

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 **Anthony Ferreiro & World and Main (Cranbury), LLC**

This Settlement Agreement is entered into by and between Anthony Ferreiro ("Ferreiro") and World and Main (Cranbury), LLC ("World and Main"). Together, Ferreiro and World and Main are collectively referred to as the "Parties." Ferreiro is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products.

World and Main employs ten or more persons and is considered a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code section 25249.6, et seq. ("Proposition 65").

1.2 **General Allegations**

Ferreiro alleges that World and Main has imported, distributed and/or sold in the State of California personal fans containing Di(2-ethylhexyl) phthalate (DEHP) without the requisite Proposition 65 warning.

On January 1, 1988, the State of California listed DEHP as a chemical known to the State to cause cancer. On October 24, 2003, the State of California listed DEHP as a chemical known to cause developmental male reproductive toxicity.

1.3 **Product Description**

The products covered by this Settlement Agreement are *USB Personal Fans*, including without limitation, *UPC No. 075877237644* (the "Product" or "Products") imported, distributed, and/or sold in California by World and Main containing DEHP.

1.4 **Notice of Violation**

On June 2, 2016, Ferreiro served World and Main, Wal-Mart Stores, Inc., Walmart.com USA, LLC (collectively, "Walmart"), and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.5, et seq." (the "Notice"). The Notice provided World and Main and such others, including public enforcers, with notice that alleged

that World and Main was in violation of California Health & Safety Code § 25249.5, for failing to warn consumers and customers that the Product exposed users in California to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission

World and Main denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by World and Main of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by World and Main of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by World and Main. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, World and Main maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 Reformulation of the Products

Commencing ninety (90) days after the Effective Date, and continuing thereafter, World and Main agrees to manufacture, distribute, or purchase for sale in California only (a) reformulated Products pursuant to Section 2.2, or (b) Products that are labeled with a clear and reasonable warning pursuant to Section 2.3. For purposes of this Settlement Agreement, a "Reformulated Product" is Product that meets the standard set forth in Section 2.2 below.

2.2 Reformulation Standard

"Reformulated Product" shall mean Product that contains in any accessible component less than or equal to 1,000 parts per million ("ppm") of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C.

2.3 Clear and Reasonable Warnings

Commencing ninety (90) days after the Effective Date, World and Main shall provide a clear and reasonable warning for any Product that it manufactures, distributes, or purchases for sale in California that is not a Reformulated Product. World and Main shall provide the warning affixed to the packaging or labeling with the following statement:

CALIFORNIA PROPOSITION 65 WARNING:

This product contains a chemical known to the State of California to cause cancer, and birth defects or other reproductive harm.

The warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which specific Product the warning applies, so as to minimize the risk of consumer confusion.

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, World and Main shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, World and Main shall pay a total of two-thousand dollars (\$2,000) in civil penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ferreiro. Each penalty payment shall be delivered to the addresses listed in Section 3.2 below. World and Main

shall be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing that are not received within the payment times set forth below.

3.1 Civil Penalty

4. **REIMBURSEMENT OF FEES AND COSTS**

The parties acknowledge that Ferreiro and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them, such resolution of the material terms subject to resolution of the fees and costs. The Parties thereafter reached an accord on the compensation due to Ferreiro and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, World and Main shall reimburse Ferreiro's counsel for fees and costs incurred as a result of investigating and bringing this matter to Howard Berger's attention, and negotiating a settlement in the public interest. Within ten (10) business days of the Effective Date, World and Main shall issue a check payable to "Brodsky & Smith, LLC" in the amount of twenty-three-thousand dollars (\$23,000) for delivery to the following address:

5. RELEASE OF ALL CLAIMS

5.1 Release of World and Main, Walmart, and Downstream Customers and Entities

This Settlement Agreement is a full, final and binding resolution between Ferreiro, acting on his own behalf, and World and Main, of any violation of Proposition 65 that was or could have been asserted by Ferreiro or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to DEHP contained in the Products, and Releasers hereby release any such claims against World and Main and its parents, subsidiaries, affiliated entities, shareholders, marketplaces directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom World and Main directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Wal-Mart Stores, Inc. and Walmart.com USA LLC and their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on their failure to warn about alleged exposures to the chemical DEHP that is contained in the Products, and were manufactured, distributed, sold and/or offered for sale by World and Main to customers and consumers in the State of California.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ferreiro, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP in the Products.

5.2 World and Main's Release of Ferreiro

World and Main, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Ferreiro, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ferreiro and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Ferreiro on behalf of himself only, on one hand, and World and Main, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Sections 5.1 and 5.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ferreiro and World and Main each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

5.4 Deemed Compliance with Proposition 65

Compliance by World and Main with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DEHP in the Products.

5.5. Public Benefit

It is World and Main's understanding that the commitments it has agreed to herein, and actions to be taken by World and Main under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure section 1021.5 and Cal. Admin. Code tit. 11, section 3201. As such, it is the intent of World and Main that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to World and Main's failure to provide a warning concerning exposure to DEHP with respect to the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that World and Main is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, World and Main shall provide written notice to Ferreiro of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Ferreiro agrees to comply with the reporting requirements referenced in Health & Safety Code section 25249.7(f).

11. MODIFICATION
