

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1 Ecological Alliance, LLC and Continental Automotive Systems, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Continental Automotive Systems, Inc. (“Continental”), with Ecological and Continental collectively referred to as the “Parties.” Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that Continental is a company in the course of doing business for purposes of Proposition 65.

1.2 General Allegations

Ecological alleges that Continental distributed and/or sold in the State of California Temperature Senders containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as Temperature Senders manufactured, distributed and/or sold by Continental containing lead. All such items shall be referred to herein as the “Products.”

1.4 Notice of Violation

On February 3, 2016 Ecological served Continental; Genuine Parts Company, and all

public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided Continental and such public enforcers with notice that alleged that Continental was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products could potentially expose users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission

Continental denies the material factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and/or distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by Continental of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Continental of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Continental. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Continental under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean 90 days after the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION

2.1 Warning

Products shall be accompanied by a warning as described in Section 2.2 below. The warning requirements set forth in Section 2.3 below shall apply only to Products that Continental or a supplier of Continental manufactures after the Effective Date that are

distributed, marketed, sold or shipped for sale into the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce or manufactured prior to the Effective Date.

2.2 Warning Language

In accordance with paragraph 2.1, Continental shall provide Proposition 65 warnings as follows:

- (a) Continental may use the following warning statement:
 - (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
Wash hands with soap and water after handling this Product
- (b) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations. Continental may also replace the term “chemical” with “lead” if Continental desires to do so.
- (c) If Proposition 65 warnings for lead should no longer be required, Continental shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Continental shall pay a total of One Thousand Dollars (\$1,000) in civil penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to Ecological.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Continental shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Continental's attention. Continental shall pay Ecological's counsel Nine Thousand Dollars (\$9,000) for all attorneys' fees, expert and investigation fees, and any and all related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

By May 16, 2016, Continental shall make a total payment of Ten Thousand Dollars (\$10,000) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

6. RELEASE OF ALL CLAIMS

6.1 Release of Continental and Downstream Customers

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, and acting in the public interest hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases any and all claims relating to the Products, including, without

limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against the past, present and future forms of Continental, Genuine Parts Company, and each of its downstream distributors, wholesalers, licensors, licensees, auctioneers, retailers, franchisees, dealers, customers, owners, purchasers, users, parent companies, corporate affiliates and subsidiaries, and their respective officers, directors, stockholders, attorneys, representatives, shareholders, agents, servants, and employees, and the predecessors, successors-in-interest and assigns of each (collectively "Releases").

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Continental, Genuine Parts Company, and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any

and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the matters covered by this Settlement Agreement.

6.2 Continental's Release of Ecological

Continental waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Continental shall have no further obligations pursuant to this Settlement Agreement.

8. CONFIDENTIALITY

Ecological agrees that it shall not use the existence or any terms of this Settlement Agreement for purposes of marketing, advertising, or any other similar public purpose, and shall not discuss the existence or terms of this Settlement Agreement.
