1.2 CAG alleges that the Covered Products contain either or both Bis(2-ethylhexyl) phthalate (“DEHP”) and Diisononyl phthalate (“DINP”), and that SAKAR did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.3 On December 20, 2013, the Governor of California added Diisononyl phthalate (“DINP”) to the list of chemicals known to the State to cause cancer. On January 1, 1988, the Governor of California added Bis(2-ethylhexyl) phthalate, also known as Diethyl Hexyl Phthalate (“DEHP”) to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental toxicity and male reproductive toxicity. On December 20, 2013 the Governor added Diisononyl phthalate (“DINP”) to the list of chemicals known to cause cancer. These additions took place more than twenty (20) months before CAG served its several “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which are further described below.

1.4 DINP and DEHP are referred to hereafter as the “Listed Chemicals”.

1.8 Each of the Sixty-Day Notices identified in Paragraphs 1.5 through 1.7 (referred to collectively as “Notices”) alleged that SAKAR and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to Listed Chemicals.¹

1.9 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65 and the sufficiency of the Notices provided by CAG (the “Dispute”).

1.10 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by SAKAR, the Other Noticed Parties, or any of their respective officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or SAKAR may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and (a) SAKAR, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to the Other Noticed Parties (and their respective owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns) or any other distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (“Downstream Releasees”), on the other hand, of any

violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemicals and the failure to warn about exposure to the Listed Chemicals through use of any Covered Product manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Products are limited to those sold by SAKAR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees, the Other Noticed Parties and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted with respect to any Covered Product sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees', the Other Noticed Parties and/or Downstream Releasees' alleged exposure of persons to the Listed Chemicals contained in the Covered Products or any failure by Releasees and/or Downstream Releasees to warn about exposures to Listed Chemicals contained in the Covered Products.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. The Parties agree that product labeling stating that “WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm” shall constitute compliance with Proposition 65 with respect to the Listed Chemicals in the Covered Products for any Covered Product in existing inventory that had not been reformulated and were distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.
