

## Settlement Agreement

### 1. INTRODUCTION

#### 1.1 The Parties

This Settlement Agreement (hereafter “Settlement Agreement”) is hereby entered into by and between Kingpun Cheng, as an individual, (hereinafter “Cheng”) and MSD, LLC (“MSD”). MSD and Cheng shall be collectively referred to as the “Parties” and each of them as a “Party.” Cheng is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. For purposes of this Settlement Agreement only, MSD acknowledges that it employs ten or more persons and is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code §§ 25249.6 *et seq.*

#### 1.2 Relevant Allegations and Representations

Cheng alleges that MSD has offered for sale and sold in the State of California distributor caps and rotors containing lead and that such sales have not been accompanied by Proposition 65 warnings. Lead is listed under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects, or other reproductive harm. Cheng has cited “MSD’s GM HEI Distributor Cap & Rotor, Part No. 8416” as an example of the distributor caps and rotors that are the subject of his allegations.

MSD disputes and denies Cheng’s allegations. For purposes of this Settlement Agreement only, MSD represents that MSD’s GM HEI Distributor Cap & Rotor, Part No. 8416 under the MSD brand is an item it has distributed to retailers and/or sold in the State of California.

#### 1.3 Product Description

The products covered by this Settlement Agreement are defined as MSD’s GM HEI Distributor Cap & Rotor, Part No. 8416 and other distributor caps and rotors that have been or are distributed and/or sold by MSD in California. All such items shall be referred to herein as the “Products.”

#### 1.4 Notices of Violation

On or about June 27, 2016, Cheng served MSD and various public enforcement agencies with a document entitled “60 -Day Notice of Violation” pursuant to Health & Safety Code §25249.7(d) (the “Notice”), alleging that MSD was in violation of Proposition 65 for failing to warn consumers and customers that the Products exposed users in California to lead. To the best of the Parties’ knowledge, no public enforcer is diligently prosecuting the claims in the Notice.

#### 1.5 Stipulation as to Jurisdiction/No Admission

For purposes of this Settlement Agreement only, the Parties stipulate that in the event that enforcement becomes necessary, or a dispute arises regarding this Settlement Agreement, the

Superior Court of California, County of San Diego has specific jurisdiction over MSD for the purposes of enforcing the terms of this Settlement Agreement only, and that venue is proper in the County of San Diego.

The Parties have entered into this Settlement Agreement to resolve disputed claims and avoid prolonged and costly litigation. Nothing in this Settlement Agreement shall be construed as an admission by MSD of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by MSD of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by MSD. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of MSD under this Settlement Agreement.

#### 1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is fully executed by both Parties.

## 2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION

Commencing 75 days after the Effective Date, MSD shall not ship for sale, sell, or offer for sale in California Products that are manufactured, distributed or sold by MSD containing more than 100 ppm lead unless they comply with this section. Commencing 75 days after the Effective Date, MSD shall only ship for sale, sell, or offer for sale in California Products that are either: (a) reformulated pursuant to Section 2.1; or (b) include a warning as provided in Section 2.3.

2.1 Reformulation Option. The Products shall be deemed to comply with Proposition 65 with regard to lead and be exempt from any Proposition 65 warning requirements for lead if the exposed brass or other metal components that are part of the Products meet the following criteria: the alloy from which the components are made shall have a lead content by weight of no more than 0.01% (100 parts per million, or “100 ppm”). MSD may comply with the above requirements by relying on information obtained from its suppliers regarding the content of the alloy from which the components are made, provided such reliance is in good faith. For example, without limitation, obtaining test results showing that the lead content is no more than 0.01%, using a method of sufficient sensitivity to establish a limit of quantification (as distinguished from detection) of less than 100 ppm, shall be deemed to establish good faith reliance.

2.2 Warning Alternative. As an alternative to reformulating the Products, commencing 75 days from the Effective Date, Products that MSD ships for sale, sells or offers for sale in California that do not meet the Reformulation Option set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below.

2.3 Warnings. Where required under Section 2.2 above, MSD shall provide Proposition 65 warnings substantially as follows:

**WARNING:** This product contains lead, a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

OR

**WARNING:** This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

2.4 **Warning Method.** Where utilized as an alternative to meeting the criteria set forth in Section 2.1, MSD shall provide the warning language set forth in Section 2.3 either with the Product's unit packaging or labeling or affixed to the Products. Such warning shall be affixed to or printed on each Product's label or packaging or on the Product itself. MSD may continue to utilize, on an ongoing basis, unit packaging containing not identical but substantively the same Proposition 65 warnings as those set forth in Section 2.3 above, but only to the extent such packaging materials have already been printed within 90 days after the Effective Date. Cheng agrees any such warnings comply with both Proposition 65 and the terms of this Settlement Agreement.

2.5 The requirements for warnings, set forth in Section 2.3 above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

2.6 If Proposition 65 warnings for lead or lead compounds or other specified chemicals should no longer be required, MSD shall have no further warning obligations pursuant to this Settlement Agreement. In the event that a change in the law requires or permits modification of the content of or method of providing such warnings, MSD may cease to implement or may modify the warnings required under this Settlement Agreement in compliance with the change in the law. Cheng acknowledges that in lieu of the provisions contained in Sections 2.3 and 2.4 above, MSD may provide any warning required by this Settlement Agreement in the form and by means which comply with the requirements for consumer warnings in the provisions contained in 27 California Code of Regulations §25600, *et seq.* operative as of August 30, 2018.

### 3. PAYMENTS PURSUANT TO HEALTH & SAFETY CODE §25249.7(b)

With regard to all claims that have been raised or which could be raised with respect to failure to warn pursuant to Proposition 65 with regard to lead or lead compounds in the Products, MSD shall pay a civil penalty of \$500 pursuant to Health and Safety Code section 25249.7(b), to be apportioned in accordance with California Health & Safety Code § 25192, with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment and the remaining 25% of the penalty remitted to Cheng, as provided by California Health & Safety Code § 25249.12(d) and the instructions directly below. After a full investigation, Cheng agrees that this penalty payment satisfies and complies with the criteria set forth under Proposition 65.

MSD shall issue two separate checks for the penalty payment: (a) one check made payable to "OEHHA" (tax identification number: 68-0284486) in an amount representing 75% of the total penalty (i.e., \$375); and (b) one check in an amount representing 25% of the total penalty (i.e., \$125) made payable directly to "Kingpun Cheng" (Sy and Smith, PC will provide MSD with tax identification information on or before the Effective Date). MSD shall mail these

payments within ten (10) business days after the Effective Date at which time such payments shall be mailed to the following addresses respectively:

Office of Environmental Health Hazard Assessment  
Attn: Mike Gyurics  
1001 I Street

#### 4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Cheng and his counsel under Code of Civil Procedure Section 1021.5 and other applicable law. Under these legal principles, MSD shall reimburse Cheng's counsel for fees and costs incurred as a result of investigating, bringing this matter to MSD's attention, and negotiating this Settlement Agreement in the public interest. Pursuant to and in satisfaction of Code of Civil Procedure Section 1021.5 and other applicable law, MSD shall pay Cheng's counsel a total of \$7,500 in full and complete satisfaction and payment for all attorneys' fees, expert and investigation fees, and related costs associated with this matter, the Notice, and negotiating this Settlement Agreement. MSD shall deliver a check or wire said monies to "Sy and Smith, PC" within ten (10) days of the Effective Date. Sy and Smith, PC will provide MSD with wire instruction and tax identification information on or before the Effective Date. Other than the payment required hereunder, each side is to bear his or its own attorneys' fees and costs.

#### 5. RELEASE OF ALL CLAIMS

##### 5.1 Release of MSD and Downstream Customers

Cheng, on behalf of himself, his past and current agents, representatives, attorneys, and successors and/or assignees only, releases MSD and its officers, directors, attorneys, representatives, shareholders, agents, employees, and sister and parent entities, and each of MSD's downstream distributors, wholesalers, licensors, licensees, auctioneers, retailers (including, but not limited to, Amazon.com, Inc. and its affiliates and subsidiaries), franchisees, dealers, customers, purchasers, users, and each of MSD's owners, parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (collectively "Releasees") from all claims for violations of Proposition 65 up through the Effective Date based on exposure to lead or lead compounds from the Products as set forth in the Notice of Violation. Cheng further acknowledges that he is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Cheng, on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, expressly waives and relinquishes any and all rights and benefits that he may have under, or which may be conferred on him by the provisions of Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that he may lawfully waive such rights or benefits pertaining to the released matters herein.

#### 5.2 MSD Release of Cheng

Except as set forth in this Agreement, MSD waives any and all claims against Cheng, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Cheng and his attorneys and other representatives in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against relating to the Products.

#### 6. SEVERABILITY AND MERGER

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are held by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.
