- 1.5 "Paint or other Surface Coatings" means a fluid, semi-fluid, or other material, with or without a suspension of finely divided coloring matter, which changes to a solid film when a thin layer is applied to a metal, wood, stone, paper, leather, cloth, plastic, or other surface. This term does not include printing inks or those materials which actually become a part of the substrate, such as the pigment in a plastic article, or those materials which are actually bonded to the substrate, such as by electroplating or ceramic glazing.
- 1.6 "Vendor" means a person or entity that Manufactures, imports, distributes, or supplies a Covered Product to Settling Defendant.

INTRODUCTION 2.

- 2.1 The parties to this Consent Judgment ("Parties") are the Center for Environmental Health ("CEH") and Defendant Hennis International Inc. ("Settling Defendant").
- 2.2 More than 60 days prior to naming Settling Defendant as a defendant in this case, CEH served 60-Day Notices of Violation under Proposition 65 (The Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5, et seq.) (the "Notice") to Settling Defendant, the California Attorney General, the District Attorneys of every County in the State of California, and the City Attorneys for every City in the State of California with a population greater than 750,000. The Notices allege that Settling Defendant violated Proposition 65 by exposing persons to Lead contained in Covered Products without first providing a clear and reasonable Proposition 65 warning.
- 2.3 On December 15, 2015, 2015, CEH filed the action Center for Environmental Health v. Charming Charlie, LLC, et al., Case No. RG 15-765590, in the Superior Court of California for Alameda County. On or about January 13, 2016, CEH named Settling Defendant as a defendant in that action pursuant to California Code of Civil Procedure § 474.
- Settling Defendant manufactures, distributes and/or offers for sale Covered 2.4 Products in the State of California or has done so in the past.
- 2.5 For purposes of this Consent Judgment only, the Parties stipulate that this Court has jurisdiction over the allegations of violations contained in the operative Complaint applicable to Settling Defendant (the "Complaint") and personal jurisdiction over Settling

ON RECYCLED PAPER

Defendant as to the acts alleged in the Complaint, that venue is proper in the County of Alameda, and that this Court has jurisdiction to enter this Consent Judgment.

2.6 Nothing in this Consent Judgment is or shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law or violation of law, nor shall compliance with the Consent Judgment constitute or be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Consent Judgment shall prejudice, waive or impair any right, remedy, argument or defense the Parties may have in any other legal proceeding. This Consent Judgment is the product of negotiation and compromise and is accepted by the Parties for purposes of settling, compromising and resolving issues disputed in this action.

3. INJUNCTIVE RELIEF

- 3.1 **Specification Compliance Date.** To the extent it has not already done so, no more than thirty (30) days after the Effective Date, Settling Defendant shall provide the Lead Limits to its Vendors of Covered Products and shall instruct each Vendor to use reasonable efforts to provide Covered Products that comply with the Lead Limits on a nationwide basis.
- 3.2 **Lead Limits.** Commencing on the Effective Date, Settling Defendant shall not purchase, import, Manufacture, supply to an unaffiliated third party, or sell or offer for sale any Covered Product that will be sold or offered for sale to California consumers that contains a material or is made of a component that exceeds the following Lead Limits:
 - 3.2.1 Paint or other Surface Coatings: 90 parts per million ("ppm").
 - 3.2.2 Polyvinyl chloride ("PVC"): 200 ppm.
 - 3.2.3 All other materials or components other than cubic zirconia (sometimes called cubic zirconium, CZ), crystal, glass or rhinestones: 300 ppm.

For purposes of this Section 3.2, when Settling Defendant's direct customer sells or offers for sale to California consumers a Covered Product after the Effective Date, Settling Defendant is deemed to have "offered for sale to California consumers" that Covered Product.

3.3 **Action Regarding Specific Products.**

- 3.3.1 On or before the Effective Date, Settling Defendant shall cease selling in California the Monroe and Main Braided Belt in Inca Gold, Item No. E655432, PLN No. 6837234 (the "Section 3.3 Product"). On or before the Effective Date, Settling Defendant shall also: (i) cease shipping the Section 3.3 Product to any of its stores and/or customers that resell the Section 3.3 Product in California, and (ii) send instructions to its stores and/or customers that resell the Section 3.3 Product in California instructing them either to: (a) return all of the Section 3.3 Product to Settling Defendant for destruction; or (b) directly destroy the Section 3.3 Product.
- 3.3.2 Any destruction of the Section 3.3 Product shall be in compliance with all applicable laws.
- 3.3.3 Within sixty (60) days of the Effective Date, Settling Defendant shall provide CEH with written certification from Settling Defendant confirming compliance with the requirements of this Section 3.3.

4. ENFORCEMENT

- 4.1 Any Party may, after meeting and conferring, by motion or application for an order to show cause before this Court, enforce the terms and conditions contained in this Consent Judgment. Enforcement of the terms and conditions of Section 3.2 of this Consent Judgment shall be brought exclusively pursuant to Sections 4.2 through 4.3.
- 4.2 **Notice of Violation.** CEH may seek to enforce the requirements of Section 3.2 by issuing a Notice of Violation pursuant to this Section 4.2.
 - 4.2.1 **Service of Notice.** CEH shall serve the Notice of Violation on Settling Defendant within 45 days of the date the alleged violation(s) was or were observed, provided, however, that: (i) CEH may have up to an additional 45 days to provide Settling Defendant with the test data required by Section 4.2.2(d) below if it has not yet obtained it from its laboratory; and (ii) CEH may serve a Notice of Violation to a supplier of a Covered Product so long as: (a) the identity of the supplier cannot be discerned from the labeling of the Covered Product; and (b) the Notice of Violation to the supplier is served

ON RECYCLED PAPER

within 45 days of the date the supplier is identified by CEH.

- 4.2.2 **Supporting Documentation.** The Notice of Violation shall, at a minimum, set forth for each Covered Product: (a) the date(s) the alleged violation(s) was observed, (b) the location at which the Covered Product was offered for sale, (c) a description of the Covered Product giving rise to the alleged violation, and of each material or component that is alleged not to comply with the Lead Limits, including a picture of the Covered Product and all identifying information on tags and labels, and (d) all test data obtained by CEH regarding the Covered Product and related supporting documentation, including all laboratory reports, quality assurance reports and quality control reports associated with testing of the Covered Products. Such Notice of Violation shall be based at least in part upon total acid digest testing performed by an independent accredited laboratory. Wipe, swipe, x-ray fluorescence, and swab testing are not by themselves sufficient to support a Notice of Violation, although any such testing may be used as additional support for a Notice. The Parties agree that the sample Notice of Violation attached hereto as Exhibit A is sufficient in form to satisfy the requirements of subsections (c) and (d) of this Section 4.2.2.
- 4.2.3 Additional Documentation. CEH shall promptly make available for inspection and/or copying upon request by and at the expense of Settling Defendant, all supporting documentation related to the testing of the Covered Products and associated quality control samples, including chain of custody records, all laboratory logbook entries for laboratory receiving, sample preparation, and instrumental analysis, and all printouts from all analytical instruments relating to the testing of Covered Product samples and any and all calibration, quality assurance, and quality control tests performed or relied upon in conjunction with the testing of the Covered Products, obtained by or available to CEH that pertains to the Covered Product's alleged noncompliance with Section 3 and, if available, any exemplars of Covered Products tested.
- 4.2.4 **Multiple Notices.** If Settling Defendant has received more than four Notices of Violation in any 12-month period, at CEH's option, CEH may seek whatever

fines, costs, penalties, or remedies are provided by law for failure to comply with the Consent Judgment. For purposes of determining the number of Notices of Violation pursuant to this Section 4.2.4, the following shall be excluded:

- (a) Multiple notices identifying Covered Products Manufactured for or sold to Settling Defendant from the same Vendor; and
- (b) A Notice of Violation that meets one or more of the conditions of Section 4.3.3(c).
- 4.3 **Notice of Election.** Within thirty (30) days of receiving a Notice of Violation pursuant to Section 4.2, including the test data required pursuant to 4.2.2(d), Settling Defendant shall provide written notice to CEH stating whether it elects to contest the allegations contained in the Notice of Violation ("Notice of Election"). Failure to provide a Notice of Election shall be deemed an election to contest the Notice of Violation. Any contributions to the Fashion Accessory Testing Fund required under this Section 4.3 shall be made payable to The Center for Environmental Health and included with Settling Defendant's Notice of Election.
 - 4.3.1 Contested Notices. If the Notice of Violation is contested, the Notice of Election shall include all then-available documentary evidence regarding the alleged violation, including any test data. Within thirty (30) days the parties shall meet and confer to attempt to resolve their dispute. Should such attempts at meeting and conferring fail, CEH may file an enforcement motion or application pursuant to Section 4.1. If Settling Defendant withdraws its Notice of Election to contest the Notice of Violation before any motion concerning the violations alleged in the Notice of Violation is filed pursuant to Section 4.1, Settling Defendant shall make a contribution to the Proposition 65 Fashion Accessory Testing Fund in the amount of \$12,500 and shall comply with all of the non-monetary provisions of Section 4.3.2. If, at any time prior to reaching an agreement or obtaining a decision from the Court, CEH or Settling Defendant acquires additional test or other data regarding the alleged violation, it shall promptly provide all such data or information to the other Party.
 - 4.3.2 **Non-Contested Notices.** If the Notice of Violation is not contested,

Settling Defendant shall include in its Notice of Election a detailed description of corrective action that it has undertaken or proposes to undertake to address the alleged violation. Any such correction shall, at a minimum, provide reasonable assurance that the Covered Product will no longer be offered by Settling Defendant or its customers for sale in California. If there is a dispute over the sufficiency of the proposed corrective action or its implementation, CEH shall promptly notify Settling Defendant and the Parties shall meet and confer before seeking the intervention of the Court to resolve the dispute. In addition to the corrective action, Settling Defendant shall make a contribution to the Fashion Accessory Testing Fund in the amount of \$10,000, unless one of the provisions of Section 4.3.3 applies.

4.3.3 Limitations in Non-Contested Matters.

- (a) If it elects not to contest a Notice of Violation before any motion concerning the violation(s) at issue has been filed, the monetary liability of Settling Defendant shall be limited to the contributions required by Section 4.3.2 and this Section 4.3.3, if any.
- (b) If more than one Settling Defendant has manufactured, sold, offered for sale or distributed a Covered Product identified in a non-contested Notice of Violation, only one required contribution may be assessed against all Settling Defendants as to the noticed Covered Product.
 - (c) The contribution to the Fashion Accessory Testing Fund shall be:
 - (i) One thousand seven hundred fifty dollars (\$1,750) if Settling
 Defendant, prior to receiving and accepting for distribution or sale the
 Covered Product identified in the Notice of Violation, obtained test results
 demonstrating that all of the materials or components in the Covered
 Product identified in the Notice of Violation complied with the applicable
 Lead Limits, and further provided that such test results meet the same
 quality criteria to support a Notice of Violation as set forth in Section 4.2.2
 and that the testing was performed within two years prior to the date of the

sales transaction on which the Notice of Violation is based. Settling
Defendant shall provide copies of such test results and supporting
documentation to CEH with its Notice of Election; or

- (ii) One thousand five hundred dollars (\$1,500) if Settling
 Defendant is in violation of Section 3.2 only insofar as that Section deems
 Settling Defendant to have "offered for sale to California consumers" a
 product sold at retail by Settling Defendant's customer, provided however,
 that no contribution is required or payable if Settling Defendant has already
 been required to pay a total of ten thousand dollars (\$10,000) pursuant to
 this subsection. This subsection shall apply only to Covered Products that
 Settling Defendant demonstrates were shipped prior to the Effective Date;
 or
- (iii) Not required or payable, if the Notice of Violation identifies the same Covered Product or Covered Products, differing only in size or color, that have been the subject of another Notice of Violation within the preceding 12 months.

5. PAYMENTS

- 5.1 **Payments by Settling Defendant.** Within five (5) business days of the Effective Date, Settling Defendant shall pay the total sum of \$65,000 as a settlement payment.
