

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1 Ecological Alliance, LLC and True Fabrications, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and True Fabrications, Inc. (“True Fabrications”), with Ecological and True Fabrications collectively referred to as the “Parties.” Ecological represents that it is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that True Fabrications is a company in the course of doing business for purposes of Proposition 65.

1.2 General Allegations

Ecological alleges that True Fabrications distributed and/or sold in the State of California Flasks, including but not limited to UPC#876718043239, containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as Flasks containing lead. All such items shall be referred to herein as the “Products.”

1.4 Notice of Violation

On September 1, 2016, Ecological served True Fabrications and all public enforcement

agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided True Fabrications and such public enforcers with notice that alleged that True Fabrications was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission

True Fabrications denies the material factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by True Fabrications of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by True Fabrications of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by True Fabrications. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of True Fabrications under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean 120 days after the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION

2.1 Reformulation Option

The Products shall be deemed to comply with Proposition 65 with regard to lead and be exempt from any Proposition 65 warning requirements for lead if the Products do not exceed the following limits for lead: 100 ppm by weight for any accessible component part. For purposes

of this Settlement Agreement, accessible component part shall mean components of the Product to which a person would be exposed to lead by direct contact during normal use of the Product.

2.2 Warning Alternative

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. The warning requirements set forth in Section 2.3 below shall apply only to Products that True Fabrications manufactures or procures after the Effective Date that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date.

2.3 Warning Language

Where required under Sections 2.1 and 2.2 above, True Fabrications shall provide Proposition 65 warnings as follows:

- (a) True Fabrications may use either of the following warning statements:
 - (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
or, where True Fabrications has reason to believe that chemicals listed under Proposition 65 in addition to lead are present in a Product,

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

- (b) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(c) If Proposition 65 warnings for lead should no longer be required, True Fabrications shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, True Fabrications shall pay a total of Four Hundred Dollars (\$400) in civil penalties pursuant to Health and Safety Code section 25249.7(b). This penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) by Ecological and the remaining 25% of the penalty remitted to Ecological. True Fabrications shall pay Ecological’s counsel the entire civil penalty payment referenced herein, and Ecological’s counsel will transmit 75% of the civil penalty payment to OEHHA.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, True Fabrications shall reimburse Ecological’s counsel for fees and costs, incurred as a result of investigating and bringing this matter to True Fabrication’s attention. True Fabrication shall pay Ecological’s counsel Four Thousand Six Hundred Dollars (\$4,600) for all attorneys’ fees, expert and investigation fees, and related costs associated with this matter and the Notice.

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2 True Fabrications's Release of Ecological

True Fabrications waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) through the Effective Date by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
