

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1 Ecological Alliance, LLC and Smith Cooper International, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Smith Cooper International, Inc. (“SMITH COOPER”), with Ecological and SMITH COOPER collectively referred to as the “Parties.” Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that SMITH COOPER is a company in the course of doing business for purposes of Proposition 65.

#### 1.2 General Allegations

Ecological alleges that SMITH COOPER distributed and/or sold in the State of California Ball Valves containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

#### 1.3 Product Description

The products that are covered by this Settlement Agreement are defined as Ball Valves containing lead that are not certified as meeting the requirements of Section 1417 of the Safe Drinking Water Act (42 U.S.C. Section 300g-6) including but not limited to UPC# 092201316684. All such items shall be referred to herein as the “Products.”

#### 1.4 Notice of Violation

On June 29, 2016 Ecological served SMITH COOPER and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of

California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided SMITH COOPER and such public enforcers with notice that alleged that SMITH COOPER was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

**1.5 No Admission**

SMITH COOPER denies the material factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by SMITH COOPER of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by SMITH COOPER of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by SMITH COOPER. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of SMITH COOPER under this Settlement Agreement.

**1.6 Effective Date**

For purposes of this Settlement Agreement, the term “Effective Date” shall mean 90 days after the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION**

Beginning on the Effective Date, SMITH COOPER shall not distribute, market, sell or ship for sale in California unless they either are reformulated as set forth in Section 2.1 or are provided with warnings as set forth in Sections 2.2 and 2.3.

**2.1 Reformulation Option**

Products distributed, marketed, sold or shipped for sale by SMITH COOPER in California after the Effective Date shall not need a warning label if the Products do not exceed the following limits for lead: 100 ppm by weight for any accessible component part. For purposes of this Settlement Agreement, accessible component part shall mean components of the Product to which a person would be exposed to lead by direct contact during normal use of the Product.

## **2.2 Warning Alternative**

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. The warning requirements set forth in Section 2.3 below shall apply only to Products that SMITH COOPER manufactures or acquires after the Effective Date that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date.

## **2.3 Warning Language**

Where required under Sections 2.1 and 2.2 above, SMITH COOPER shall provide Proposition 65 warnings as follows:

(a) SMITH COOPER may use one of the following warning statements:

(i) **WARNING:** This product contains a chemical known to the State of California to cause [cancer and] birth defects and other reproductive harm.

The bracketed language may, but is not required to, be used, and SMITH COOPER may use the word “or” rather than “and” after the word “defects.”

OR:

(ii) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

SMITH COOPER may use the warning set forth in (ii) above at its option, including if SMITH COOPER has reason to believe that the Products contain one or more other listed chemicals.

(b) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(c) If Proposition 65 warnings for lead should no longer be required, SMITH COOPER shall have no further obligations pursuant to this Settlement Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(B)**

In settlement of all the claims referred to in this Settlement Agreement, SMITH COOPER shall pay a total of One Thousand Dollars (\$1,000) in civil penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, SMITH COOPER shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to SMITH COOPER's attention. SMITH COOPER shall pay Ecological's counsel Seventeen Thousand Dollars (\$17,000) for all

attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

**5. PAYMENT INFORMATION**

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
