

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Agreement”) between Environmental Research Center, Inc. (“ERC”) and Uncle Harry’s Natural Products Inc. (“Uncle Harry’s”) is effective on the date on which ERC sends to Uncle Harry’s a fully executed Agreement (“Effective Date”). ERC and Uncle Harry’s are referred to individually as a “Party” and collectively as the “Parties.” The Parties agree as follows:

1. This matter arises out of the Notice of Violation of California Health & Safety Code §25249.5, *et seq.* (also known as “Proposition 65”) that ERC served on Uncle Harry’s on May 5, 2017 (the “Notice”) with regard to each of the following products identified below (referred to individually as “Covered Product” or collectively as “Covered Products”):

- 1) **Uncle Harry's Natural Products French Green Clay**
- 2) **Uncle Harry's Natural Products Miracle Seaweed Cure**
 - a. **Uncle Harry's Natural Products Miracle Seaweed Cure Spirulina and Chlorella**
 - b. **Uncle Harry's Natural Products Miracle Seaweed Cure Seaweed**
- 3) **Uncle Harry's Natural Products Wildcrafted Neem Leaf**

2. The Parties enter into this Agreement in order to fully resolve all claims, demands, and allegations regarding the Notice and for the purpose of avoiding prolonged litigation. Nothing in this Agreement shall be construed as an admission against interest of the Parties of any fact, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission against interest by the Parties of any fact, issue of law or violation of law. Nothing in this Agreement or any document referred to shall be construed as giving rise to any presumption or inference of admission or concession against interest by the Parties as to any fault, wrongdoing or liability. This Section shall not diminish or otherwise affect the obligations, responsibilities, and duties of the Parties under this Agreement.

3. In consideration of the following covenants and conditions contained in this Agreement, the Parties have provided the releases as set forth in Section 6 below:

a. Beginning on the Effective Date, Uncle Harry’s shall not manufacture for sale in the State of California, “Distribute into the State of California”, or directly sell in the State of California, any Covered Product which exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead per day when the maximum recommended dose is taken as directed on the Covered Product’s label, unless each such unit of the Covered Product bears the following warning statement:

WARNING: Consuming this product can expose you to chemicals including lead which is [are] known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Initials

i. As used in this Agreement, the term “Distribute into the State of California” shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Uncle Harry’s knows will sell the Covered Product in California.

ii. For the purposes of this Agreement, “Daily Lead Exposure Level” shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size recommended on the product label), multiplied by servings of the product per day (using the largest number of servings in a recommended dosage for a single day appearing on the product label), which equals micrograms of lead exposure per day.

iii. The phrase “cancer and” must be included in the warning only if the maximum recommended daily dose causes an exposure to more than 15 micrograms of lead when taken as directed on the Covered Product’s label.

b. The warning statement set forth in Section 3a. shall be prominent and displayed securely on either the cap, the unit packaging, the label, or by a sticker securely affixed to the Covered Products with such conspicuousness, as compared with other words, statements, or designs so as to render it likely to be read and understood by an ordinary individual purchasing or using the Covered Products. The warning appearing on the label or container shall be at least the same size as the largest of any other health or safety warnings correspondingly appearing on the label or container, as applicable, or such product, and the word “**WARNING**” shall be in capital letters and in bold print. If the warning appears on a Covered Product label it will be bounded in a box. The warning will not contain any statement indicating that the Proposition 65 listed chemicals in the Covered Products are naturally occurring. If there are amendments to the “clear and reasonable” safe harbor warning regulations applicable to dietary supplements after the Effective Date then Uncle Harry’s may use any form of applicable, compliant safe harbor warning allowed under such amended regulations.

c. If Uncle Harry’s is not providing a warning for any Covered Product, then Uncle Harry’s shall arrange, for at least three (3) consecutive years (if it continues to sell that Covered Product each of those three (3) years), and at least once per year, commencing one year from the Effective Date, for the lead testing of five (5) randomly-selected samples of five separate lots (or such maximum number of lots available if five lots are not available) of that Covered Product to confirm whether the Daily Lead Exposure Level is more or less than 0.5 micrograms of lead when the maximum recommended dose is taken pursuant to the directions on the Covered Product’s label. Uncle Harry’s shall include the lot identification numbers of the lots tested and provide the test results to ERC as set forth herein. Uncle Harry’s shall test samples in the form intended for the end-user to be distributed or sold to California consumers.

d. If Uncle Harry’s is successful with reformulation for any of the Covered Products which reduces the Daily Lead Exposure Level to 0.5 micrograms of lead per day or below when

taken pursuant to the maximum recommended dose as directed on the Covered Product's label, the Parties agree that the Covered Products may be offered for sale in California without the warning stated in Section 3a. If Uncle Harry's is successful with reformulation on any of the Covered Products, Uncle Harry's shall notify ERC and provide the applicable test results for the Covered Products that document this change in formulation at least fifteen (15) days prior to Uncle Harry's manufacturing for sale in the State of California, or directly selling in the State of California, any Covered Products without the warning set forth in section 3a or 3.b..

i. Pursuant to Sections 3c. and 3d., any such testing shall be performed by an independent third-party laboratory certified by the California Environmental Laboratory Accreditation Program or an independent third-party laboratory that is registered with the United States Food & Drug Administration. The method of selecting samples for testing must comply with the regulations of the Food & Drug Administration as set forth in Title 21, Part 111, Subpart E of the Code of Federal Regulations, including Section 111.80(c). Testing for lead shall be performed using Inductively Coupled Plasma-Mass Spectrometry (ICP-MS) achieving a limit of quantification of less than or equal to 0.010 mg/kg or any other testing method agreed upon in writing by the Parties. Nothing in this Agreement shall limit Uncle Harry's ability to conduct or require that others conduct additional testing of the Covered Products, including raw materials used in their manufacture.

ii. Pursuant to Sections 3c. and 3d. Uncle Harry's shall retain copies of its test data from the date testing commenced. If Uncle Harry's relies on any test data to sell a Covered Product without a warning as set forth in section 3.a or 3.b, then Uncle Harry's shall provide the relevant test data to ERC at least fifteen (15) days before manufacturing for sale in the State of California, or directly selling in the State of California. The requirement to provide relevant test data to ERC shall cease after three (3) years from the Effective Date.

4. Uncle Harry's shall make a total settlement payment of \$18,700.00 ("Total Settlement Payment") by wire transfer to ERC's escrow account within 5 days of the Effective Date ("Due Date"), for which ERC will give Uncle Harry's the necessary account information. The Total Settlement Payment shall be allocated as follows:

a. \$4,000.00 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$3,000.00) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$1,000.00) of the civil penalty.

b. \$775.50 shall be considered a reimbursement to ERC for its costs incurred as a result of bringing this matter to Uncle Harry's attention and negotiating a settlement.

c. \$6,010.00 shall be considered reimbursement of attorney fees for Lozeau Drury

LLP, and \$7,914.50 shall be considered reimbursement for ERC's in-house legal fees.

d. In the event that Uncle Harry's fails to remit the Total Settlement Payment owed under Section 4 of this Settlement Agreement on or before the Due Date, Uncle Harry's shall be deemed to be in material breach of its obligations under this Agreement. ERC shall provide written notice of the delinquency to Uncle Harry's via electronic mail. If Uncle Harry's fails to deliver the Total Settlement Payment within five days from the written notice, the Total Settlement Payment shall become immediately due and payable and shall accrue interest at the statutory judgment interest rate provided in the Code of Civil Procedure section 685.010. Additionally, Uncle Harry's agrees to pay ERC's reasonable attorney fees and costs for any efforts to collect the payment due under this Agreement.

5. Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys' fees related to the Notice.

6. Binding Effect; Claims Covered and Released

a. ERC, on behalf of itself and its respective owners, principals, shareholders, officers, directors, employees, agents, parents, subsidiaries, successors, assigns, and legal representatives fully releases Uncle Harry's and its respective owners, principals, shareholders, officers, directors, employees, agents, parents, subsidiaries, predecessors, successors, assigns, and legal representatives and each downstream entity to whom they sell or sold, distributed or gave away any Covered Products from any and all claims for violations of Proposition 65 up through and including the Effective Date based on exposure to lead from the Covered Products as set forth in the Notice.

b. ERC, on behalf of itself and its respective owners, principals, shareholders, officers, directors, employees, agents, parents, subsidiaries, successors, assigns, and legal representatives, and Uncle Harry's and its respective owners, principals, shareholders, officers, directors, employees, agents, parents, subsidiaries, predecessors, successors, assigns, and legal representatives, further waive and release any and all claims they may have against each other for all actions or statements made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notice up through the Effective Date.

c. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. ERC on behalf of itself only, on the one hand, and Uncle Harry's, on behalf of itself only, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore, and further acknowledge that the claims released this section may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

ERC on behalf of itself only, on the one hand, and Uncle Harry's, on the other hand, acknowledge and understand the significance and consequences of this specific waiver of California Civil Code Section 1542.

7. Nothing in this Release is intended to apply to any occupational or environmental exposures arising under Proposition 65, except as otherwise provided in this agreement, nor shall it apply to any of Uncle Harry's products other than the Covered Products.

8. Nothing herein shall be construed as diminishing Uncle Harry's continuing obligations to comply with Proposition 65.
