

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between C&T Publishing, Inc. ("C&T") and Peter Englander ("Englander"), with Englander and C&T collectively referred to as the "Parties." Englander is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. C&T employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6 *et seq.* ("Proposition 65").

1.2 General Allegations

Englander alleges that C&T has manufactured, distributed and/or sold in the State of California bags with vinyl/PVC components containing concentrations of di(2-ethylhexyl)phthalate ("DEHP") above the allowable state limits without the requisite Proposition 65 warning. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3 Product Description

The "Products" that are covered by this Settlement Agreement are defined bags with vinyl/PVC components containing DEHP including, but not limited to, *Artful Fiber A Mixed Pack of Fibers & Surfaces, #20174, UPC #7 34817 20174 8, SBN 978-1-60705-589-1*, manufactured, imported and/or distributed for sale in the State of California by C&T.

1.4 Notice of Violation

On or about September 24, 2015, Englander served C&T and various public enforcement agencies with a "60-Day Notice of Violation" (the "Notice") that provided the recipients with notice of alleged violations of Proposition 65 based on C&T's failure to warn consumers that the Products exposed users in the State of California to DEHP. To the best of the Parties' knowledge, no public enforcer has prosecuted the allegations set forth in the Notice.

1.5 No Admission

C&T denies all factual and legal allegations contained in Englander's Notice, and maintains that all of the products that it has sold and/or offered for sale in the State of California, including the Products, have been and are in compliance with all federal, state, or local laws. Nothing in this Settlement Agreement shall be construed as an admission by C&T of any fact, finding, conclusion of law, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by C&T of any fact, finding, conclusion of law, issue of law or violation of law. However, this Section shall not diminish or otherwise affect C&T's obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is signed by all Parties.

2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION STANDARD

2.1 Reformulation Products

As of the Effective Date, all Products manufactured or imported for sale in California shall be Reformulated Products. Reformulated Products are defined as Products containing concentrations of less than 0.1 percent (1000 parts per million) of DEHP, butyl benzyl phthalate ("BBP"), di-n-butyl ("DBP"), Di-isodecyl phthalate ("DIDP"), and Diisononyl phthalate ("DINP"), and Di-n-hexyl phthalate ("DnHP") in each accessible component when analyzed by a laboratory accredited by the State of California, a federal agency, NVLAP (National Volunteer Laboratory Accreditation Program), American Association for Lab Accreditation (A2LA), ANSI-ASQ National Accreditation Board (ANAB) – ACLASS brand (an ANAB company), International Accreditation Service, Inc. (IAS), Laboratory Accreditation Bureau (L-A-B), Perry Johnson Laboratory Accreditation, Inc. (PJLA), International Laboratory Accreditation Cooperation (ILAC), or similar nationally recognized accrediting organization pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or equivalent methodologies utilized by federal or state agencies for the purpose of determining phthalate

content in a solid substance. By entering into this Settlement Agreement, the Parties do not intend to expand or restrict any obligations or responsibilities that may be imposed upon C&T by laws other than Proposition 65, nor do the Parties intend this Settlement Agreement to affect any defenses available to C&T under laws other than Proposition 65.

2.2 Vendor Notification Requirement

To the extent it has not already done so, on the Effective Date, C&T shall provide the reformulation standard specified in Section 2.1 to each of its then-current Vendors of Products and vinyl/PVC components of the Products that will be sold or offered for sale to California citizens and shall instruct each Vendor to use reasonable efforts to provide Products and vinyl/PVC components of the Products that comply with the reformulation standard for Reformulated Products in Section 2.1 above. For purposes of this Settlement Agreement, the term "Vendor(s)" means a person or entity that manufactures, imports, distributes, sells, or otherwise supplies the Products or vinyl/PVC component parts of the Products to C&T, its parents, assignees, subsidiaries and/or affiliated entities under common ownership.

2.3 Warnings Required: Product Labeling

Commencing on the Effective Date, for all Products distributed, shipped, sold or offered for sale in California by C&T other than Reformulated Products, C&T shall provide clear and reasonable warnings that state:

WARNING: The vinyl in this product contains DEHP, a phthalate chemical known to the State of California to cause birth defects or other reproductive harm.

C&T may affix, or cause to be affixed, this warning to the packaging, labeling or directly on any Products that are not Reformulated Products which are sold or offered for sale within the State of California. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which

specific Product(s) the warning applies, so as to minimize the risk of consumer confusion. C&T shall also provide this warning to consumers who use its website on the page displaying the Products in conspicuous type.

2.3 Customer Notification for Products No Longer in a C&T's Control

To the extent is has not already done so, no later than 30 days after the Effective Date, C&T shall send a letter, electronic or otherwise ("Notification Letter") to each California Customer to which it, after September 24, 2014, sold Products in California. The Notification Letter shall advise the recipient that the vinyl portion of the Products "contains DEHP, a chemical known to the State of California to cause birth defects or other reproductive harm," and advise the recipient that they may return, at C&T's sole expense, all units of the Products. C&T shall maintain records of all correspondence or other communications generated pursuant to this Section for one year after the Effective Date and shall promptly produce copies of such records upon Englander's reasonable written request.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, C&T shall pay a total of \$1,500 within five (5) days of the Effective Date in one check made payable as follows: "Peter Englander, Client Trust Account". C&T shall be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing under this Section that are not received within two business days of the due date. Each penalty payment will be allocated by Englander in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the funds being remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty being retained by Englander.

3.1 Representations

C&T represents that the sales data and other information concerning its Product sales information, knowledge of DEHP, prior reformulation and/or warning efforts, that it provided to Englander in negotiating this Settlement Agreement was truthful to its knowledge at the time of execution of this Settlement Agreement and a material factor upon which Englander relied to

determine the amount of civil penalties assessed pursuant to Health & Safety Code § 25249.7. If, within twelve months of the Effective Date, Englander discovers and presents to C&T, evidence demonstrating that the preceding representation and warranty was materially inaccurate, then C&T shall have 30 days to meet and confer regarding Englander's contention. Should this 30 day period pass without any such resolution between Englander and C&T, Englander shall be entitled to file a formal legal claim including, but not limited to, a claim for damages for breach of contract.

3.2 Reimbursement of Fees and Costs

The parties acknowledge that Englander and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. Englander then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The parties then attempted to (and did) reach an accord on the compensation due to Englander and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. C&T shall pay 19,500 in three equal installments for fees and costs incurred as a result of investigating, bringing this matter to C&T's attention, and negotiating and reporting a settlement in the public interest. C&T shall tender a check for each installment payable to "The Chanler Group," the first installment within five (5) days of the Effective Date, the second installment within 30 days of the Effective Date, and the third installment within 60 days of the Effective Date. C&T shall be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing under this Section that are not received within two business days of the due date.

3.3 Payment Procedures

All payments pursuant to Sections 3.1 and 3.2, shall be delivered to the following payment address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710

4. RELEASE OF ALL CLAIMS

4.1 Englander's Release of C&T

This Settlement Agreement is a full, final, and binding resolution between Englander and C&T of any violation of Proposition 65 that was or could have been asserted by Englander on behalf of himself as an individual and not on behalf of the public, his past and current agents, representatives, attorneys, successors and/or assignees, against C&T, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys and each entity to whom C&T directly or indirectly distributes or sells the Products including, but not limited to, downstream distributors, wholesalers, customers, franchisees, cooperative members, licensees and retailers, including Aaron Brothers, Inc., The Michaels Companies, Inc., and Michaels Stores, Inc. ("Releasees"), based on the alleged failure to warn about potential exposures to DEHP contained in the Products sold and/or offered for sale by C&T in the State of California before the Effective Date as set forth in the Notice.

In further consideration of the promises and agreements herein contained, Englander on behalf of himself as an individual and not on behalf of the public, his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that he may have against C&T and Releasees, including, without limitation, all actions, causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not limited to, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP, BBP, DBP, DIDP, DINP, and DnHP in the Products sold and/or offered for sale by C&T before the Effective Date.

4.2 C&T's Release of Englander

C&T waives any and all claims against Englander, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Englander and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter and/or with respect to the Products.

5. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, DEHP, BBP, DBP, DIDP, DINP and/or DnHP, then C&T shall provide written notice to Englander of any asserted change in the law, and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
