

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1 Ecological Alliance, LLC and Tap Worldwide, LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Tap Worldwide, LLC (“TAP Worldwide”), on the other hand, with Ecological and Tap collectively referred to as the “Parties.” This agreement is entered into as of the date of the last signature below (the “Effective Date”). Ecological contends that it is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that TAP Worldwide is a company in the course of doing business for purposes of Proposition 65.

1.2 General Allegations

Ecological alleges that TAP Worldwide distributed and/or sold in the State of California tire deflators containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. TAP Worldwide denies this contention.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as tire deflators that Ecological alleges TAP Worldwide has sold, offered for sale or distributed in California that contain lead. All such items shall be referred to herein as the “Products.”

1.4 Notice of Violation

On August 23, 2016 Ecological served TAP Worldwide, Amazon.com, Inc., and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided TAP Worldwide and such public enforcers with notice that alleged that Tap was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. To the best of the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

TAP Worldwide denies the factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by TAP Worldwide of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by TAP Worldwide of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by TAP Worldwide. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of TAP Worldwide under this Settlement Agreement.

2. INJUNCTIVE RELIEF: WARNING

2.1 Warning

Products shall be accompanied by a warning as described in Section 2.2 below no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of

California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Tap places into the stream of commerce within 90 days of the Effective Date.

2.2 Warning Language

Where required, Tap shall provide Proposition 65 warnings as follows:

(a) TAP Worldwide may use any of the following exemplar warning statements or similar statement giving appropriate Proposition 65 notice:

- (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
- (2) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm.
- (3) **WARNING:** This product can expose you to lead, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.
- (4) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

(b) If TAP Worldwide elects to use the warning statements identified in either 2.2(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”

The following label will also satisfy the requirements of section 2.2 herein:

 **“WARNING: This product can expose you to chemicals, including lead, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.”**

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for lead should no longer be required, TAP Worldwide shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, TAP Worldwide shall pay a total of \$500 in civil penalties in accordance with this Section. Ecological’s counsel shall be responsible for delivering OEHHA’s portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, TAP Worldwide shall reimburse Ecological’s counsel for fees and costs, incurred as a result of investigating and bringing this matter to TAP Worldwide attention. TAP Worldwide shall pay Ecological’s counsel \$10,000 for all attorneys’ fees, expert and investigation fees, and

related costs associated with this matter and the Notice.
