SETTLEMENT AGREEMENT

BETWEEN

SHEFA LMV, INC.

AND

MAAS INTERNATIONAL INC.

Shefa LMV, INC. (“Shefa”) and Maas International, Inc. (“Maas”) (collectively the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Shefa’s allegations that MAAS violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 Shefa is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 MAAS previously sold, at various times, metal polishes including but not limited to, MAAS Metal Polish; UPC: 724027914019 (“The Covered Products”).

1.3 The Covered Products are limited to those sold by MAAS and Releasees and Downstream Releasees as defined in paragraph 2.1 of this Settlement Agreement.

1.4 Shefa alleges that the Covered Products expose consumers to lead and/or lead compounds and that MAAS did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act (Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”).

1.5 On February 27, 1987, the Governor of California added lead to the list of

chemicals known to the State to cause reproductive toxicity.

1.6 On October 1, 1992, the Governor of California added lead to the list of chemicals known to the State to cause cancer.

1.7 These additions took place more than twenty years before Shefa served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986,” which is further described below.

1.8 Lead and lead compounds are referred to hereafter as the “Listed Chemical.”

1.9 On or about February 24, 2016, Shefa served MAAS, other noticed parties and certain relevant public enforcement agencies, with documents entitled “Sixty-Day Notice Of Violation” regarding Covered Products containing the Listed Chemical under Proposition 65.

1.10 The Sixty-Day Notice (the “Notice”) alleged MAAS and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Listed Chemical.

1.11 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the “Dispute”).

1.12 MAAS denies the material, factual, and legal allegations contained in the Notice.

1.13 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine.

1.14 Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law.

1.15 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by MAAS, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.16 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Shefa or MAAS may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, acting in its individual capacity, and not its representative capacity, on the one hand, and (a) MAAS, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees"), and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees ("Downstream Releasees"), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

2.2 The Covered Products are limited to those sold by MAAS, Releasees and Downstream Releasees as defined in paragraph 2.1 of this Settlement Agreement. Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

2.3 Shefa acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and not representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542, as well as under any other state or federal statute or common law principle

of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

3.0 MAAS's Duties

3.1 MAAS agrees, promises, and represents that within two (2) years of the Effective Date, to the extent it ships or sells in California any Covered Products in existing inventory, it will provide warnings on such Covered Products that comply with Proposition 65.

3.2 For warnings required by this Agreement, MAAS shall provide one of the following warnings:

- 3.2.1 "WARNING: Polishing items that contain lead, such as brass or pewter, can cause lead to come into contact with your skin. Wash hands thoroughly after use."
- 3.2.2 "[Triangle Hazard Pictogram] WARNING - cancer and [birth defects or other] reproductive harm - www.P65Warnings.ca.gov."

soap. Rinse and dry.”

3.2.6 The pictogram required of section 3.2.2 of this Agreement shall resemble the following:

3.3 The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase.

3.4 Provision of a warning required of this Agreement shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.
