

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Agreement”) between Environmental Research Center, Inc. (“ERC”) and Energetix Corporation (“Energetix”) is effective on the date on which it is fully executed (“Effective Date”). ERC and Energetix are referred to individually as a “Party” and collectively as the “Parties.” The Parties agree as follows:

1. This Agreement is intended to fully resolve all claims, demands, and allegations set forth in or related to the Notice of Violation of California Health & Safety Code §25249.5, *et seq.* (also known as “Proposition 65”) that ERC served on Energetix on October 16, 2015 (the “Notice”) with regard to each of the following products identified below (referred to individually as “Covered Product” or collectively as “Covered Products”):

- **Energetix Corp. XenoForce**
- **Energetix Corp. Pure Body Clear**
- **Energetix Corp. Catalyst-U**
- **Energetix Corp. Catalyst-7**
- **Energetix Corp. BioNutrient Multi**

2. The Parties enter into this Agreement in order to achieve a settlement of the claims as stated in Section 1 (collectively “this Matter”) and for the purpose of avoiding prolonged litigation. Nothing in this Agreement shall be construed as an admission of the Parties of any fact, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by the Parties of any fact, issue of law or violation of law. Energetix denies the claims asserted in the Notice and denies that the Covered Products require warnings under Proposition 65. Nothing in this Agreement or any document referred to herein shall be construed as giving rise to any presumption or inference of admission or concession by the Parties as to any fault, wrongdoing or liability. This Section shall not diminish or otherwise affect the obligations, responsibilities, and duties of the Parties under this Agreement.

3. In consideration of the following covenants of Energetix, and the other conditions contained in this Agreement, ERC releases Energetix as set forth in Section 6 below:

a. Beginning on the Effective Date, Energetix shall not manufacture for sale in the State of California, “Distribute into the State of California”, or directly sell in the State of California, any Covered Product which exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead per day when the maximum suggested dose is taken as directed on the Covered Product’s label, unless each such unit of the Covered Product bears the following warning statement on its individual unit label packaging or by sticker securely affixed on the container or bottle cap:

“WARNING: This product contains [lead,] a chemical known to the State of California to cause [cancer and] birth defects or other reproductive harm.”

Initials

i. As used in this Settlement Agreement and Release, the term "Distribute into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Energetix knows will sell the Covered Product in California.

ii. For the purposes of this Agreement, "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in a recommended dosage appearing on the product label), which equals micrograms of lead exposure per day.

iii. The terms in brackets are optional; however the phrase "cancer and" must be included in the warning only if the maximum recommended daily dose causes an exposure to more than 15 micrograms of lead when taken as directed on the Covered Product's label.

b. The warning statement set forth in Section 3a. shall be prominent and displayed securely on either the cap, the unit packaging, or by a sticker securely affixed to the Covered Products with such conspicuousness, as compared with other words, statements, or designs so as to render it likely to be read and understood by an ordinary individual purchasing or using the Covered Products. The warning appearing on the label or container shall be at least the same size as the largest of any other health or safety warnings correspondingly appearing on the label or container, as applicable, or such product, and the word "**WARNING**" shall be in capital letters and in bold print. No statements contradicting or conflicting with the Warning shall accompany the Warning.

c. If Energetix is successful with reformulation for any of the Covered Products which reduces the Daily Lead Exposure Level to 0.5 micrograms of lead or below when taken pursuant to the maximum suggested dose as directed on the Covered Product's label, the Parties agree that the Covered Products may be offered for sale in California without the warning stated in Section 3a. If Energetix is successful with reformulation on any of the Covered Products, Energetix shall notify ERC and provide any test results for the Covered Products that document this change in formulation, no longer than 10 working days after Energetix receives the test results and prior to Energetix manufacturing for sale in the State of California, or directly selling in the State of California, any Covered Products without the warning set forth in section 3a.

i. Pursuant to Section 3c., any such testing shall be performed by an independent third-party laboratory certified by the California Environmental Laboratory Accreditation Program or an independent third-party laboratory that is registered with the United States Food & Drug Administration. The method of selecting samples for testing must comply with the regulations of the Food & Drug Administration as set forth in Title 21, Part 111, Subpart E of the Code of Federal Regulations, including Section 111.80(c).

Initials

Handwritten initials in black ink, appearing to be 'CB' and 'J'.

Testing for lead shall be performed using Inductively Coupled Plasma-Mass Spectrometry (ICP-MS) achieving a limit of quantification of less than or equal to 0.010 mg/kg or any other testing method agreed upon in writing by the Parties. Nothing in this Agreement shall limit Energetix's ability to conduct or require that others conduct additional testing of the Covered Products, including raw materials used in their manufacture.

4. In full satisfaction of all potential civil penalties, payment in lieu of civil penalties, attorney's fees, and costs, Energetix shall make a total settlement payment of \$42,500.00 ("Total Settlement Payment") by wire transfer to ERC's escrow account within 5 days of the Effective Date ("Due Date"), for which ERC will give Energetix the necessary account information. The Total Settlement Payment shall be allocated as follows:

a. \$10,300.00 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$7,725.00) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$2,575.00) of the civil penalty.

b. \$2,238.25 shall be considered a reimbursement to ERC for its costs incurred as a result of bringing this Matter to Energetix's attention and negotiating a settlement.

c. \$15,452.82 shall be considered payment in lieu of civil penalties, for day-to-day business activities such as (1) continued enforcement of Proposition 65, which includes work, analyzing, researching and testing consumer products that may contain Proposition 65 chemicals, focusing on the same or similar type of ingestible products that are the subject of this Matter; and (2) the continued monitoring of past consent judgments and settlements to ensure companies are in compliance with Proposition 65.

d. \$6,487.50 shall be considered reimbursement of attorney fees for Aeris Terra Aeris Law Group, and \$8,021.43 shall be considered reimbursement for ERC's in-house legal fees.

e. In the event that Energetix fails to remit the Total Settlement Payment owed under Section 4 of this Settlement Agreement on or before the Due Date, Energetix shall be deemed to be in material breach of its obligations under this Agreement.

5. Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys' fees related to this Matter.

6. Binding Effect; Claims Covered and Released

a. ERC, on behalf of itself and its respective owners, principals, shareholders, officers, directors, employees, agents, affiliates under common ownership of ERC, parents,

Initials

subsidiaries, servants, administrators, successors, assigns, and legal representatives fully releases and discharges Energetix, its owners, principals, shareholders, officers, directors, employees, agents, parents, subsidiaries, affiliates (including those companies that are under common ownership and/or common control), successors, assigns, and legal representatives, but not including private label customers of Energetix (collectively referred to as "Covered Releasees") from any and all claims, actions, suits, demands, liabilities, damages, penalties, fees, costs and expenses (collectively, "Claims") asserted or that could have been asserted for alleged violations of Proposition 65, or any other statutory or common law up through and including the Effective Date based on failure to provide warnings for alleged exposure to lead, or for causing alleged exposure to lead, from the Covered Products.

b. It is possible that other Claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. ERC on behalf of itself only and Energetix acknowledges that this Agreement is expressly intended to cover and include all such Claims up through and including the Effective Date, including all rights of action therefore, and further acknowledge that the claims released this section may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

ERC (on behalf of itself only) and Energetix acknowledge and understand the significance and consequences of this specific waiver of California Civil Code Section 1542.

7. As to ERC's interests only, compliance with the requirements of Section 3 of this Agreement shall be deemed to constitute compliance by any Covered Releasee with Proposition 65 with respect to any lead in the Covered Products.

8. ERC, on its own behalf, on one hand, and Energetix, on the other hand, release and waive any claims they may have against each other, and their shareholders, officers, directors, members, managers, employees, agents, representatives, and attorneys for all actions or statements made or undertaken by the Covered Releasees in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notice up through the Effective Date.

9. Nothing in this Release is intended to apply to any occupational or environmental exposures arising under Proposition 65, except as otherwise provided in this agreement, nor shall it apply to any of Energetix's products other than the Covered Products.

Initials

10. Nothing herein shall be construed as diminishing Energetix's continuing obligations to comply with Proposition 65.

11. After executing this Agreement, ERC will submit to the California Attorney General a Report of Settlement. In addition, ERC will provide to the California Attorney General a signed copy of this Agreement. The Parties acknowledge and agree that the Parties shall provide as much information as is reasonably requested by the California Attorney General, or any other governmental agency, regarding this Matter, the Parties' settlement, and this Agreement, consistent with applicable privileges and protections.

12. This Agreement contains the entire agreement between the Parties with regard to settlement of this Matter, and supersedes all prior or contemporaneous agreements or understandings, written or oral, with regard to the matters set forth in this Agreement. This Agreement may be amended or modified in whole or in part at any time only by an agreement in writing executed by the Parties.

13. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective owners, principals, shareholders, members, managers, affiliates under common ownership of each Party, officers, directors, employees, agents, servants, successors, and assigns.

14. No inference, assumption or presumption shall be drawn, and no provision of this Agreement shall be construed against any of the Parties, based upon the fact that one of the Parties and/or one of the Parties' attorneys prepared and/or drafted all or any portion of this Agreement. It is conclusively presumed that the Parties participated equally in the preparation and drafting of this Agreement.

15. If any provision, term, or section of this Agreement is found to be invalid, illegal, or unenforceable, then all remaining provisions, terms, or sections shall continue in full force and effect and remain binding on the Parties. If any provision, term, or section of this Agreement is determined to be unenforceable, then such provision, term, or section may be modified so that the unenforceable provision, term, or section is enforceable to the greatest extent possible.

16. This Agreement shall be deemed to have been entered into in the State of California, and governed and interpreted by the laws of the State of California, regardless of the physical locations of the individuals executing this Agreement at the time of execution.

17. The Parties acknowledge that they have a right to consult an attorney and they have consulted their attorneys with respect to the terms and conditions of this Agreement or by signing this Agreement hereby acknowledge they have made the decision not to consult with an attorney in this Matter. The Parties further acknowledge that they fully understand this Agreement and the effect of signing and executing this Agreement.

18. The Parties are aware and acknowledge that this Agreement is an out-of-court settlement and that they will not receive the protections afforded by a court-approved consent judgment. The Parties are entering into this Agreement in good faith and in an effort to settle all claims and

Initials

allegations related to the Notice, and this Agreement applies only to the claims made by ERC and to the products identified in the Notice.

19. Any legal action to enforce this Agreement shall be brought in the county of Alameda of the State of California. Provided the requirements of California Code of Civil Procedure section 1021.5 are met, ERC shall be entitled to recover its reasonable attorneys' fees that are necessary and required to enforce the agreement, in addition to any other legally recoverable costs.

20. This Agreement may be signed in counterparts, and each counterpart, as well as any facsimile, e-mail, copy of this Agreement, or any other counterpart, shall be deemed to be an original.

21. Each of the individuals who execute this Agreement represents and warrants they have the authority to execute this document and bind the respective Parties to the terms and conditions of this Agreement, and have read, understand, and agree to all the terms and conditions in this Agreement.
