

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Peter Englander (“Englander”) and Waldom Electronics Corporation (“Waldom”), with Englander and Waldom each individually referred to as a “Party” and collectively as the “Parties.” Englander is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances used in consumer products. Englander alleges that Waldom employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Englander alleges that Waldom manufactures, sells, and/or distributes for sale in California, vinyl/PVC tool pouches containing di(2-ethylhexyl)phthalate (“DEHP”). DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm. Englander alleges that Waldom failed to provide the health hazard warning allegedly required by Proposition 65 for exposures to DEHP from vinyl/PVC tool pouches.

1.3 Product Description

The products that are covered by this Settlement Agreement are vinyl/PVC tool pouches containing DEHP, including, but not limited to the *GC Electronics Top 12 Alignment Tool & Service Aid Kit, Part Number 5040 (UPC# 0 10151 14117 0)*, manufactured, sold or distributed for sale in California by Waldom (“Products”).

1.4 Notice of Violation

On or about September 24, 2015, Englander served Waldom and certain requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that

Waldom violated Proposition 65 when it failed to warn its customers and consumers in California that its Products expose users to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Waldom denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products subject to Mr. Englander's Notice, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Waldom of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Waldom of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Waldom. However, this Section shall not diminish or otherwise affect Waldom's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean March 4, 2016.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Commitment

On or before March 4, 2016 and continuing thereafter, Waldom agrees to only manufacture for sale or purchase for sale in or into California, "Reformulated Products". For purposes of this Settlement Agreement, "Reformulated Products" are Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining DEHP content in a solid substance.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Waldom agrees to pay \$4,000.00 in civil penalties. On or before the Effective Date, Waldom shall pay the civil penalty in the amount of \$4,000.00. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Englander, and delivered to the address in Section 3.3 herein. 3.2 Attorneys’ Fees and Costs

The Parties reached an accord on the compensation due to Englander and his counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Waldom agrees to pay \$22,500.00 to Englander and his counsel for all fees and costs incurred investigating, bringing this matter to the attention of Waldom’s management, and negotiating a settlement that provides a significant public benefit. Waldom’s payment shall be due on the Effective Date, and delivered to the address in Section 3.3 in the form of a check payable to “The Chanler Group.”
