

SETTLEMENT AGREEMENT
BETWEEN
CONSUMER ADVOCACY GROUP, INC.
AND
BRITE CONCEPTS, INC.

Consumer Advocacy Group, Inc. (“CAG”) and Brite Concepts, Inc. dba Sehl Productions (“Brite Concepts”), (CAG and Brite Concepts collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle CAG’s allegations that Brite Concepts violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Brite Concepts previously sold, at various times, Drawer Liners, including but not limited to “Refrigerator Drawer Liner Non-Slip Tray Liner 12 x 14”, Item #10290, UPC #6 37118 10290 8”, and Gripper Pads, including but not limited to “OPEN E-Z™ Non-slip gripper pads, 4 Pack, ‘Brite Concepts, Inc.’ UPC: 6 37118 10294 6” (referred to throughout as the “Covered Product(s)”). The Covered Products are limited to those sold by Brite Concepts.

1.3 CAG alleges that Covered Products contain Di Isononyl Phthalate (“DINP”), and that Brite Concepts did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.4 On December 20, 2013, the Governor of California added DINP to the list of chemicals known to the State to cause cancer. This addition took place more than twenty (20) months before CAG served its “Sixty-Day Notices of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

1.5 DINP is referred to hereafter as the “Listed Chemical”.

1.6 On or about August 5, 2015 and November 19, 2015, CAG served Brite Concepts, Inc. and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding Covered Products containing the Listed Chemical.

1.7 The Sixty-Day Notices (referred to as “Notices”) alleged that Brite Concepts and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Listed Chemical.

1.8 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).

1.9 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Brite Concepts, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or Brite Concepts may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and (a) Brite Concepts and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative

members, and licensees (collectively referred to as “Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Products are limited to those sold by Brite Concepts.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products sold up to the Effective Date, to the extent that such claims relate to Releasees’ and/or Downstream Releasees’ alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth in Section 4.0 below are paid in full.

The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase. The Parties agree that product labeling stating that “WARNING: This product contains chemicals known to the State of California to cause cancer, or birth defects, or other reproductive harm” shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for only those Covered Products which were in existing inventory as of the Effective Date that had not been reformulated and were distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.
