

# SETTLEMENT AND RELEASE AGREEMENT

## 1. INTRODUCTION

### 1.1 Ecological Alliance, LLC and Imperial Commercial Cooking Equipment

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Imperial Commercial Cooking Equipment (“Imperial”), also known as Spenuzza, Inc., a California corporation, with Ecological and Imperial collectively referred to as the “Parties.” Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that Imperial is a company in the course of doing business for purposes of Proposition 65.

### 1.2 General Allegations

Ecological alleges that Imperial manufactured, distributed, and/or sold in the State of California Burner Valves containing lead and all accessories thereto and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

### 1.3 Product Description

The products that are covered by this Settlement Agreement are defined as Burner Valves containing lead and all accessories thereto. All such items shall be referred to herein as the “Products.”

#### **1.4 Notice of Violation**

On August 3, 2016, Ecological served Imperial, Amazon.com, Inc., and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" (the "Notice") that provided Imperial and such public enforcers with notice that alleged that Imperial was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

#### **1.5 No Admission**

Imperial denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by Imperial of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Imperial of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Imperial. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Imperial under this Settlement Agreement.

#### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean 90 days after the date this Settlement Agreement is fully executed.

## **2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION**

### **2.1 Reformulation Option**

The Products shall be deemed to comply with Proposition 65 with regard to lead and be exempt from any Proposition 65 warning requirements for lead if the Products do not exceed the following limits for lead: 100 ppm by weight for any accessible component part. For purposes of this Settlement Agreement, accessible component part shall mean components of the Product to which a person would be exposed to lead by direct contact during normal use of the Product.

## **2.2 Warning Alternative**

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. The warning requirements set forth in Section 2.3 below shall apply only to Products that Imperial manufactures, assembles, distributes, supplies, sells or procures after the Effective Date that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date.

## **2.3 Warning Language**

Where required under Sections 2.1 and 2.2 above, Imperial shall provide Proposition 65 warnings as follows:

(a) Imperial may use the following warning statement:

**WARNING:** This product contains one or more chemicals, including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(c) If Proposition 65 warnings for lead should no longer be required, Imperial shall have no further obligations pursuant to this Settlement Agreement.

3. **PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Imperial shall pay a total of Five Hundred Dollars (\$500) in civil penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Imperial shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Imperial's attention. Imperial shall pay Ecological's counsel Eleven Thousand Dollars (\$11,000) for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. **PAYMENT INFORMATION**

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

**6.2 Imperial's Release of Ecological**

Imperial waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
