**[STIPULATED] CONSENT JUDGMENT**

(Health & Safety Code § 25249.6 *et seq.*)

21 **1. INTRODUCTION**

22 **1.1** On April 3, 2017, Plaintiff, Center for Advanced Public Awareness, Inc. ("CAPA"), a  
23 non-profit corporation, in the public interest as a private enforcer, commenced this action by filing a  
24 Complaint for Permanent Injunction, Civil Penalties and Other Relief (the "Complaint") pursuant to  
25 the provisions of California Health and Safety Code, section 25249.5 *et seq.* ("Proposition 65"),  
26 against Defendant Med Thrive Cooperative, Inc., d.b.a Medithrive ("Medithrive") in San Francisco  
27 County Superior Court Case CGC-17-557916 ("Action"). In the Action, CAPA alleges that  
28 Medithrive produced, processed, marketed, offered to sell, sold, and/or distributed for sale in the State  
of California marijuana intended for smoking, the consumption and use of which results in the  
generation of marijuana smoke, without first providing the clear and reasonable exposure warning

CASE NO. CGC-17-557916

CAPA V. MED THRIVE COOPERATIVE, INC.  
CONSENT JUDGMENT

1 required by Proposition 65. Medithrive denies all of such allegations. Marijuana smoke is listed  
2 pursuant to Proposition 65 as a chemical that is known to the State of California to cause cancer.  
3 These products, including flowers, leaves, stems, and other organic parts of marijuana plants (referred  
4 to hereinafter individually as a "Subject Product" or collectively as "Covered Products") are cannabis  
5 or marijuana intended for combustion via smoking and inhalation. CAPA alleges that the intended  
6 and foreseeable consumption and use (inhalation) of the Subject Products that are produced,  
7 processed, marketed, distributed, offered for sale and/or sold by Medithrive in California allegedly  
8 results in exposures to marijuana smoke. Medithrive denies all of said allegations. Plaintiff alleges  
9 such exposures require a clear and reasonable Proposition 65 warning, but no such warning was given.  
10 Medithrive disputes this and all other of Plaintiff's allegations. Medithrive alleges that during all  
11 times relevant to the allegations made by CAPA in the Action, Medithrive either was exempt from  
12 complying with the provisions of Proposition 65 or fully complied with its provisions. Medithrive  
13 alleges that it is a business entity that has employed less than ten persons at all times during the  
14 relevant time period alleged by CAPA in the Action and therefore does not qualify as a "person in  
15 the course of doing business" within the meaning of Proposition 65. CAPA contests this allegation  
16 and CAPA disputes Medithrive's claim of exemption.

17           1.2 CAPA and Medithrive are hereinafter referred to individually as a "Party" or  
18 collectively as the "Parties."

19           1.3 CAPA alleges that it is a California non-profit corporation that, among other purposes  
20 and causes it is dedicated to, provides information about the hazards of toxins in consumer products,  
21 protects the public health by preventing pollution and toxics from being discharged, released or  
22 emitted into the environment, and enforces state and federal laws in protection of consumers and the  
23 environment. Medithrive denies all of said allegations.

24           1.4 Medithrive alleges that it is a California non-profit corporation that, among other  
25 purposes and causes it is dedicated to, provides medical cannabis to ill Californians pursuant to the  
26 laws of the State of California and the laws of the City of San Francisco. Medithrive is a collective  
27 and only provides products to its registered patient members.

28 

1           1.5 The Complaint is based on allegations contained in CAPA's Notice of Violation, dated  
2 January 11, 2017, that Plaintiff alleges was served on the California Attorney General, other public  
3 enforcers, and Medithrive ("Notice of Violation" or "NOV"). CAPA alleges that more than 60 days,  
4 plus five (5) days for mailing, have passed since the NOV was mailed and uploaded to the Attorney  
5 General's website, and alleges that no designated governmental entity has diligently prosecuted this  
6 matter, as exemplified by the filing of the Complaint against Medithrive with regard to the Subject  
7 Products or the alleged violations. Medithrive disputes all of said allegations.

8           1.6 CAPA's NOV and Complaint allege that use of the Subject Products exposes persons  
9 in California to marijuana smoke without first providing clear and reasonable warnings in violation  
10 of California Health and Safety Code, section 25249.6. Medithrive denies all material allegations  
11 contained in the Notice and in the Complaint.

12           1.7 The Parties have entered into this Consent Judgment in order to settle, compromise  
13 and resolve the disputed claims which are the subject of the Action, and thus avoid prolonged and  
14 costly litigation. Nothing in this Consent Judgment shall constitute or be construed as an admission  
15 by any of the Parties, or by any of their respective officers, directors, shareholders, employees, agents,  
16 parent companies, or its subsidiaries or divisions. Except for the representations made above, nothing  
17 in this Consent Judgment shall be construed as an admission by the Parties of any fact, issue of law,  
18 or violation of law, nor shall compliance with this Consent Judgment be construed as an admission  
19 by the Parties of any fact, issue of law, or violation of law, at any time, for any purpose.

20           1.8 Except as expressly set forth herein, nothing in this Consent Judgment shall prejudice,  
21 waive, or impair any right, remedy, argument, or defense the Parties have in any other or future legal  
22 proceeding unrelated to these proceedings or the Action.

23           1.9 The "Effective Date" of this Consent Judgment is the date on which this Court  
24 approves and enters the Consent Judgment

25 ///

27 **2. JURISDICTION AND VENUE**

28 

1           2.1 The Parties stipulate and agree that the Superior Court of California, County of San  
2 Francisco has subject matter jurisdiction over the matters alleged in this action and personal  
3 jurisdiction over the Parties to this Consent Judgment. The Parties further stipulate that venue is  
4 proper in San Francisco County, and that this Court has jurisdiction and authority to enter a full, final  
5 and binding resolution of all claims, which were or could have been brought in this action based on  
6 the allegations contained in the NOV and/or Complaint.

8           3.1 Commencing on the Effective Date, pursuant to the provisions of California Health &

12 Medithrive is legally required to comply and in the same manner as described hereinafter. By  
13 proceeding in the manner described below with respect to "Clear and Reasonable Warnings",  
14 Medithrive has (prior to the date the Parties executed this proposed Consent judgment) and will

6 Product. Employees may not write over the text of the warning for any reason.

8 and posted the required "In-Store Warnings" in compliance with this Consent Judgment and that such  
9 actions constitute full and complete satisfaction of the relevant provisions of this Consent Judgment.

11 the warning text to also reference reproductive harm in compliance with California Code of  
12 Regulations, title 27, sections 25601 *et seq.*, as may be amended. If Medithrive provides a warning

4 CAPA alleges that it provides the following list of activities CAPA engages in to protect  
5 California consumers through Proposition 65 citizen enforcement, along with a breakdown of how  
6 ASP funds will be utilized to facilitate those activities: (1) ENFORCEMENT (70%-80%):  
7 investigating, obtaining, shipping, analyzing, and/or testing dispensaries or products that may contain  
8 carcinogenic chemicals contained in marijuana smoke and are sold to and expose California  
9 consumers to chemicals listed under Proposition 65; continued monitoring and enforcement of past  
10 consent judgments and settlements to ensure companies are in compliance with their obligations  
11 thereunder, with a specific focus on those judgments and settlements concerning chemicals of concern  
12 (which necessarily includes additional work, investigating, purchasing, processing, analyzing and/or

18 DATABASE (up to 5%): maintaining a database with all products sold to California consumers that  
19 CAPA has obtained which could cause an exposure to marijuana smoke or other toxic, carcinogenic  
20 or reproductive harms. CAPA will maintain adequate records to document that the funds paid as an  
21 ASP are spent on the activities described herein. CAPA shall provide the Attorney General, within  
22 thirty days of any request, copies of documentation demonstrating how such funds have been spent.

23 4.8 Medithrive shall issue separate 1099 forms for each of its payments under this Consent  
24 Judgment to the persons identified below. The issuance of said 1099 forms are conditioned upon  
25 CAPA and its attorneys timely providing to Medithrive their respective addresses and tax  
26 identification numbers required for such timely issuance:

10 Judgment is a full, final, and binding agreement and resolution of all claims and disputes between  
11 CAPA, acting on behalf of itself and in the public interest, on the one hand, and Medithrive, and its  
12 parents, subsidiaries, directors, officers, employees, attorneys, managers and managing company's,  
13 all agents acting on its behalf, and for those affiliated entities under common ownership (all  
14 collectively, "Releasees"), on the other hand, related to any violation of Proposition 65 that was or  
15 could have been asserted in the Action by CAPA, on behalf of itself and in the public interest, against  
16 Releasees for alleged unwarned exposures to marijuana smoke, and for claims based on the NOV  
17 and/or the Complaint relating to the Subject Products allegedly produced, processed, marketed,  
18 offered for sale, sold or distributed for sale in California by Medithrive prior to the Effective Date.  
19 CAPA acknowledges and agrees that compliance with the terms of this Consent Judgment constitutes  
20 full compliance with Proposition 65 with respect to the claims asserted in the NOV and the Action  
21 pertaining to alleged exposures to marijuana smoke from the Subject Products which may be sold by  
22 or through Medithrive after the Effective Date. This release acts to bar any further actions against  
23 Medithrive based upon those claims alleged CAPA or which could have been alleged in the Action  
24 by CAPA on behalf of itself and in the public interest.

26 each of the Releasees from any and all actions, causes of action, obligations, costs, expenses,

4 cultivated, processed, sold or distributed for sale by Medithrive in California before the Effective  
5 Date.

6  
7 **5.3 Medithrive's Release of CAPA.** Medithrive, on its own behalf and on behalf of its  
8 past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and  
9 all claims that it may have against CAPA and its attorneys and other representatives, for any and all  
10 actions taken or statements made (or those that could have been taken or made) by CAPA and its  
11 attorneys and other representatives, whether in the course of investigating claims, otherwise seeking  
12 to enforce Proposition 65 against it in this matter.

13 **5.4 California Civil Code, Section 1542.** It is possible that other claims not known to  
14 the Parties arising out of the facts alleged in the Notice and relating to the Subject Products will  
15 develop or be discovered. CAPA on its behalf only, on one hand, and Medithrive, on the other hand,  
16 acknowledge that this Consent Judgment is expressly intended to cover and include all such claims  
17 up through the Effective Date, including all rights of action therefor. CAPA and Medithrive  
18 acknowledge that the claims released in Sections 5.2 and 5.3 above may include unknown claims,  
19 and nevertheless waive California Civil Code, section 1542 as to any such unknown claims.  
20 California Civil Code, section 1542 reads as follows:

26 CAPA and Medithrive each acknowledge and understand the significance and consequences  
27 of this specific waiver of California Civil Code, section 1542.

1 **6. COURT APPROVAL**

2 This Consent Judgment has no force or effect until it is approved and entered by the Court in  
3 the Action and shall be null and void and may not be utilized by any of the Parties herein for any  
4 purpose whatsoever if, for any reason, CAPA fails to prepare and file the necessary motion in the  
5 Action to approve this Consent Judgment and schedule it for an initial hearing date within 60 days  
6 after it has been fully executed by all Parties or if for any other reason it is not approved and entered  
7 by the Court in the Action within 9 months after it has been fully executed by all Parties.

9 The terms of this Consent Judgment shall be governed by the laws of the State of California  
10 and shall only apply within the State of California. Pursuant to Code of Civil Procedure section 664.6,  
11 the Court retains jurisdiction over this matter and terms of the Consent Judgment contained herein.  
12 In the event Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law  
13 generally, or as to the Subject Products, then Medithrive may provide written notice to CAPA of any  
14 asserted change in the law, and have no further obligations pursuant to this Consent Judgment, with  
15 respect to, and to the extent that, the Subject Products are so affected. If OEHHA or other  
16 governmental body with authority promulgates new regulations setting forth warning text and/or  
17 methods of transmission required or permitted to be used under Proposition 65 for exposures to  
18 marijuana smoke in the Subject Products as defined herein, then at its sole discretion Medithrive may  
19 use such other new warning text and/or method of transmission, without being in breach of this  
20 Consent Judgment, provided that Medithrive sends written notice of this decision and includes the  
21 content and means of transmission of the warning to CAPA sixty (60) days in advance of  
22 implementing any such changes.
