

# SETTLEMENT AND RELEASE AGREEMENT

## 1. INTRODUCTION

### 1.1 Ecological Alliance, LLC and MAT Industries LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and MAT Industries, LLC ("MAT"), on the other hand, with Ecological and MAT collectively referred to as the "Parties." Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that MAT is a company in the course of doing business for purposes of Proposition 65. By execution of this Settlement Agreement, the Parties and their attorneys agree they shall not communicate or direct another to communicate with anyone associated with any media or publication entities concerning the terms and conditions of this Settlement Agreement. This provision is not intended to prevent disclosures that may be necessary to effectuate its terms, including, but not limited to, Section 3 of this Settlement Agreement requiring Ecological to report the Settlement Agreement to the Attorney General's Office or by MAT as required by the rules or regulations of any governmental entity or agency.

### 1.2 General Allegations

Ecological alleges that MAT, using the trademarked brand Powermate LLC, distributed and/or sold in the State of California check valves containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). Lead is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or

other reproductive harm.

### **1.3 Product Description**

The products that are covered by this Settlement Agreement are defined as Check Valves that MAT has sold, offered for sale or distributed whether directly or indirectly that contain lead. All such items shall be referred to herein as the "Products."

### **1.4 Notice of Violation**

On November 3, 2016 Ecological served Powermate LLC ("Powermate"), Amazon.com, Inc., and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided MAT, Powermate and such public enforcers with notice that alleged that MAT was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

### **1.5 No Admission**

MAT denies the factual and legal allegations contained in Ecological's Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by MAT of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by MAT of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by MAT. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of MAT under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## **2. INJUNCTIVE RELIEF: WARNING**

### **2.1 Warning**

Products shall be accompanied by a warning as described in Section 2.2 below no later than 180 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that MAT places into the stream of commerce within 180 days of the Effective Date.

### **2.2 Warning Language**

Where required, MAT shall provide Proposition 65 warnings as follows:

(a) MAT may use any of the following warning statements in full compliance with this Section:

- (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
- (2) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm.
- (3) **WARNING:** This product can expose you to lead, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- (4) **WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) If MAT elects to use the warning statements identified in either 2.2(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for lead should no longer be required, MAT shall have no further obligations pursuant to this Settlement Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, MAT shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, MAT shall reimburse Ecological's counsel for fees and costs, incurred as a result of

investigating and bringing this matter to MAT's attention. MAT shall pay Ecological's counsel \$13,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
