

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement is entered into by and between Anthony Ferreiro ("Ferreiro") and Richardson Products, Inc. ("Richardson"). Together, Ferreiro and Richardson are collectively referred to as the "Parties." Ferreiro is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products.

Richardson is considered a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code section 25249.6, *et seq.* ("Proposition 65").

1.2 General Allegations

Ferreiro alleges that Richardson has imported, distributed and/or sold in the State of California Rehabilitation Advantage Padded Chest Straps containing Di(2-ethylhexyl) phthalate (DEHP) without the requisite Proposition 65 warning. On January 1, 1988, the State of California listed DEHP as a chemical known to the State to cause cancer.

1.3 Product Description

The products covered by this Settlement Agreement are Rehabilitation Advantage Padded Chest Strap (the "Product" or "Products") manufactured, imported, distributed, and/or sold in California by Richardson, that contain DEHP. On October 24, 2003, the State of California listed DEHP as a chemical known to cause developmental male reproductive toxicity

1.4 Notice of Violation

On April 6, 2017, Ferreiro served Richardson, Amazon.com, Inc ("Amazon"), and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.5, *et seq.*" (the "Notice"). The Notice provided Richardson and such others, including public enforcers, with notice that alleged that Richardson was in violation of California Health & Safety Code § 25249.5, for failing to warn consumers and customers that the Product

exposed users in California to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission

Richardson denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Richardson of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Richardson of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Richardson. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Richardson maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 Reformulation of the Products

Commencing ninety (90) days after the Effective Date, and continuing thereafter, Richardson agrees to manufacture, distribute, or sell in California only (a) reformulated Products pursuant to Section 2.2, or (b) Products that are labeled with a clear and reasonable warning pursuant to Section 2.3. Richardson and its downstream retailers shall have no obligation to reformulate or label Product that entered the stream of commerce prior to the Effective Date. For purposes of this Settlement Agreement, a "Reformulated Product" is Product that meets the standard set forth in Section 2.2 below.

2.2 Reformulation Standard

"Reformulated Product" shall mean a Product that contains in any accessible component less than or equal to 1,000 parts per million ("ppm") of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or equivalent methods.

2.3 Clear and Reasonable Warnings

Commencing ninety (90) days after the Effective Date, Richardson shall provide a clear and reasonable warning for any Product that it manufactures, distributes, or purchases for sale in California that is not a Reformulated Product. Richardson shall provide the warning affixed to the packaging or labeling, or on the website on which the Product is offered for sale, using language similar to the warning(s) below:

WARNING: This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

Or

WARNING: This product can expose you to chemicals including DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

The warning(s) shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use.

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Richardson shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Richardson shall pay a total of \$500.00 in civil penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA")

The Parties acknowledge that Ferreiro and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Ferreiro

and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Richardson shall reimburse Ferreiro's counsel for fees and costs incurred as a result of investigating and bringing this matter to Richardson attention, and negotiating a settlement in the public interest. 5. RELEASE OF ALL CLAIMS

5.1 Release of Richardson, Amazon, and Downstream Customers and Entities

This Settlement Agreement is a full, final and binding resolution between Ferreiro, acting on his own behalf, and Richardson, of any violation of Proposition 65 that was or could have been asserted by Ferreiro or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasors") for failure to provide warnings for alleged exposures to DEHP contained in the Products, and Releasors hereby release any such claims against Richardson and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Richardson directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Amazon and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on their failure to warn about alleged exposures to the chemical DEHP that is contained in the Products, and were manufactured, distributed, sold and/or offered for sale by Richardson to customers and consumers in the State of California.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ferreiro, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP in the Products.

5.2 Richardson's Release of Ferreiro

Richardson, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Ferreiro, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ferreiro and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Ferreiro on behalf of himself only, on one hand, and Richardson, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Sections 5.1 and 5.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ferreiro and Richardson each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

5.4 Deemed Compliance with Proposition 65

Compliance by Richardson with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DEHP in the Products.

5.5. Public Benefit

It is Richardson's understanding that the commitments it has agreed to herein, and actions to be taken by Richardson under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure section 1021.5 and Cal. Admin. Code tit. 11, section 3201. As such, it is the intent of Richardson that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Richardson failure to provide a warning concerning exposure to DEHP with respect to the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Richardson is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.

8. **NOTICES**

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:
