

# SETTLEMENT AND RELEASE AGREEMENT

## 1. INTRODUCTION

### 1.1 Ecological Alliance, LLC and CTA Manufacturing Corporation

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and CTA Manufacturing Corporation (“CTA”), on the other hand, with Ecological and CTA collectively referred to as the “Parties.” Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that CTA is a company in the course of doing business for purposes of Proposition 65.

### 1.2 General Allegations

Ecological alleges that CTA distributed and/or sold in the State of California Air Chucks containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

### 1.3 Product Description

The products that are covered by this Settlement Agreement are defined as Air Chucks containing lead. All such items shall be referred to herein as the “Products.”

### 1.4 Notice of Violation

On July 14, 2016 Ecological served CTA and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document

entitled “60-Day Notice of Violation” (“Notice”) that provided CTA and such public enforcers with notice that alleged that CTA was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

### **1.5 No Admission**

CTA denies the factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by CTA of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by CTA of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by CTA. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of CTA under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is fully executed.

## **2. INJUNCTIVE RELIEF: WARNING**

The warning requirements set forth in Section 2.2 below shall apply only to Products that that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the

stream of commerce as of the Effective Date or that CTA places into the stream of commerce within 90 days of the Effective Date.

Ecological’s counsel shall be responsible for delivering OEHHA’s portion of any penalty payment made under this Settlement Agreement.
