395

STIPULATED CONSENT JUDGMENT

Health & Safety Code § 25249.5 *et seq.*

Action Filed: October 14, 2015

Trial Date: None set

29 **1. INTRODUCTION**

30 **1.1** On October 14, 2015, Plaintiff Environmental Research Center, Inc.
31 (“ERC”), a non-profit corporation, as a private enforcer, and in the public interest, initiated this
32 action by filing a Complaint for Injunctive and Declaratory Relief and Civil Penalties (the
33 “Complaint”) pursuant to the provisions of California Health and Safety Code section 25249.5
34 *et seq.* (“Proposition 65”), against Reaction Nutrition, LLC (“Reaction Nutrition”) and Does 1-

1 100. In this action, ERC alleges that a number of products manufactured, distributed or sold
2 by Reaction Nutrition contain lead, a chemical listed under Proposition 65 as a carcinogen and
3 reproductive toxin, and expose consumers to this chemical at a level requiring a Proposition 65
4 warning. These products (referred to hereinafter individually as a “Covered Product” or
5 collectively as “Covered Products”) are: Reaction Nutrition LLC Mass Ularia 4:1; Reaction
6 Nutrition LLC Clean Total Body Cleansing & Detoxification System for Men; Reaction
7 Nutrition LLC Voodoo NS; Reaction Nutrition LLC Triple Threat; Reaction Nutrition LLC
8 Monster; Reaction Nutrition LLC Clean Total Body Cleansing & Detoxification System for
9 Women; Reaction Nutrition LLC Life; and Reaction Nutrition LLC Thyrotropin RF (kit with
10 Reaction Nutrition LLC Thyrotropin RF Kickstart, Reaction Nutrition LLC Thyrotropin RF
11 Revive, and Reaction Nutrition LLC Thyrotropin RF Afterburn).

12 **1.2** ERC and Reaction Nutrition are hereinafter referred to individually as a “Party”
13 or collectively as the “Parties.”

14 **1.3** ERC is a California non-profit corporation dedicated to, among other causes,
15 helping safeguard the public from health hazards by reducing the use and misuse of hazardous
16 and toxic chemicals, facilitating a safe environment for consumers and employees, and
17 encouraging corporate responsibility.

18 **1.4** For purposes of this Consent Judgment, the Parties agree that Reaction Nutrition is
19 a business entity that has employed ten or more persons at all times relevant to this action, and
20 qualifies as a “person in the course of business” within the meaning of Proposition 65. Reaction
21 Nutrition manufactures, distributes and sells the Covered Products.

22 **1.5** The Complaint is based on allegations contained in ERC’s Notice of Violation
23 dated February 13, 2015 that was served on the California Attorney General, other public
24 enforcers, and Reaction Nutrition (“Notice”). A true and correct copy of the Notice is attached
25 as Exhibit A and is hereby incorporated by reference. More than 60 days have passed since the
26 Notice was mailed and uploaded to the Attorney General’s website, and no designated
27 governmental entity has filed a complaint against Reaction Nutrition with regard to the Covered
28 Products or the alleged violations.

1 **1.6** ERC's Notice and Complaint allege that use of the Covered Products exposes
2 persons in California to lead without first providing clear and reasonable warnings in violation
3 of California Health and Safety Code section 25249.6. Reaction Nutrition denies all material
4 allegations contained in the Notice and Complaint.

5 **1.7** The Parties have entered into this Consent Judgment in order to settle,
6 compromise and resolve disputed claims and thus avoid prolonged and costly litigation.
7 Nothing in this Consent Judgment shall constitute or be construed as an admission by any of
8 the Parties, or by any of their respective officers, directors, shareholders, employees, agents,
9 parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers,
10 distributors, wholesalers, or retailers. Except for the representations made above, nothing in
11 this Consent Judgment shall be construed as an admission by the Parties of any fact, issue of
12 law, or violation of law, nor shall compliance with this Consent Judgment be construed as an
13 admission by the Parties of any fact, issue of law, or violation of law, at any time, for any
14 purpose.

15 **1.8** Except as expressly set forth herein, nothing in this Consent Judgment shall
16 prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any
17 other or future legal proceeding unrelated to these proceedings.

18 **1.9** The Effective Date of this Consent Judgment is the date on which it is entered as
19 a Judgment by this Court.

20 **1.10** As a result of ERC's NOV of February 13, 2015, Reaction Nutrition agreed to
21 provide warnings on its products.

22 **2. JURISDICTION AND VENUE**

23 For purposes of this Consent Judgment and any further court action that may become
24 necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter
25 jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction
26 over Reaction Nutrition as to the acts alleged in the Complaint, that venue is proper in Alameda
27 County, and that this Court has jurisdiction to enter this Consent Judgment as a full and final
28 resolution of all claims up through and including the Effective Date which were or could have

1 been asserted in this action based on the facts alleged in the Notice and Complaint.

2 **3. INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS**

3 **3.1** Beginning on the Effective Date, Reaction Nutrition shall be permanently
4 enjoined from manufacturing for sale in the State of California, “Distributing into the State of
5 California”, or directly selling in the State of California, any Covered Product which exposes a
6 person to a “Daily Lead Exposure Level” of more than 0.5 micrograms per day of lead when
7 the maximum suggested dose is taken as directed on the Covered Product’s label, unless it
8 meets the warning requirements under Section 3.2.

9 **3.1.1** As used in this Consent Judgment, the term “Distributing into the State
10 of California” shall mean to directly ship a Covered Product into California for sale in
11 California or to sell a Covered Product to a distributor that Reaction Nutrition knows will sell
12 the Covered Product in California.

13 **3.1.2** For purposes of this Consent Judgment, the “Daily Lead Exposure
14 Level” shall be measured in micrograms, and shall be calculated using the following formula:
15 micrograms of lead per gram of product, multiplied by grams of product per serving of the
16 product (using the largest serving size appearing on the product label), multiplied by servings
17 of the product per day (using the largest number of servings in a recommended dosage
18 appearing on the product label), which equals micrograms of lead exposure per day.

19 **3.2 Clear and Reasonable Warnings**

20 If Reaction Nutrition is required to provide a warning pursuant to Section 3.1, the
21 following warning must be utilized:

22 **WARNING: This product contains [lead], a chemical known to the State of California**
23 **to cause [cancer and] birth defects or other reproductive harm.**

24 The term [lead] is optional. Reaction Nutrition shall use the phrase “cancer and” in the warning
25 only if the maximum daily dose recommended on the label contains more than 15 micrograms of
26 lead as determined pursuant to the quality control methodology set forth in Section 3.4.

27 ///

28 ///

1 The warning shall be securely affixed to or printed upon the container or label of each
2 Covered Product. In addition, for Covered Products sold over Reaction Nutrition’s website, the
3 warning shall appear on Reaction Nutrition’s checkout page on its website for California
4 consumers identifying any Covered Product, and also appear prior to completing checkout on
5 Reaction Nutrition’s website when a California delivery address is indicated for any purchase of
6 any Covered Product.

7 The warning shall be at least the same size as the largest of any other health or safety
8 warnings also appearing on its website or on the label or container of Reaction Nutrition’s product
9 packaging and the word “**WARNING**” shall be in all capital letters and in bold print. No other
10 statements about Proposition 65 or lead may accompany the warning.

11 Reaction Nutrition must display the above warnings with such conspicuousness, as
12 compared with other words, statements, or design of the label or container, as applicable, to render
13 the warning likely to be read and understood by an ordinary individual under customary conditions
14 of purchase or use of the product.

15 **3.3 Reformulated Covered Products**

16 A Reformulated Covered Product is one for which the Daily Lead Exposure Level when
17 the maximum suggested dose is taken as directed on the Reformulated Covered Product’s label,
18 contains no more than 0.5 micrograms of lead per day as determined by the quality control
19 methodology described in Section 3.4.

20 **3.4 Testing and Quality Control Methodology**

21 **3.4.1** Beginning within one year of the Effective Date, Reaction Nutrition shall
22 arrange for lead testing of the Covered Products at least once a year for a minimum of five
23 consecutive years by arranging for testing of five randomly selected samples of each of the
24 Covered Products, in the form intended for sale to the end-user, which Reaction Nutrition
25 intends to sell or is manufacturing for sale in California, directly selling to a consumer in
26 California or “Distributing into California.” The testing requirement does not apply to any of
27 the Covered Products for which Reaction Nutrition has provided the warning specified in
28 Section 3.2. If tests conducted pursuant to this Section demonstrate that no warning is required

1 for a Covered Product during each of five consecutive years, then the testing requirements of
2 this Section will no longer be required as to that Covered Product. However, if during or after
3 the five-year testing period, Reaction Nutrition changes ingredient suppliers for any of the
4 Covered Products and/or reformulates any of the Covered Products, Reaction Nutrition shall
5 test that Covered Product annually for at least four (4) consecutive years after such change is
6 made.

7 **3.4.2** For purposes of measuring the “Daily Lead Exposure Level”, the highest
8 lead detection result of the five (5) randomly selected samples of the Covered Products will be
9 controlling.

10 **3.4.3** All testing pursuant to this Consent Judgment shall be performed using a
11 laboratory method that complies with the performance and quality control factors appropriate
12 for the method used, including limit of detection, qualification, accuracy, and precision that
13 meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry (“ICP-MS”)
14 achieving a limit of quantification of less than or equal to 0.010 mg/kg or any other testing
15 method subsequently agreed to in writing by the Parties.

16 **3.4.4** All testing pursuant to this Consent Judgment shall be performed by an
17 independent third party laboratory certified by the California Environmental Laboratory
18 Accreditation Program or an independent third-party laboratory that is registered with the
19 United States Food & Drug Administration.

20 **3.4.5** Nothing in this Consent Judgment shall limit Reaction Nutrition’s ability
21 to conduct, or require that others conduct, additional testing of the Covered Products, including
22 the raw materials used in their manufacture.

23 **3.4.6** Beginning on the Effective Date and continuing for a period of five
24 years, Reaction Nutrition shall arrange for copies of all laboratory reports with results of testing
25 for lead content under Section 3.4.1 to be automatically sent by the testing laboratory directly
26 to ERC within ten days after completion of the testing. Reaction Nutrition shall retain all test
27 results and documentation for a period of five years from the date of each test.

28 ///

1 **4. SETTLEMENT PAYMENT**

2 **4.1** In full satisfaction of all potential civil penalties, payment in lieu of civil
3 penalties, attorney’s fees, and costs, Reaction Nutrition shall make a total payment of
4 \$50,000.00 (“Total Settlement Amount”) to ERC which shall be made in six (6) payments
5 according to the following schedule:

- 6 a. \$8, 333.33 within 5 days of the Effective Date
- 7 b. \$8,333.33 within 35 days of the Effective Date
- 8 c. \$8,333.33 within 65 days of the Effective Date
- 9 d. \$8,333.33 within 95 days of the Effective Date
- 10 e. \$8,333.33 within 125 days of the Effective Date
- 11 f. \$8,333.35 within 155 days of the Effective Date

12 Reaction Nutrition shall make this payment by wire transfer to ERC’s escrow account, for
13 which ERC will give Reaction Nutrition the necessary account information. The Total
14 Settlement Amount shall be apportioned as follows:

15 **4.2** \$15,596.00 shall be considered a civil penalty pursuant to California Health and
16 Safety Code §25249.7(b)(1). ERC shall remit 75% (\$11,697.00) of the civil penalty to the
17 Office of Environmental Health Hazard Assessment (“OEHHA”) for deposit in the Safe
18 Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety
19 Code §25249.12(c). ERC will retain the remaining 25% (\$3,899.00) of the civil penalty.

20 **4.3** \$4,358.17 shall be distributed to ERC as reimbursement to ERC for reasonable
21 costs incurred in bringing this action.

22 **4.4** \$11,767.96 shall be distributed to ERC in lieu of further civil penalties, for the
23 day-to-day business activities such as (1) continued enforcement of Proposition 65, which
24 includes work, analyzing, researching and testing consumer products that may contain
25 Proposition 65 chemicals, focusing on the same or similar type of ingestible products that are
26 the subject matter of the current action; (2) the continued monitoring of past consent judgments
27 and settlements to ensure companies are in compliance with Proposition 65; and (3) giving a
28

1 donation of \$500.00 to the As You Sow to address reducing toxic chemical exposures in
2 California.

3 **4.5** \$4,185.00 shall be distributed to Michael Freund as reimbursement of ERC's
4 attorney's fees, \$4,075.00 shall be distributed to Ryan Hoffman as reimbursement of ERC's
5 attorney's fees, while \$10,017.87 shall be distributed to ERC for its in-house legal fees.

6 **4.6** In the event that Reaction Nutrition fails to remit any payment owed under
7 Section 4 of this Consent Judgment on or before the due date, Reaction Nutrition shall be
8 deemed to be in material breach of its obligations and all future payments shall become
9 immediately due and payable.

10 **5. MODIFICATION OF CONSENT JUDGMENT**

11 **5.1** This Consent Judgment may be modified only (i) by written stipulation of the
12 Parties or pursuant to Section 5.4 and (ii) upon entry by the Court of a modified consent
13 judgment.

14 **5.2** If Reaction Nutrition seeks to modify this Consent Judgment under Section 5.1,
15 then Reaction Nutrition must provide written notice to ERC of its intent ("Notice of Intent"). If
16 ERC seeks to meet and confer regarding the proposed modification in the Notice of Intent, then
17 ERC must provide written notice to Reaction Nutrition within thirty days of receiving the
18 Notice of Intent. If ERC notifies Reaction Nutrition in a timely manner of ERC's intent to meet
19 and confer, then the Parties shall meet and confer in good faith as required in this Section. The
20 Parties shall meet in person or via telephone within thirty (30) days of ERC's notification of its
21 intent to meet and confer. Within thirty days of such meeting, if ERC disputes the proposed
22 modification, ERC shall provide to Reaction Nutrition a written basis for its position. The
23 Parties shall continue to meet and confer for an additional thirty (30) days in an effort to
24 resolve any remaining disputes. Should it become necessary, the Parties may agree in writing
25 to different deadlines for the meet-and-confer period.

26 **5.3** In the event that Reaction Nutrition initiates or otherwise requests a modification
27 under Section 5.1, and the meet and confer process leads to a joint motion or application of the
28 Consent Judgment, Reaction Nutrition shall reimburse ERC its costs and reasonable attorney's

1 fees for the time spent in the meet-and-confer process and filing and arguing the motion or
2 application.

3 **5.4** Where the meet-and-confer process does not lead to a joint motion or
4 application in support of a modification of the Consent Judgment, then either Party may seek
5 judicial relief on its own. In such a situation, the prevailing Party may seek to recover costs
6 and reasonable attorney’s fees. As used in the preceding sentence, the term “prevailing party”
7 means a party who is successful in obtaining relief more favorable to it than the relief that the
8 other party was amenable to providing during the Parties’ good faith attempt to resolve the
9 dispute that is the subject of the modification.

10 **6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT**
11 **JUDGMENT**

12 **6.1** This Court shall retain jurisdiction of this matter to enforce, modify or terminate
13 this Consent Judgment.

14 **6.2** If ERC alleges that any Covered Product fails to qualify as a Reformulated
15 Covered Product (for which ERC alleges that no warning has been provided), then ERC shall
16 inform Reaction Nutrition in a reasonably prompt manner of its test results, including
17 information sufficient to permit Reaction Nutrition to identify the Covered Products at issue.
18 Reaction Nutrition shall, within thirty days following such notice, provide ERC with testing
19 information, from an independent third-party laboratory meeting the requirements of Sections
20 3.4.1 and 3.4.2, demonstrating Reaction Nutrition’s compliance with the Consent Judgment, if
21 warranted. The Parties shall first attempt to resolve the matter prior to ERC taking any further
22 legal action.

23 **7. APPLICATION OF CONSENT JUDGMENT**

24 This Consent Judgment may apply to, be binding upon, and benefit the Parties and their
25 respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
26 divisions, affiliates, franchisees, licensees, customers (excluding private labelers), distributors,
27 wholesalers, retailers, predecessors, successors, and assigns. This Consent Judgment shall have no
28 application to Covered Products which are distributed or sold exclusively outside the State of

1 California and which are not used by California consumers.

2 **8. BINDING EFFECT, CLAIMS COVERED AND RELEASED**

3 **8.1** This Consent Judgment is a full, final, and binding resolution between ERC, on
4 behalf of itself and in the public interest, and Reaction Nutrition and its respective officers,
5 directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates,
6 suppliers, franchisees, licensees, customers (not including private label customers of Reaction
7 Nutrition), distributors, wholesalers, retailers, and all other upstream and downstream entities
8 in the distribution chain of any Covered Product, and the predecessors, successors and assigns
9 of any of them (collectively, "Released Parties"), from any and all claims, actions, causes of
10 action, suits, demands, liabilities, damages, penalties, fees, costs and expenses asserted, or that
11 could have been asserted from the handling, use, or consumption of the Covered Products, as to
12 any alleged violation of Proposition 65 or its implementing regulations arising from the failure
13 to provide Proposition 65 warnings on the Covered Products regarding lead up to and including
14 the Effective Date.

15 **8.2** ERC on its own behalf only, on one hand, and Reaction Nutrition on its own
16 behalf only, on the other, further waive and release any and all claims they may have against
17 each other for all actions or statements made or undertaken in the course of seeking or opposing
18 enforcement of Proposition 65 in connection with the Notice or Complaint up through and
19 including the Effective Date, provided, however, that nothing in Section 8 shall affect or limit
20 any Party's right to seek to enforce the terms of this Consent Judgment.

21 **8.3** It is possible that other claims not known to the Parties arising out of the facts
22 alleged in the Notice or the Complaint and relating to the Covered Products will develop or be
23 discovered. ERC on behalf of itself only, on one hand, and Reaction Nutrition, on the other
24 hand, acknowledge that this Consent Judgment is expressly intended to cover and include all
25 such claims up through the Effective Date, including all rights of action therefore. ERC and
26 Reaction Nutrition acknowledge that the claims released in Sections 8.1 and 8.2 above may
27 include unknown claims, and nevertheless waive California Civil Code section 1542 as to any
28 such unknown claims. California Civil Code section 1542 reads as follows:

1 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE
2 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER
3 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF
4 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS
5 OR HER SETTLEMENT WITH THE DEBTOR.

6 ERC on behalf of itself only, on the one hand, and Reaction Nutrition, on the other hand,
7 acknowledge and understand the significance and consequences of this specific waiver of
8 California Civil Code section 1542.

9 **8.4** Compliance with the terms of this Consent Judgment shall be deemed to
10 constitute compliance with Proposition 65 by any releasee regarding alleged exposures to lead
11 in the Covered Products as set forth in the Notice and the Complaint.

12 **8.5** Nothing in this Consent Judgment is intended to apply to any occupational or
13 environmental exposures arising under Proposition 65, nor shall it apply to any of Reaction
14 Nutrition's products other than the Covered Products.

15 **9. SEVERABILITY OF UNENFORCEABLE PROVISIONS**

16 In the event that any of the provisions of this Consent Judgment are held by a court to be
17 unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

18 **10. GOVERNING LAW**

19 The terms and conditions of this Consent Judgment shall be governed by and construed in
20 accordance with the laws of the State of California.

21 **11. PROVISION OF NOTICE**

22 All notices required to be given to either Party to this Consent Judgment by the other shall
23 be in writing and sent to the following agents listed below via first-class mail. Courtesy copies via
24 email may also be sent.

20 **12. COURT APPROVAL**

21 **12.1** Upon execution of this Consent Judgment by the Parties, ERC shall notice a
22 Motion for Court Approval. The Parties shall use their best efforts to support entry of this
23 Consent Judgment.

24 **12.2** If the California Attorney General objects to any term in this Consent Judgment,
25 the Parties shall use their best efforts to resolve the concern in a timely manner, and if possible
26 prior to the hearing on the motion.

27 **12.3** If this Stipulated Consent Judgment is not approved by the Court, it shall be
28 void and have no force or effect.

13. EXECUTION AND COUNTERPARTS

This Consent Judgment may be executed in counterparts, which taken together shall be
deemed to constitute one document. A facsimile or .pdf signature shall be construed as valid as
the original signature.

1 **14. DRAFTING**

2 The terms of this Consent Judgment have been reviewed by the respective counsel for each
3 Party prior to its signing, and each Party has had an opportunity to fully discuss the terms and
4 conditions with legal counsel. The Parties agree that, in any subsequent interpretation and
5 construction of this Consent Judgment, no inference, assumption, or presumption shall be drawn,
6 and no provision of this Consent Judgment shall be construed against any Party, based on the fact
7 that one of the Parties and/or one of the Parties' legal counsel prepared and/or drafted all or any
8 portion of the Consent Judgment. It is conclusively presumed that all of the Parties participated
9 equally in the preparation and drafting of this Consent Judgment.

10 **15. GOOD FAITH ATTEMPT TO RESOLVE DISPUTES**

11 If a dispute arises with respect to either Party's compliance with the terms of this Consent
12 Judgment entered by the Court, the Parties shall meet in person or by telephone and endeavor to
13 resolve the dispute in an amicable manner. No action or motion may be filed in the absence of
14 such a good faith attempt to resolve the dispute beforehand. In the event an action or motion is
15 filed, however, the prevailing party may seek to recover costs and reasonable attorney's fees. As
16 used in the preceding sentence, the term "prevailing party" means a party who is successful in
17 obtaining relief more favorable to it than the relief that the other party was amenable to providing
18 during the Parties' good faith attempt to resolve the dispute that is the subject of such enforcement
19 action.

20 **16. ENTIRE AGREEMENT, AUTHORIZATION**

21 **16.1** This Consent Judgment contains the sole and entire agreement and
22 understanding of the Parties with respect to the entire subject matter herein, and any and all
23 prior discussions, negotiations, commitments and understandings related hereto. No
24 representations, oral or otherwise, express or implied, other than those contained herein have
25 been made by any Party. No other agreements, oral or otherwise, unless specifically referred to
26 herein, shall be deemed to exist or to bind any Party.

1 **16.2** Each signatory to this Consent Judgment certifies that he or she is fully
2 authorized by the Party he or she represents to stipulate to this Consent Judgment. Except as
3 explicitly provided herein, each Party shall bear its own fees and costs.

4 **17. REQUEST FOR FINDINGS, APPROVAL OF SETTLEMENT AND ENTRY OF**
5 **CONSENT JUDGMENT**

6 This Consent Judgment has come before the Court upon the request of the Parties. The
7 Parties request the Court to fully review this Consent Judgment and, being fully informed
8 regarding the matters which are the subject of this action, to:

9 (1) Find that the terms and provisions of this Consent Judgment represent a fair and
10 equitable settlement of all matters raised by the allegations of the Complaint, that the matter has
11 been diligently prosecuted, and that the public interest is served by such settlement; and

12 (2) Make the findings pursuant to California Health and Safety Code section
13 25249.7(f)(4), approve the Settlement, and approve this Consent Judgment.

**NOTICE OF VIOLATION OF
CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ.
(PROPOSITION 65)**

Dear Alleged Violator and the Appropriate Public Enforcement Agencies:

I represent Environmental Research Center, Inc. (“ERC”), 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. (619) 500-3090. ERC’s Executive Director is Chris Heptinstall. ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California’s Safe Drinking Water and Toxic Enforcement Act of 1986 (“Proposition 65”), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the products identified below. These violations have occurred and continue to occur because the alleged Violator identified below failed to provide required clear and reasonable warnings with these products. This letter serves as a notice of these violations to the alleged Violator and the appropriate public enforcement agencies. Pursuant to Health and Safety Code Section 25249.7(d), ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

General Information about Proposition 65. A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is enclosed with this letter served to the alleged Violator identified below.

Alleged Violator. The name of the company covered by this notice that violated Proposition 65 (hereinafter the “Violator”) is:

Reaction Nutrition, LLC

Consumer Products and Listed Chemicals. The products that are the subject of this notice and the chemical in those products identified as exceeding allowable levels are:

1. **Reaction Nutrition LLC Mass Ularia 4:1 – Lead**
2. **Reaction Nutrition LLC Clean Total Body Cleansing & Detoxification System for Men – Lead**
3. **Reaction Nutrition LLC Voodoo NS – Lead**
4. **Reaction Nutrition LLC Triple Threat – Lead**
5. **Reaction Nutrition LLC Monster - Lead**
6. **Reaction Nutrition LLC Clean Total Body Cleansing & Detoxification System for Women - Lead**
7. **Reaction Nutrition LLC Life – Lead**
8. **Reaction Nutrition LLC Thyrotropin RF (kit contains the below products) - Lead**
 - a. **Reaction Nutrition LLC Thyrotropin RF Kickstart**
 - b. **Reaction Nutrition LLC Thyrotropin RF Revive**
 - c. **Reaction Nutrition LLC Thyrotropin RF Afterburn – Lead**

Exhibit A

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

Route of Exposure. The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of these products. Consequently, the primary route of exposure to these chemicals has been and continues to be through ingestion, but may have also occurred and may continue to occur through inhalation and/or dermal contact.

Approximate Time Period of Violations. Ongoing violations have occurred every day since at least February 13, 2012, as well as every day since the products were introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until these known toxic chemicals are either removed from or reduced to allowable levels in the products. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product label. The Violator violated Proposition 65 because it failed to provide persons handling and/or using these products with appropriate warnings that they are being exposed to these chemicals.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violator to: (1) reformulate the identified products so as to eliminate further exposures to the identified chemicals, or provide appropriate warnings on the labels of these products; and (2) pay an appropriate civil penalty; and (3) provide clear and reasonable warnings compliant with Proposition 65 to all persons located in California who purchased the above products in the last three years. Such a resolution will prevent further unwarned consumer exposures to the identified chemicals, as well as an expensive and time consuming litigation.

ERC has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violation to my attention at the law office address and telephone number indicated on the letterhead or at rrhoffma@gmail.com.**

Sincerely,

Ryan Hoffman

CERTIFICATE OF MERIT

Re: Environmental Research Center, Inc.'s Notice of Proposition 65 Violations by Reaction Nutrition, LLC

I, Ryan Hoffman, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged that the party identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am an attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemicals that are the subject of the notice.

4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violator will be able to establish any of the affirmative defenses set forth in the statute.

5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: February 13, 2015

APPENDIX A

OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY

THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65): A SUMMARY

The following summary has been prepared by the California Office of Environmental Health Hazard Assessment (OEHHA), the lead agency for the implementation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (commonly known as "Proposition 65"). A copy of this summary must be included as an attachment to any notice of violation served upon an alleged violator of the Act. The summary provides basic information about the provisions of the law, and is intended to serve only as a convenient source of general information. It is not intended to provide authoritative guidance on the meaning or application of the law. The reader is directed to the statute and OEHHA's implementing regulations (see citations below) for further information.

FOR INFORMATION CONCERNING THE BASIS FOR THE ALLEGATIONS IN THE NOTICE RELATED TO YOUR BUSINESS, CONTACT THE PERSON IDENTIFIED ON THE NOTICE.

Proposition 65 appears in California law as Health and Safety Code Sections 25249.5 through 25249.13. The statute is available online at: <http://oehha.ca.gov/prop65/law/P65law72003.html>. Regulations that provide more specific guidance on compliance, and that specify procedures to be followed by the State in carrying out certain aspects of the law, are found in Title 27 of the California Code of Regulations, sections 25102 through 27001.¹ These implementing regulations are available online at: <http://oehha.ca.gov/prop65/law/P65Regs.html>.

WHAT DOES PROPOSITION 65 REQUIRE?

The "Governor's List." Proposition 65 requires the Governor to publish a list of chemicals that are known to the State of California to cause cancer and/or reproductive toxicity. This means that chemicals are placed on the Proposition 65 list if they are known to cause cancer and/or birth defects or other reproductive harm, such as

¹ All further regulatory references are to sections of Title 27 of the California Code of Regulations unless otherwise indicated. The statute, regulations and relevant case law are available on the OEHHA website at: <http://www.oehha.ca.gov/prop65/law/index.html>.

damage to female or male reproductive systems or to the developing fetus. This list must be updated at least once a year. The current Proposition 65 list of chemicals is available on the OEHHA website at:

http://www.oehha.ca.gov/prop65/prop65_list/Newlist.html.

Only those chemicals that are on the list are regulated under this law. Businesses that produce, use, release or otherwise engage in activities involving listed chemicals must comply with the following:

Clear and reasonable warnings. A business is required to warn a person before “knowingly and intentionally” exposing that person to a listed chemical unless an exemption applies; for example, when exposures are sufficiently low (see below). The warning given must be “clear and reasonable.” This means that the warning must: (1) clearly make known that the chemical involved is known to cause cancer, or birth defects or other reproductive harm and (2) be given in such a way that it will effectively reach the person before he or she is exposed. Some exposures are exempt from the warning requirement under certain circumstances discussed below.

Prohibition from discharges into drinking water. A business must not knowingly discharge or release a listed chemical into water or onto land where it passes or probably will pass into a source of drinking water. Some discharges are exempt from this requirement under certain circumstances discussed below.

DOES PROPOSITION 65 PROVIDE ANY EXEMPTIONS?

Yes. You should consult the current version of the statute and regulations (<http://www.oehha.ca.gov/prop65/law/index.html>) to determine all applicable exemptions, the most common of which are the following:

Grace Period. Proposition 65 warning requirements do not apply until 12 months after the chemical has been listed. The Proposition 65 discharge prohibition does not apply to a discharge or release of a chemical that takes place less than 20 months after the listing of the chemical.

Governmental agencies and public water utilities. All agencies of the federal, state or local government, as well as entities operating public water systems, are exempt.

Businesses with nine or fewer employees. Neither the warning requirement nor the discharge prohibition applies to a business that employs a total of nine or fewer employees. This includes all employees, not just those present in California.

Exposures that pose no significant risk of cancer. For chemicals that are listed as known to the State to cause cancer (“carcinogens”), a warning is not required if the business can demonstrate that the exposure occurs at a level that poses “no significant risk.” This means that the exposure is calculated to result in not more than one excess case of cancer in 100,000 individuals exposed over a 70-year lifetime. The Proposition 65 regulations identify specific “No Significant Risk Levels” (NSRLs) for many listed carcinogens. Exposures below these levels are exempt from the warning requirement. See OEHHA’s website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of NSRLs, and Section 25701 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures that will produce no observable reproductive effect at 1,000 times the level in question. For chemicals known to the State to cause reproductive toxicity, a warning is not required if the business can demonstrate that the exposure will produce no observable effect, even at 1,000 times the level in question. In other words, the level of exposure must be below the “no observable effect level” divided by a 1,000. This number is known as the Maximum Allowable Dose Level (MADL). See OEHHA’s website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of MADLs, and Section 25801 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures to Naturally Occurring Chemicals in a Food. Certain exposures to chemicals that occur in foods naturally (i.e., that do not result from any known human activity, including activity by someone other than the person causing the exposure) are exempt from the warning requirements of the law. If the chemical is a contaminant² it must be reduced to the lowest level feasible. Regulations explaining this exemption can be found in Section 25501.

Discharges that do not result in a “significant amount” of the listed chemical entering into any source of drinking water. The prohibition from discharges into drinking water does not apply if the discharger is able to demonstrate that a “significant amount” of the listed chemical has not, does not, or will not pass into or probably pass into a source of drinking water, and that the discharge complies with all other applicable laws, regulations, permits, requirements, or orders. A “significant amount” means any detectable amount, except an amount that would meet the “no significant risk” level for chemicals that cause cancer or that is 1,000 times below the “no observable effect” level for chemicals that cause reproductive toxicity, if an individual were exposed to that amount in drinking water.

² See Section 25501(a)(4)

HOW IS PROPOSITION 65 ENFORCED?

Enforcement is carried out through civil lawsuits. These lawsuits may be brought by the Attorney General, any district attorney, or certain city attorneys. Lawsuits may also be brought by private parties acting in the public interest, but only after providing notice of the alleged violation to the Attorney General, the appropriate district attorney and city attorney, and the business accused of the violation. The notice must provide adequate information to allow the recipient to assess the nature of the alleged violation. The notice must comply with the information and procedural requirements specified in Section 25903 of the regulations and in Title 11, sections 3100-3103. A private party may not pursue an independent enforcement action under Proposition 65 if one of the governmental officials noted above initiates an action within sixty days of the notice.

A business found to be in violation of Proposition 65 is subject to civil penalties of up to \$2,500 per day for each violation. In addition, the business may be ordered by a court to stop committing the violation.
