

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1 Ecological Alliance, LLC and Do it Best Corp.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Do it Best Corp. (“DIB”), on the other hand, with Ecological and DIB collectively referred to as the “Parties.” Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that DIB is a company in the course of doing business for purposes of Proposition 65. By execution of this Settlement Agreement, the Parties and their attorneys agree they shall not communicate or direct another to communicate with anyone associated with any media or publication entities concerning the terms and conditions of this Settlement Agreement. This provision is not intended to prevent disclosures that may be necessary to effectuate its terms, including, but not limited to, Section 3 of this Settlement Agreement requiring Ecological to report the Settlement Agreement to the Attorney General’s Office or by DIB as required by the rules or regulations of any governmental entity or agency.

1.2 General Allegations

Ecological alleges that DIB distributed and/or sold in the State of California Anti-Siphon Breakers containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as the Do it Best® Anti-Siphon Breakers identified in the Notice referenced in Section 1.4 of this Agreement and that DIB has sold, offered for sale or distributed whether directly or indirectly that contain brass. All such items shall be referred to herein as the “Products.”

1.4 Notice of Violation

On February 4, 2016 Ecological served DIB and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided DIB and such public enforcers with notice that alleged that DIB was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission

DIB denies the material, factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by DIB of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by DIB of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by DIB. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of DIB under this Settlement Agreement.
