

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement is entered into by and between Anthony Ferreiro (“Ferreiro”) and Sports Licensing Solutions, LLC t/a Fanmats (“Fanmats”). Together, Ferreiro and Fanmats are collectively referred to as the “Parties.” Ferreiro is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products.

Fanmats is considered a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code section 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations

Ferreiro alleges that Fanmats has imported, distributed and/or sold in the State of California floor mats containing Diisononyl phthalate (DINP) without the requisite Proposition 65 warning.

On December 20, 2013, the State of California listed DINP as a chemical known to the State to cause cancer.

1.3 Product Description

The products covered by this Settlement Agreement are *Round Floor Mats*, including without limitation, *Los Angeles Dodgers Round Floor Mat, UPC No. 846104065244* (the “Product” or “Products”) manufactured, imported, distributed, and/or sold in California by Fanmats containing DINP.

1.4 Notice of Violation

On May 17, 2016, Ferreiro served Fanmats, Wal-Mart Stores, Inc., (“Walmart”), and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.5, et seq.” (the “Notice”). The Notice provided Fanmats and such others, including public enforcers, with notice that alleged that Fanmats was in violation of California Health & Safety Code § 25249.5, for failing to warn consumers and customers that the Product exposed users

in California to DINP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission

Fanmats denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Fanmats of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Fanmats of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Fanmats. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Fanmats maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 Reformulation of the Products

Commencing ninety (90) days after the Effective Date, and continuing thereafter, Fanmats agrees to manufacture, distribute, or purchase for sale in California only (a) reformulated Products pursuant to Section 2.2, or (b) Products that are labeled with a clear and reasonable warning pursuant to Section 2.3. Fanmats and any downstream entities shall have no obligation to reformulate or label Product that entered the stream of commerce prior to the Effective Date. For purposes of this Settlement Agreement, a "Reformulated Product" is Product that meets the standard set forth in Section 2.2 below.

2.2 Reformulation Standard

“Reformulated Product” shall mean Product that contains in any accessible component less than or equal to 1,000 parts per million (“ppm”) of DINP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C.

2.3 Clear and Reasonable Warnings

Commencing ninety (90) days after the Effective Date, Fanmats shall provide a clear and reasonable warning for any Product that it manufactures, distributes, or purchases for sale in California that is not a Reformulated Product. Fanmats shall provide the warning affixed to the packaging or labeling with the following statement:

WARNING:

This product may contain chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm.

The warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which specific Product the warning applies, so as to minimize the risk of consumer confusion.

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Fanmats shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Fanmats shall pay a total of one thousand five hundred dollars (\$1,500.00) in civil penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ferreiro. The Parties thereafter reached an accord on the compensation due to Ferreiro and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Fanmats shall reimburse Ferreiro's counsel for fees and costs incurred as a result of investigating and bringing this matter to Fanmats' attention, and negotiating a settlement in the public interest. Within ten (10) business days of the Effective Date, Fanmats shall issue a check payable to "Brodsky & Smith, LLC" in the amount of \$18,000.00 for delivery to the following address:

5. RELEASE OF ALL CLAIMS

5.1 Release of Fanmats, Walmart, and Downstream Customers and Entities

This Settlement Agreement is a full, final and binding resolution between Ferreiro, acting on his own behalf, and Fanmats, of any violation of Proposition 65 that was or could have been asserted by Ferreiro or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to DINP contained in the Products, and Releasers hereby release any such claims against Fanmats and its parents, subsidiaries, affiliated entities, shareholders, marketplaces directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Fanmats directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, including but not limited to Maurice Sporting Goods, Inc., wholesalers, customers, retailers, including but not limited to Wal-Mart Stores, Inc. and Walmart.com USA LLC and their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on their failure to warn about alleged exposures to the chemical DINP that is contained in the Products, and were manufactured, distributed, sold and/or offered for sale by Fanmats to customers and consumers in the State of California.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ferreiro, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DINP in the Products.

5.2 Fanmats's Release of Ferreiro

Fanmats, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Ferreiro, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ferreiro and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Ferreiro on behalf of himself only, on one hand, and Fanmats, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Sections 5.1 and 5.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ferreiro and Fanmats each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

5.4 Deemed Compliance with Proposition 65

Compliance by Fanmats with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DINP in the Products.

5.5. Public Benefit

It is Fanmats' understanding that the commitments it has agreed to herein, and actions to be taken by Fanmats under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure section 1021.5 and Cal. Admin. Code tit. 11, section 3201. As such, it is the intent of Fanmats that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Fanmats' failure to provide a warning concerning exposure to DINP with respect to the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Fanmats is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Fanmats shall provide written notice to Ferreiro of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Ferreiro agrees to comply with the reporting requirements referenced in Health & Safety Code section 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.
