

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between John Moore, (“Moore”) and Origin Point Brands, LLC (Origin) with Moore and Origin each individually referred to as a “Party” and collectively as the “Parties.” Moore is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances used in consumer products. Origin employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.6, *et seq.* (“Proposition 65”).

### 1.2 General Allegations

Moore alleges that Origin manufactures, sells, and/or distributes for sale without a Proposition 65 warning in California, vinyl/PVC hardware cloth that contain the phthalate chemical di(2-ethylhexyl)phthalate (“DEHP”). DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects and/or other reproductive harm.

### 1.3 Product Description

The products covered by this Settlement Agreement are hardware cloth made with vinyl/PVC containing DEHP, that are manufactured, sold and/or distributed for sale in California by Origin, including, but not limited to, *Garden Zone Green Vinyl Hardware Cloth, Model 272405, UPC #651082272450 and Model 273605, UPC #651082273655* (collectively, “Products”).

#### **1.4 Notice of Violation**

On February 27, 2015, Moore served Origin and certain requisite public enforcement agencies with a “60-Day Notice of Violation” (“Notice”) alleging that Origin violated Proposition 65 when it failed to warn its customers and consumers in California that the Products expose users to DEHP. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

#### **1.5 No Admission**

Origin denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Origin of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Origin of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Origin. This Section shall not, however, diminish or otherwise affect Origin’s obligations, responsibilities, and duties under this Settlement Agreement.

#### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term “Effective Date” shall mean December 16, 2015.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulated Products**

Commencing on December 16, 2015 and continuing hereafter, Origin shall only purchase for sale or manufacture for sale in California, “Reformulated Products.” For purposes of this Settlement Agreement, “Reformulated Products” are Products that contain no more than 1,000 ppm (0.1%) DEHP content in any component analyzed pursuant to EPA testing methodologies 3580A and 8270C, or equivalent methodologies

used by state or federal agencies for purposes of determining DEHP content in a solid substance.

## **2.2 Clear and Reasonable Warnings**

### **2.2.1 Retail Store Sales**

#### **2.2.1.1 Product Labeling**

Origin agrees that as of Effective Date, all Products it sells and/or distributes in California which do not qualify as Reformulated Products, will bear a clear and reasonable warning pursuant to this Section. Origin further agrees that the warning will be prominently placed with such conspicuousness when compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to a Product sold in California and containing the following statement:

**WARNING:** This product contains DEHP, a chemical known to the State of California to cause birth defects and other reproductive harm.

**2.2.1.2 Point-of-Sale Warnings.** Alternatively, Origin may provide warning signs in the form below to retail outlets in California with instructions to post the signs in immediate proximity to the point of display of any and all such Products for the benefit of its customers.

**WARNING:** This product contains DEHP, a chemical known to the State of California to cause birth defects and other reproductive harm.

**2.3** Provided that Origin has complied with Sections 2.1 or 2.2 above, sales of Products that were supplied to unaffiliated third parties prior to the Effective Date are subject to the releases provided in Section 4.1 and shall not be separately actionable against Origin or unaffiliated third parties in another case brought pursuant to Section

25249.7(d) of the Health and Safety Code alleging a failure to warn for DEHP under Proposition 65.

**3. MONETARY SETTLEMENT TERMS**

Pursuant to Health & Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Origin agrees to pay \$5,000.00 in civil penalties. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) and (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”), and the remaining 25% of the penalty amount paid to Moore. Under these legal principles, within five business days of the Effective Date, Origin agrees to pay \$21,000.00 in the form of a check made payable to “The Chanler Group” for all fees and costs incurred investigating, bringing this matter to the attention of Origin’s management, and negotiating a settlement in the public interest.
