

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1 Ecological Alliance, LLC and Royal Designs, Inc.

This Settlement and Release Agreement (“Settlement Agreement”) is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Royal Designs, Inc. (“Royal”), on the other hand, with Ecological and Royal collectively referred to as the “Parties.” Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends, and Royal disputes, that Royal is a company in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.5 *et seq.* (“Proposition 65”).

1.2 General Allegations

Ecological alleges that Royal distributed and/or sold in the State of California brass finials containing lead and other products containing Proposition 65-listed chemicals, and that such sales have not included warnings pursuant to Proposition 65. Lead is listed under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as brass finials and other products containing Proposition 65-listed chemicals, that Royal has sold, offered for sale or distributed in California that contain lead. All such items shall be referred to herein as the

“Products.”

1.4 Notice of Violation

On November 3, 2016, Ecological served Royal, Amazon.com, Inc., and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided Royal and such public enforcers with notice that alleged that Royal was in violation of California Health & Safety Code section 25249.6 for failing to warn that the Products could cause an exposure to lead. To the best of the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice. Ecological represents and warrants that it has no knowledge of any potential Proposition 65 violations by Royal that are not covered by the Notice or by this Settlement Agreement.

1.5 No Admission

Royal denies the factual and legal allegations set forth in this Settlement Agreement as well as the factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by Royal of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Royal of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Royal. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Royal under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date

this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF: WARNING**

2.1 **Warning**

Products which require a warning for lead under Proposition 65 shall be accompanied by a warning as described in Section 2.2 below no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale by Royal in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Royal places into the stream of commerce within 90 days of the Effective Date, and also shall not apply to Products for which Royal provides the warning when Royal distributes, markets, sells, or ships the Products and which are subsequently distributed, marketed, sold or shipped by any person or entity not under the control of Royal.

2.2 **Warning Language**

Where required, Royal shall provide Proposition 65 warnings as follows:

- (a) Royal may use any of the following warning statements, or any other warning which complies with Proposition 65 at the time the warning is provided, in which case Royal shall be in full compliance with this Section:
 - (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
 - (2) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm.
 - (3) **WARNING:** This product can expose you to lead, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.

(4) **WARNING: Cancer and Reproductive Harm –**
www.P65Warnings.ca.gov.

(b) If Royal elects to use the warning statements identified in either 2.2(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”.

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for lead should no longer be required for the Products, Royal shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Royal shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to Ecological. Ecological’s counsel shall be responsible for delivering OEHHA’s portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Royal shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Royal's attention. Royal shall pay Ecological's counsel \$5,400 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

By May 5, 2017, Royal shall make a total payment of \$5,500 for the civil penalties and attorney's fees / costs by bank draft or wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

6. RELEASE OF ALL CLAIMS

6.1 Release of Royal, Downstream Customers and Upstream Vendors

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Royal and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE ROYALERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal

statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
