

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Russell Brimer (“Brimer”) and Naftali, Inc. (“Naftali”) with Brimer and Naftali each individually referred to as a “Party” and collectively as the “Parties.” Brimer is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances used in consumer products. Naftali employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Brimer alleges that Naftali manufactures, sells, and/or distributes for sale in California luggage tags with vinyl/PVC straps, vinyl/PVC luggage finder straps, vinyl/PVC pouches, vinyl/PVC cords, and vinyl/PVC earbud cords containing di(2-ethylhexyl)phthalate (“DEHP”). DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm. Brimer alleges that Naftali failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP from the luggage tags with vinyl/PVC straps, vinyl/PVC luggage finder straps, vinyl/PVC pouches, vinyl/PVC cords, and vinyl/PVC earbud cords sold in California.

1.3 Product Description

The products that are covered by this Settlement Agreement are luggage tags with vinyl/PVC straps including, but not limited to, the *Miami Carry On I.D. Tag*, UPC #8 58550 00134 9, vinyl/PVC luggage finder straps including, but not limited to, the *easy2pick Wireless Luggage Finder*, UPC #8 58550 00150 9, vinyl/PVC pouches, including, but not limited to the *Miami Carry On 3 in 1 Travel Set (Pouch)*, UPC # 48484 00129 4, and *Miami Carry On Waterproof Pouch*, UPC #8 48484 00110 2, vinyl/PVC

cords, including, but not limited to the *iPlanet Cellular Accessories iPhone 4 Data Cable*, UPC #8 48484 00050 1, and vinyl/PVC earbud cords, including, but not limited to, *iPlanet Cellular Accessories Earbuds*, UPC #8 48484 00151 5 manufactured, sold and/or distributed for sale in California by Naftali (hereinafter the “Products”).

1.4 Notice of Violation

On March 31, 2015, Brimer served Naftali and certain requisite public enforcement agencies with a “60-Day Notice of Violation” (“Notice”) alleging that Naftali violated Proposition 65 when it failed to warn their customers and consumers in California that luggage tags with vinyl/PVC straps expose users to DEHP. On December 1, 2015, Brimer served Naftali and certain other requisite public enforcement agencies with a “Supplemental 60-Day Notice of Violation” (“Supp. Notice”) alleging that Naftali violated Proposition 65 when it failed to warn their customers and consumers in California that the Products expose users to DEHP. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Naftali denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Naftali of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Naftali of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Naftali. This Section shall not, however, diminish or otherwise affect Naftali’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean March 4, 2016.

2. INJUNCTIVE RELIEF: REFORMULATED PRODUCTS

2.1 Reformulation Standards

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining DEHP content in a solid substance.

2.2 Reformulation Commitment

As of the Effective Date all Products manufactured, imported, distributed, sold and/or offered for sale in the State of California by Naftali shall be Products that qualify as Reformulated Products as defined in Section 2.1, or shall carry appropriate health hazard warnings as set forth in Section 2.3.

2.3 Product Warnings

Commencing on or before the Effective Date, Naftali shall provide clear and reasonable warnings as set forth in subsections 2.3(a) for all Products that do not qualify as Reformulated Products. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions *before* purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

(a) Retail Store Sales.

(i) Product Labeling. Naftali shall affix a warning to the packaging, labeling, or directly on each Product provided for sale in retail outlets in California that states:

WARNING: This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.

(ii) Point-of-Sale Warnings. Alternatively, Naftali may provide warning signs in the form below to its customers in California with instructions to post the warnings in close proximity to the point of display of the Products. Such instruction sent to Naftali's customers shall be sent by certified mail, return receipt requested.

WARNING: This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.

Where more than one Product is sold in proximity to other like items or to those that do not require a warning (*e.g.*, Reformulated Products as defined in Section 2.1), the following statement shall be used:¹

WARNING: The following products contain a Chemical, known to the State of California to cause birth defects and other reproductive harm:
[list products for which warning is required]

¹For purposes of the Settlement Agreement, "sold in proximity" shall mean that the Product and another similar product are offered for sale close enough to each other that the consumer, under customary conditions of purchase, could not reasonably determine which of the two products is subject to the warning sign.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payments

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this settlement Naftali agrees to pay \$24,500 in civil penalties. Each penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by Brimer.

3.1.1 Initial Civil Penalty. Within thirty days of the Effective Date, Naftali shall pay an initial civil penalty of \$4,500. Naftali will provide its payment check to “Russell Brimer, Client Trust Account.”

3.1.2 Final Civil Penalty. On December 30, 2016, Naftali shall pay a final civil penalty of \$20,000. The final civil penalty shall be waived in its entirety if, no later than December 15, 2016, an officer of Naftali provide Brimer’s counsel with written certification that, as of the date of its certification, all of the Products it manufactures, imports, distributes, sells, and offers for sale in California are Reformulated Products as defined by Section 2, and that it will continue to only offer Reformulated Products in the future. The option to provide a written certification of reformulation in lieu of making the final civil penalty payment otherwise required by this Agreement is a material term, and time is of the essence. In the event that Naftali does not provide certification pursuant to this Section 3.1.2, Naftali shall issue a check for its final civil penalty payments to: “Russell Brimer, Client Trust Account” in the amount of \$20,000.

3.2 Reimbursement of Brimer’s Attorneys’ Fees and Costs

The parties acknowledge that Brimer and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee reimbursement issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized,

Naftali expressed a desire to resolve the fee and cost issue. The parties then attempted to (and did) reach an accord on the compensation due to Brimer and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure section 1021.5 for all work performed through the mutual execution of this agreement. Naftali shall pay \$25,500 for fees and costs incurred as a result of investigating, bringing this matter to Naftali's attention, and negotiating a settlement. Naftali shall make the check payable to "The Chanler Group" and shall deliver payment within thirty days of the Effective Date, to the address listed in Section 3.3.1(a) below.

3.3 Payment Procedures

3.3.1 Payment Addresses. Payments shall be delivered as follows:

All payments required for Brimer and his counsel under this Settlement Agreement shall be delivered to:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710

4.1 Brimer's Release of Naftali

This Settlement Agreement is a full, final and binding resolution between Brimer and Naftali, of any violation of Proposition 65 that was or could have been asserted by Brimer on behalf of himself and not on behalf of the public, his past and current agents, representatives, attorneys, successors, and/or assignees, against Naftali, its parents, subsidiaries, affiliated entities that are under common ownership, directors, officers, employees, attorneys, and each entity to whom Naftali directly or indirectly distributes or sells Products, including but not limited to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, licensors, and licensees ("Releasees"), based on their failure to warn about alleged exposures to DEHP in

Products that Naftali sold or distributed for sale prior to the Effective Date. This release is provided in Brimer's individual capacity and is not a release on behalf of the public.

In further consideration of the promises and agreements herein contained, Brimer on behalf of himself and not on behalf of the public, his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any right to institute or participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including, without limitation, all actions and causes of action in law and in equity, all suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees, but exclusive of fees and costs on appeal, if any, arising under Proposition 65 with respect to the failure to warn about exposures to DEHP from Products sold or distributed for sale by Naftali before the Effective Date. The releases provided by Brimer under this Settlement Agreement are provided solely on Brimer's behalf and are not releases on behalf of the public.

4.2 Naftali's Release of Brimer

Naftali on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Brimer and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Brimer and his attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

5. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Naftali may provide written notice to Brimer of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
