

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement is entered into by and between Ema Bell ("Bell ") and Tri Coastal Design Group, Inc. ("Tri Coastal Design"). Together, Bell and Tri Coastal Design are collectively referred to as the "Parties." Bell is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Tri Coastal Design is considered a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code section 25249.6, et seq. ("Proposition 65").

1.2 General Allegations

Bell alleges that Tri Coastal Design has imported, distributed and/or sold in the State of California luggage tags and toiletry cases that contain amounts of Di(2-ethylhexyl) phthalate (DEHP) that exceed the statutory limits without the requisite Proposition 65 warning. On January 1, 1988, the State of California listed DEHP as a chemical known to the State to cause cancer. On October 24, 2003, the State of California listed DEHP as a chemical known to cause reproductive toxicity.

1.3 Product Description

The products covered by this Settlement Agreement are (a) Simple Pleasures Body Mist Sets, and (b) luggage tags, including but not limited to, UPC No. 8 88273 69033 9 (the "Product" or "Products") that are manufactured, imported, distributed, and/or sold in the State of California by Tri Coastal Design, and that contain DEHP.

1.4 Notice of Violation

On May 3, 2017, Bell served Tri Coastal Design and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.5, *et seq.*" (the "Notice"). The Notice provided Tri Coastal Design and such others, including public enforcers, with notice that alleged that Tri Coastal Design was in violation of California Health & Safety Code §

25249.5, for failing to warn consumers and customers that the Product exposed users in California to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission

Tri Coastal Design denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Tri Coastal Design of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Tri Coastal Design of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Tri Coastal Design. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Tri Coastal Design maintains that it has not knowingly manufactured, or caused to be manufactured, sold, or caused to be sold, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 Reformulation of the Products

Commencing ninety (90) days after the Effective Date, and continuing thereafter, Tri Coastal Design agrees to manufacture, distribute, or purchase for sale in California only (a) the Products that are reformulated pursuant to Section 2.2, or (b) the Products that are labeled with a clear and reasonable warning pursuant to Section 2.3. Tri Coastal Design and its downstream retailers shall have no obligation to reformulate or label the Products that entered the stream of commerce prior to the Effective Date.

2.2 Reformulation Standard

“Reformulated Product” shall mean Product that contains in any accessible component less than or equal to 1,000 parts per million (“ppm”) of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C.

2.3 Clear and Reasonable Warnings

Commencing ninety (90) days after the Effective Date, Tri Coastal Design shall provide a clear and reasonable warning for any of the Products that it manufactures, distributes, or purchases for sale in California that are not a Reformulated Product. Tri Coastal Design shall provide the warning affixed to the packaging or labeling using language similar to the warnings below:

WARNING: This product contains a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

Or

WARNING: This product can expose you to chemicals including DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

The warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which specific Product the warning applies, so as to minimize the risk of consumer confusion.

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Tri Coastal Design shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Tri Coastal Design shall pay a total of \$2,000.00 in civil penalties in accordance with this Section. 5. RELEASE OF ALL CLAIMS

5.1 Release of Tri Coastal Design and Downstream Customers and Entities

This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Tri Coastal Design, of any violation of Proposition 65 that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasors”) for failure to provide warnings for alleged exposures to DEHP contained in the Products, and Releasors hereby release any such claims against Tri Coastal Design and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, Tri-Coastal Design’s licensor(s) of the Products (including, but not limited to ABG SLG, LLC t/a AV, Adrienne Vittadini, their respective subsidiaries, affiliates and parents, directors, officers, agents, employees, attorneys, successors and assignees), and each entity to whom Tri Coastal Design directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to The TJX Operating Companies, Inc. and Burlington Coat Factory Warehouse Corporation, their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, (collectively, the “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on their failure to warn about alleged exposures to the chemical DEHP that is contained in the Products, and were manufactured, distributed, sold and/or offered for sale by Tri Coastal Design to customers and consumers in the State of California.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP in the Products.

5.2 Tri Coastal Design’s Release of Bell

Tri Coastal Design, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell on behalf of herself only, on one hand, and Tri Coastal Design, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Sections 5.1 and 5.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Bell and Tri Coastal Design each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

5.4 Deemed Compliance with Proposition 65

Compliance by Tri Coastal Design with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DEHP in the Products.

5.5. Public Benefit

It is Tri Coastal Design's understanding that the commitments it has agreed to herein, and actions to be taken by Tri Coastal Design under this Settlement Agreement, would confer a significant

benefit to the general public, as set forth in Code of Civil Procedure section 1021.5 and Cal. Admin. Code tit. 11, section 3201. As such, it is the intent of Tri Coastal Design that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Tri Coastal Design's failure to provide a warning concerning exposure to DEHP with respect to the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Tri Coastal Design is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Tri Coastal Design shall provide written notice to Bell of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class
