

SETTLEMENT AGREEMENT

BETWEEN

CONSUMER ADVOCACY GROUP, INC.

AND

FREDERICK HART COMPANY, INC. AND COMPAC INDUSTRIES, INC.

Consumer Advocacy Group, Inc. (“CAG”) and Frederick Hart Company, Inc. and Compac Industries, Inc. (referred to as “COMPAC”), (CAG and COMPAC collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle CAG’s allegations that COMPAC violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

**1.0 Introduction**

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 COMPAC previously sold, at various times, Gripper Pads, including but not limited to “Mighty Gripper 4 Multi-Purpose Grippers” (UPC #0 72076 13500 9) at various supermarkets and drug stores throughout the State of California (referred to throughout as the “Covered Product”). The Covered Product is limited to those sold by COMPAC only.

1.3 CAG alleges that the Covered Product contain Di Isononyl Phthalate (“DINP”), also known as diisononyl phthalate and that COMPAC did not provide

a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.4 On December 20, 2013, the Governor of California added DINP to the list of chemicals known to the State to cause cancer. These additions took place more than twenty (20) months before CAG served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

1.5 DINP is referred to hereafter as the “Listed Chemical”.

1.6 On or about July 2, 2015 CAG served Frederick Hart Company, Inc. dba Compac Industries, Compac Industries, Inc., Berberian Enterprises Inc. dba Jons Marketplace, Jon’s Marketplace #11 and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding Covered Product containing the Listed Chemical.

1.7 The Sixty-Day Notice (referred to as the “Notice”) alleged that COMPAC and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of the Covered Product exposes persons to the Listed Chemical.

1.8 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Product’s compliance with Proposition 65 (the “Dispute”).

1.9 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by COMPAC, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or COMPAC may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

**2.0 Release**

2.1 This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and (a) COMPAC, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the

Covered Product, including but not limited to distributors, including but not limited to Unified Grocers, Inc., wholesalers, customers, retailers, including but not limited to Jon's Marketplace, franchisees, cooperative members, and licensees ("Downstream Releasees"), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against COMPAC, its Releasees, and its Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Product manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Product is limited to those sold by COMPAC.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against COMPAC, its Releasees, and/or its Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Product sold up to the Effective Date, including without limitation

to the extent that such claims relate to COMPAC, its Releasees' and/or its Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Product or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Product.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth in Section 4.0 et seq. below are paid in full.

2.2 Covenant Not to Sue. As of the Effective Date, CAG, on behalf of itself, and its successors and assignors, hereby represents and irrevocably covenants that it shall not initiate, participate or assist others in any claim, action or legal

proceedings against COMPAC, its Releasees, or its Downstream Releasees for any allegation of violations of Proposition 65 or any statutory or common law claim in connection with the Covered Product, except in regards to enforcement of this Settlement Agreement pursuant to Section 11.0 et seq. below.

### **3.0 COMPAC's Duties**

3.1 COMPAC, promises, and represents that within sixty (60) days from the Effective Date COMPAC shall reformulate any Covered Product manufactured after the Effective Date and offered for sale at supermarkets and drug stores in California to a point where the level of DINP in the Covered Product does not exceed 0.1% by weight or shall cease importing or selling any Covered Product at any supermarkets and drug stores in California.

3.2 COMPAC agrees, promises, and represents that, as of the Effective Date, to the extent it ships or sells any Covered Product in existing inventory that have not been reformulated, it will provide warnings on such Covered Product that comply with Proposition 65. The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase. The Parties agree that product labeling stating that "WARNING: This product contains chemicals known to the State of California to cause cancer." shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Product for any Covered Product in existing

inventory that had not been reformulated and were distributed and/or sold by COMPAC, its Releasees or its Downstream Releasees after the Effective Date.
