

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinosa (“Espinosa”) and Regent Baby Products Corp. (“Regent Baby Products”). Together, Espinosa and Regent Baby Products are collectively referred to as the “Parties.” Espinosa is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinosa alleges that Regent Baby Products is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Espinosa alleges that Regent Baby Products has exposed individuals to the chemical Diisononyl phthalate (DINP) from its sales of Baby King Baby Stroller Shields without first providing users and consumers of the product with a clear and reasonable health hazard exposure warnings as is required under Proposition 65. DINP is listed under Proposition 65 as a chemical known to the State of California to cause cancer.

1.3 Product Description. The products covered by this Settlement Agreement are Baby King Baby stroller shields and/or other similar product or packaging (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Regent Baby Products.

1.4 Notice of Violation. On April 21, 2017, Espinosa served Regent Baby Products, Stop & Bargain and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Regent Baby Products and such others, including public enforcers, with notice that alleged that Regent Baby Products was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DINP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Regent Baby Products denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have

been sold and distributed in California, including the Products which it contends it did not sell in Ca, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Regent Baby Products of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Regent Baby Products of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Regent Baby Products. However, § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Regent Baby Products maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Commencing on the Effective Date, and continuing thereafter, Regent Baby Products shall not manufacture or order from any supplier any Products intended for retail sale in California that contains DINP on any component to which consumers are exposed in excess of 0.1% (1,000 ppm) (hereinafter “Reformulated Products”) unless the Product is accompanied by a warning that complies with Article 6 of Title 27 of the California Code of Regulations. Products sold by Regent Baby Products before the date this Settlement Agreement is signed by both Parties may sell through without a warning even if not Reformulated Products. Until August 30, 2018, the warning shall consist of either:

For more information, go to www.P65Warnings.ca.gov.”; or
- (2) a warning consisting of a symbol that is a black exclamation point in a yellow equilateral triangle with a bold black

outline to the left of the word “warning” in bold all capital letters, followed by the statement “Cancer - www.P65Warnings.ca.gov.”¹

For Products manufactured on and after August 30, 2018, the warning set forth in § 2.1(b) shall be used.

2.2 The warning provided pursuant to § 2.1 shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the product and shall be at least the same size as those other safety warnings.

The Parties thereafter reached an accord on the compensation due to Espinosa and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Regent Baby Products shall reimburse Espinosa’s counsel for fees and costs incurred as a result of investigating and bringing this matter to Regent Baby Products’ attention, and negotiating a settlement in the public interest. 5. RELEASE OF ALL CLAIMS

5.1 Release of Regent Baby Products and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Espinosa, acting on his own behalf, and Regent Baby Products, of any violation of Proposition 65 that was or could have been asserted by Espinosa or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to DINP contained in the Products, and Releasers hereby release any such claims against Regent Baby Products and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Regent Baby Products directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Stop & Bargain, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees,

(collectively, the “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on their failure to warn about alleged exposure to the chemical DINP that is contained in the Products, and that were manufactured, distributed, sold and/or offered for sale by Regent Baby Products to customers and consumers in the State of California.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Espinosa, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DINP in the Products.

5.2 Regent Baby Products’ Release of Espinosa. Regent Baby Products, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Espinosa, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinosa and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Espinosa on behalf of herself only, on one hand, and Regent Baby Products, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Espinosa and Regent Baby Products each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. Compliance by Regent Baby Products with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DINP in the Products.

5.5. Public Benefit. It is Regent Baby Products' understanding that the commitments it has agreed to herein, and actions to be taken by Regent Baby Products under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Regent Baby Products that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Regent Baby Products failure to provide a warning concerning exposure to DINP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Regent Baby Products is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Regent Baby Products shall provide written notice to Espinosa of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.
