

SETTLEMENT AGREEMENT
BETWEEN
CONSUMER ADVOCACY GROUP, INC.
AND
GREAT EASTERN SUN TRADING CO.

Consumer Advocacy Group, Inc. (“CAG”) and Great Eastern Sun Trading Co. (hereto referred to as “Great Eastern”), (CAG and Great Eastern collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle CAG’s allegations that Great Eastern violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Great Eastern previously sold, at various times, Roasted and Dried Seaweed including but not limited to Emerald Cove® Organic Pacific Sushi Nori, 10 Sheets Net Wt (0.9oz/ 25g) Imported by Great Eastern Sun, Ashville, NC 28806-1406, E-Mail: customersvc@great-eastern-sun.com (081516) UPC 0 23547 30051 8” (referred to throughout as the “Covered Product(s)”). The Covered Products are limited to those sold by Great Eastern.

1.3 CAG alleges that Covered Products contain Lead and Lead compounds (“LEAD”), and that Great Eastern did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.4 On February 27, 1987, the Governor of California added Lead to the list of chemicals known to the State to cause both cancer and reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added lead and lead compounds to the list of chemicals known to the State to cause cancer. These additions took place more than twenty (20) months before CAG served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

1.5 Lead and lead compounds are referred to hereafter as the “Listed Chemical”.

1.6 On or about June 12, 2015 CAG served, Great Eastern Sun Trading Co. and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding Covered Products containing the Listed Chemical.

1.7 The Sixty-Day Notice (referred to as “Notice”) alleged that Great Eastern and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Listed Chemical.

1.8 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").

1.9 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Great Eastern, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or Great Eastern may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and (a) Great Eastern and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and

assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively referred to as “Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Products manufactured, shipped, and/or otherwise distributed prior to 90 days after the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Products are limited to those sold by Great Eastern.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products sold up to 90 days after the Effective Date, to the extent that such claims relate to Releasees’ and/or Downstream Releasees’ alleged exposure of persons to the

Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth in Section 4.0 below are paid in full.

3.0 Great Eastern's Duties

3.1 Great Eastern agrees, promises, and represents that commencing 90 days after the Effective Date, and continuing thereafter, Great Eastern will manufacture, distribute, sell, or offer for sale in California only (a) Covered Products that are Reformulated Products pursuant to Section 4.2, or (b) Covered

Products that are labeled with a clear and reasonable warning pursuant to Section 4.3. Covered Products subject to such requirement shall include Covered Products in Great Eastern's inventory as of the Effective Date.

3.2 Reformulation Standard. Reformulated Products are those Covered Products for which the level of Listed Chemicals do not exceed 75 parts per billion ("Default Reformulation Standard"). However, in the event that the California Attorney General determines a different reformulation level to be in the public interest, and sets forth guidelines specifying a maximum level for the Listed Chemicals, the Default Reformulation Standard will be superseded by that standard set by the Attorney General's office ("Attorney General Standard"), and the Attorney General Standard will thereafter become the standard for Reformulated Products.

3.3 Clear and Reasonable Warnings. Great Eastern shall provide clear and reasonable warnings on any Covered Products that it manufactures, distributes, sells, or offers for sale in California and that are not Reformulated Products. The warnings shall be provided in such a conspicuously and prominent manner that will ensure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase. The Parties agree that product labeling stating that: "WARNING: This product contains chemicals known to the State of California to cause cancer, and birth defects or other reproductive harm." shall constitute compliance with Proposition 65 with respect to the Listed Chemicals in the Covered Products.

Both checks shall be delivered to: Reuben Yeroushalmi, Yeroushalmi & Yeroushalmi, 9100 Wilshire Boulevard, Suite 240W, Beverly Hills, California 90212.
