

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1 Ecological Alliance, LLC and Peachtree Woodworking Supply, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Peachtree Woodworking Supply, Inc. (“Peachtree”), on the other hand, with Ecological and Peachtree collectively referred to as the “Parties.” Ecological is a California limited liability company seeking to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Ecological contends that Peachtree is a company in the course of doing business for purposes of Proposition 65.

1.2 General Allegations

Ecological alleges that Peachtree distributed and/or sold in the State of California setup bars containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). Lead is listed under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as setup bars that Ecological alleges Peachtree has sold, offered for sale or distributed in California that contain lead. All such items shall be referred to herein as the “Products.”

1.4 Notice of Violation

On December 30, 2016 Ecological served Peachtree, Amazon.com, Inc., and all public

enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided Peachtree and such public enforcers with notice that alleged that Peachtree was in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. To the best of the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission

Peachtree denies the factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with Proposition 65 and all other applicable laws. Nothing in this Settlement Agreement shall be construed as an admission by Peachtree of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Peachtree of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Peachtree. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Peachtree under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNING

2.1 Warning

Products shall be accompanied by a warning as described in Section 2.2 below no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Peachtree places into the stream of commerce within 90 days of the Effective Date.

2.2 Warning Language

Where required, Peachtree shall provide Proposition 65 warnings as follows:

- (a) Peachtree may use any of the following warning statements in full compliance with this Section:
 - (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
 - (2) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.
 - (3) **WARNING:** This product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.
 - (4) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.
- (b) If Peachtree elects to use the warning statements identified in either 2.2(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”.

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for lead should no longer be required, Peachtree shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Peachtree shall pay a total of \$200 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to Ecological. Ecological’s counsel shall be responsible for delivering OEHHA’s portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Peachtree shall reimburse Ecological’s counsel for fees and costs, incurred as a result of investigating and bringing this matter to Peachtree’s attention. Peachtree shall pay Ecological’s counsel \$4,800 for all attorneys’ fees, expert and investigation fees, and related costs associated with this matter and the Notice.
