

SETTLEMENT AND RELEASE AGREEMENT

1. **INTRODUCTION**

1.1 **Ecological Alliance, LLC and Holley Performance Products, Inc.**

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Holley Performance Products, Inc. (“Holley”), with Ecological and Holley collectively referred to as the “Parties.” Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that Holley is a company in the course of doing business for purposes of Proposition 65.

1.2 **General Allegations**

Ecological alleges that Holley manufactured/distributed and/or sold in the State of California Brake Adapters containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3 **Product Description**

The products that are covered by this Settlement Agreement are defined as Brake Adapters and related parts containing lead that are manufactured, distributed, offered for sale and/or sold by Holley. All such items shall be referred to herein as the “Products.”

1.4 **Notice of Violation**

On August 25, 2016 Ecological served Holley Performance Products, Inc., Jet.com, Inc. (“Jet.com”), and all public enforcement agencies eligible to initiate Proposition 65 actions on

behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided Holley and such public enforcers with notice that alleged that Holley and Jet.com each was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission

Holley denies the material factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by Holley of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Holley of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Holley. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Holley under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean 90 days after the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Warning

Products shall be accompanied by a warning as described in Section 2.2 below. The warning requirements set forth in Section 2.2 below shall apply only to Products that Holley manufactures after the Effective Date that it then distributes, markets, sells or ships for sale in the

State of California. The warning requirement shall not apply to Products that are manufactured prior to or are already in the stream of commerce as of the Effective Date and shall not apply to the extent that the Product is modified or reformulated so as not to require a Proposition 65 warning for lead.

2.2 Warning Language

Where required, Holley shall provide Proposition 65 warnings as follows:

- (a) Holley may use the following warning statement:
 - (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
- (b) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.
- (c) If Proposition 65 warnings for lead should no longer be required, Holley shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Holley shall pay a total of Two Hundred Dollars (\$200) in civil penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal

principles, Holley shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Holley's attention. Holley shall pay Ecological's counsel Four Thousand Eight Hundred Dollars (\$4,800) for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
