

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1 Ecological Alliance, LLC and Pentair, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Pentair Flow Technologies LLC (“Pentair”), with Ecological and Pentair collectively referred to as the “Parties.” Ecological represents that it is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that Pentair is a company in the course of doing business for purposes of Proposition 65.

1.2 General Allegations

Ecological alleges that Pentair distributed and/or sold in the State of California Water Filter Kits, including but not limited to UPC#022315150515, containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as Water Filter Kits containing lead. All such items shall be referred to herein as the “Products.”

1.4 Notice of Violation

On May 31, 2016, Ecological served Pentair and all public enforcement agencies eligible

to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided Pentair and such public enforcers with notice that alleged that Pentair was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission

Pentair denies the material factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by Pentair of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Pentair of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Pentair. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Pentair under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean 90 days after the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION

2.1 Reformulation Option

The Products shall be deemed to comply with Proposition 65 with regard to lead and be exempt from any Proposition 65 warning requirements for lead if the Products do not exceed the following limits for lead: 100 ppm by weight for any accessible component part. For purposes

of this Settlement Agreement, accessible component part shall mean components of the Product to which a person would be exposed to lead by direct contact during normal use of the Product.

2.2 Warning Alternative

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. The warning requirements set forth in Section 2.3 below shall apply only to Products that Pentair manufactures or procures after the Effective Date that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date.

2.3 Warning Language

Where required under Sections 2.1 and 2.2 above, Pentair shall provide Proposition 65 warnings as follows:

- (a) Pentair may use either of the following warning statements:
 - (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
or, where Pentair has reason to believe that chemicals listed under Proposition 65 in addition to lead are present in a Product,

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.
- (b) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.
- (c) If Proposition 65 warnings for lead should no longer be required, Pentair shall have no further obligations pursuant to this Settlement Agreement.
