

Paasche Airbrush Co._Cheng Settlement

1. INTRODUCTION

1.1 The Parties

This Private Settlement Agreement (hereinafter "Private Settlement") is hereby entered into by and between Kingpun Cheng, as an individual, (hereinafter "Cheng") and Paasche Airbrush Co. (hereafter "Paasche"). Paasche and Cheng shall be collectively referred to as the "Parties" and each of them as a "Party." Cheng is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

1.2 Allegations and Representations

Cheng alleges that Paasche has offered for sale and sold in the State of California, Airbrush Set UPC026614130940 containing Lead and Lead Compound, and that such sales have not been accompanied by Proposition 65 warnings. Lead and Lead Compound is listed under Proposition 65 as a chemical known to the State of California to cause cancer. Cheng has cited EZ-Starter Airbrush Set UPC026614130940 as an example of the airbrush sets that are the subject of his allegation.

For purposes of this Private Settlement only, Paasche Airbrush Co. represents that: EZ-Starter Airbrush Set UPC026614130940 is an item it distributes to retailers and consumers (online and storefront) in the state of California.

1.3 Product Description

The product that is covered by this Private Settlement is defined as any and all Paasche Airbrush Set products that are distributed by Paasche to Hobby Lobby Stores, Inc. (hereinafter "Hobby Lobby") or others and sold in California. All such items shall be referred to herein as the "Products."

1.4 Notices of Violation

On or about December 9, 2016, Cheng served Hobby Lobby and various public enforcement agencies with a document entitled "60-Day Notice of Violation" pursuant to Health & Safety Code §25249.7(d) (the "Notice"), alleging that Paasche and Hobby Lobby were in violation of Proposition 65 for failing to warn consumers and customers that the Products exposed users in California to Lead and Lead Compound. No public enforcer diligently prosecuted the claims threatened in the Notice within sixty days plus service time after service of the Notice to them by Cheng.

1.5 Stipulation as to Jurisdiction/No Admission

For purposes of this Private Settlement only, the Parties stipulate that in the event that enforcement of this Private Settlement or a dispute arises regarding this Private Settlement, the Superior Court of California, County of San Diego has proper jurisdiction over Paasche as to the

Paasche Airbrush Co._Cheng Settlement

allegations contained in the 60 day notice served on or about December 9, 2016, and that venue is proper in the County of San Diego.

Nothing in this Private Settlement shall be construed as an admission by Paasche of any fact, finding, issue of law, or violation of law; nor shall compliance with this Private Settlement constitute or be construed as an admission by Paasche of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Paasche. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Paasche under this Private Settlement.

1.6 Effective Date

For purposes of this Private Settlement, the term "Effective Date" shall mean the date this Private Settlement is signed by all parties.

Commencing on the Effective Date, Paasche shall ship for sale, sell, or offer for sale in California Products that are either (a) reformulated pursuant to Section 2.1 or (b) include a warning as provided in Section 2.3.

2.1 Reformulation Option. The Products shall be deemed to comply with Proposition 65 with regard to Lead and Lead Compound and be exempt from any Proposition 65 warning requirements for Lead and Lead Compound if the exposed brass or other metal components that are part of the Products meet the following criteria: the alloy from which the components are made shall have a Lead and Lead Compound content by weight of no more than 0.03% (300 parts per million, or "300 ppm"). ("ppm"). Paasche may comply with the above requirements by relying on information obtained from its suppliers regarding the content of the alloy from which the components are made, provided such reliance is in good faith. Obtaining test results showing that the Lead and Lead Compound content is no more than 300 ppm, using a method of sufficient sensitivity to establish a limit of quantification (as distinguished from detection) of less than 300 ppm shall be deemed to establish good faith reliance.

2.2 Warning Alternative. As an alternative to reformulating the Products, commencing on the Effective Date, Products that Paasche ships for sale, sells or offers for sale in California that do not meet the Reformulation Option set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below.

2.3 Warnings. Where required under Section 2.2 above, Paasche shall provide Proposition 65 warnings substantially as follows:

If printed on the label, the warning shall be contained in the same section that states other safety warnings, if any, concerning the use of the Product; Paasche may continue to utilize, on an ongoing basis, unit packaging containing not identical but substantively the same Proposition 65 warnings as those set forth in Section 2.3 above, but only to the extent such packaging materials have already been printed within ninety days after the Effective Date. Plaintiff agrees any such warnings comply with both Proposition 65 and the terms of this Settlement Agreement

2.5 The requirements for warnings, set forth in Section 2.3 above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.
